

2018 Community Life Survey

Community Life is a monthly local publication dedicated to informing our community on matters of education, local government, community services, organizations, Cromaine District Library, churches, senior citizen news, recreation activities and other cultural opportunities. It has been printed and mailed to members of the community for over 84 years. It is also available in a pdf format on the district's website.

We are conducting this survey to determine your knowledge of and interest in Community Life. We specifically want to know if you value the publication and if so, the format that you would like to receive it in. We appreciate your input and time.

If you have questions, please call Michelle Otis, Community Education Director at (810) 626-2150.
