Superintendent's Message

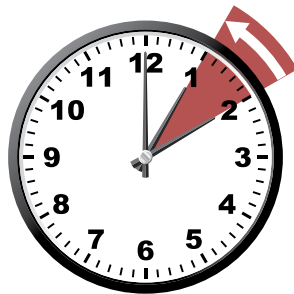

Janet Sifferman, Superintendent

We are now fully invested in the 2011/2012 school year and holiday decorations are appearing in the stores. Where has the time gone? As our fall sports season comes to a close, I would like to congratulate our athletes, their parents and coaches for another fantastic season. I was able to attend several of the contests and everyone performed admirably and did an excellent job representing Hartland Schools. This brings to mind Hartland's adherence to the "3 Rs" – **Reason, Respect & Responsibility** – and how thoroughly our students have embraced these ideals. The district has already faced some challenges this year and I thought this would be an excellent opportunity not only to reaffirm the "3 Rs," but to also revisit Hartland's "**Guiding Principles**" listed below. These are the tenets our administrators, teachers and support staff use each and every day to teach and guide your children.

1. Create a solid foundation for school and beyond
2. Provide a strong core academic program
3. Develop the "whole child"
4. Provide opportunities to help students develop skills for the 21st century – problem solving, creativity, real world application
5. Ensure a positive, safe, accessible learning environment for all children
6. Strive to provide innovative programs and services for Hartland to remain a premier district of choice
7. Recognize the uniqueness of each individual within the context of the needs of the whole learning community

Happy Thanksgiving!

LEGACY

Eco Garden-Thank You local businesses

A huge Thank you to The Home Depot; Meier Flowerland & Greenhouse, Inc.; Beauchamps Lawn Care & Landscape Supply, Inc. and Bordine's for your donations and support.

Students at Hartland LEGACY this year expanded on the Eco-Garden. Students began seeds indoors this spring and transplanted into the garden when ready. Again this summer students working the summer Michigan Works program along with other LEGACY students planted, maintained, and harvested vegetables from the garden with the supervision of Mr. Don Gagacki, LEGACY support staff and Mrs. Cyndi Ernst, Art teacher at LEGACY.

This is the third year for the LEGACY student Eco-Garden. The results of this effort are not only "green" but have produced vegetables almost daily for visitors of our "Hartland Senior Center." Another year of positive experiences for LEGACY students to give back to our local senior population in this manner.

The "Eco-Garden" has gone from a grassy piece of land to a beautiful garden full of Michigan Native Plants, vegetable plants, raspberry, strawberries, and many flower varieties. Students have constructed raised beds, a tool shed, fencing and art work for the garden that includes birdbaths, birdhouses, and garden stones with one designed in the shape of Michigan.

Delay of School Start Times due to inclement weather

1 HOUR DELAY

All students will ride the same bus with the same type of pick-up structure as under normal circumstances other than that bus will arrive at the regular pick-up stop approximately one hour later than usual. No structure changes will exist other than the time element. Under a one-hour delay, **A.M. junior kindergarten classes will be held.** There will be no vocational education classes.

2 HOUR DELAY

Under a two-hour delay, all students will be picked up as usual, except two hours later than on a regular schedule.

Under a two-hour delay, there will be NO A.M. JUNIOR KINDERGARTEN. There will be no vocational education classes.

The purpose of this alternative plan is to enable the flexibility of delaying school on some mornings due to fog and/or freezing rain. I am hoping that it will help assure that more instructional days can be held, while improving the safety factor for our staff and students.

Under a delay approach, all staff should report prior to the arrival of their students. Below you will find a chart outlining regular starting times and the starting times under a one and two hour delay situation. The chart also shows the time lunch schedules would begin. You will note that no alteration is being made regarding lunch. This will enable all personnel to function as usual.

	SCHOOL STARTING TIMES	ONE-HOUR DELAY	TWO-HOUR DELAY
HS	7:24 (lunch 10:30)	8:24 (lunch 10:30)	9:24 (lunch 10:30)

FI	8:50 (lunch 12:00)	9:50 (lunch 12:00)	10:50 (lunch 12:00)
ELEM	8:55 (CS lunch – 11:15) (LE lunch – 11:10) (RE lunch – 11:30) (VE lunch – 11:10)	9:55 (CS lunch – 11:15) (LE lunch – 11:10) (RE lunch – 11:30) (VE lunch – 11:10)	10:55 (CS lunch – 11:15) (LE lunch – 11:10) (RE lunch – 11:30) (VE lunch – 11:10)

Parent Advisory Committee:

The Parent Advisory Committee is off to a great start. On October 4, 2011 we had more parents show up to the PAC meeting than ever before. Mr. Hughes, Principal, was invited to share Hartland High School's standards for success, student protocol for communicating with their teachers, and current curriculum offerings. The PAC was presented a check for \$3,454.00 that was collected at registration as donations to the organization. Thank you parents!

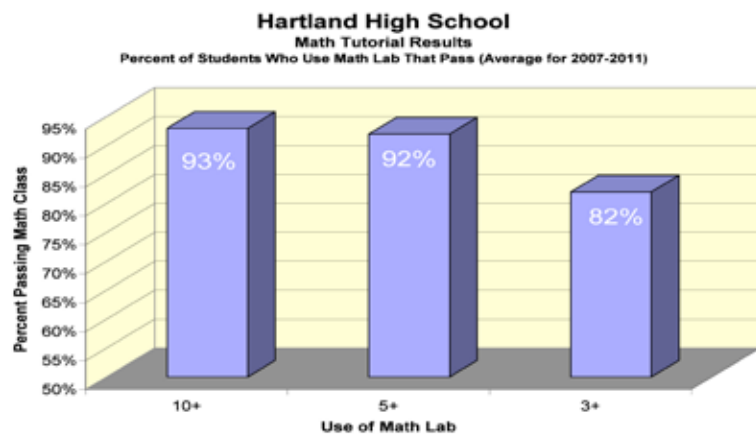

Future meetings will be held on the first Tuesday of each month at 7:30 AM in the main office conference room. Everyone is invited.

Math Tutorial Lab Available:

Parents, if your child is struggling in mathematics please help us to help them by arranging for attendance at Math Tutorial Lab. This is available from 2:14PM to 3:14PM in room 209. The data that we have collected over the past four years indicates that the students who use Math Tutorial Lab at least three times each semester pass their math class up to 93% of the time.

One Day Trip to Chicago and the Christkindl Market

Saturday, December 3

On Saturday, December 3, the Hartland High School German Club will offer a one day trip to Chicago to visit the Christkindlmarkt and we are inviting parents, grandparents, teachers and other community members to join in. This is a traditional German Christmas market in Daley Plaza with many German holiday decorations and other items. Included in the trip is a hot buffet lunch at a German Restaurant. The bus will then take us to the "Magnificent Mile" and the Water Tower Place mall for afternoon shopping.

Travel is by coach bus and leaves from the High School parking lot at 6:00 am. We return around midnight the same day. The cost for coach bus fare, hot meal and tips is \$90. We hope to fill a bus and this will be accomplished on a first paid, first reserved basis. Contact Pam Iden for further information at pamiden@hartlandschools.us or by telephone at 810.626.2337. Checks can be made to: HHS GAPP.

This is not a field trip for unaccompanied minors and we do not recommend bringing children under the age of 12 due to the time of year and length of the trip.

Forensics Students

Advance to State Tournament

Five members of the 2010/2011 HHS Forensics team qualified for the Michigan Forensics Individual Events State Tournament held at Oakland University last May. Over 800 students from all across Michigan competed for state champion titles in one of 12 public speaking or interpretation categories.

In the challenging category of Extemporaneous Speaking, Leena Shah wowed the judges with her knowledge of U.S. and international current events through four preliminary rounds, semi-finals and finals to win the third place trophy.

Speaking on the subject of the "West Memphis Three," a controversial capital murder case in Arkansas, Molly Oxner moved on to the semi-final round of Informative Speaking. Also advancing to the state tournament were Emily Watt and Victoria Cothran in the category of Poetry and Rhianna Dilworth in Prose.

The team is coached by English teacher Jami Waddle and community member and parent Doni Dilworth.

Student Advances to the National Junior Forensics Tournament

Kendra Rocha represented Hartland Middle School at Ore Creek in the National Junior Forensics League (NJFL) Tournament held June 16-18 in Dallas, Texas. Attending the tournament were more than 470 students from 62 schools spanning 27 states. Those students constituted more than 830 entries across a dozen speech and debate events.

Kendra competed in two categories:

Lincoln Douglas Debate and Extemporaneous Speaking. Lincoln Douglas is a traditional style of debate where students must be prepared to both affirm and negate a value resolution. This type of debate gets its name from the Abraham Lincoln/Stephen Douglas debates on the issue of slavery in the 1800's. The resolution for the 2011 National Tournament was "Resolved: When forced to choose, a just government ought to prioritize universal human rights over its national interests." Kendra debated to a 3-2 win/loss record and finished 15th (out of 65) in speaker points.

After each round of debate, Kendra went directly to draw for a current event topic to speak on in Extemporaneous Speaking. Her knowledge of U.S. and international issues helped Kendra prepare speeches with factual references and sources using only 30 minutes of preparation time before each speech. Kendra placed 16th in speaker points.

Kendra is a member of Hartland Forensics, which supports speech and debate activities for students in grades 5-12. If you would like more information, please contact Doni Dilworth at HartlandForensics@yahoo.com.

Students from Farms build duck and bat houses with volunteers from General Motors.

Wood Duck and Bat House Project

On Wednesday, September 21 several GM environmental engineers came to Farms to help the students in Mrs. Chodos's and Ms. Drafta's classes build wood duck nesting boxes and bat houses from recycled materials. The project also included a presentation from Rob Mies, a bat expert from Cranbrook Science Institute, and a presentation by John Bradburn from General Motors. The local Michigan Green School Coordinator, Kristine Moffett, along with Janet Chodos, Cindy Drafta, and Lawrence Pumford helped bring the project to Farms. Also, a special thanks to Pete Vance for helping to coordinate the event. This was an excellent example of our local community businesses teaming with Hartland Consolidated Public Schools to enhance student learning.

Some of Mr. Laibly's students show off their new instruments!!!

Over 250 fifth grade beginning band students received their instruments on October 21. This is the largest beginning band class in Hartland in the past eight years. Mr. Laibly and the students are looking forward to exploring the world of band instruments as they embark on the first year of what they hope to be eight years of involvement in the band program in Hartland.

Thanks to our PTO for bringing Mike Culver from "Bully Truth" to perform an assembly to our 5th and 6th grade students that focused on anti-bullying.

Sharing Our Creekside Family Traditions

Families often are defined by traditions. They keep us constant, they unite us, they are something we pass on from generation to generation. Creekside is a family as well and we have many traditions of our own that we pass on each year to all the new students, staff and families. September kicked off with our Fun Run, school photos and Spirit Week. October kicks in with Harvest Run, filled penny or marble jars, Halloween, mileage club, choir, MEAP testing, field trips and after school activities. Everyone that has been a part of the Creekside family knows what is in store and looks forward to another year of great fun as well as being able to teach new students and parents these family traditions.

Coming in the next few months we keep the excitement going. November is our Fall Book Fair, Popcorn Friday and Parent/Teacher conferences. December brings in Santa Shop, another Popcorn Friday, Holiday Sing and the always anticipated Holiday Break.

For all our Creekside families, there are several ways to keep up on all the traditions, old and new, that we have going:

- 1) School and classroom newsletters
- 2) PTO Bulletin Board outside the front office
- 3) Attend a PTO Meeting, first Thursday of the month, 4:00
- 4) Creekside website calendar
- 5) FaceBook page for Creekside and our Hatland community to post community events, sign up/registration dates, etc.
- 6) FaceBook PTO group for posting upcoming Creekside activities, reminders, volunteer opportunities, etc.

We encourage you to continue to be a part of the many traditions and enjoy being part of our Creekside family

Round Elementary School is brimming with energy and excitement so far this school year. It was a pleasure meeting parents and community members alike at our Open House nights. It was terrific seeing our students take pride in showing off our great building. There are so many exciting events that happened through the last month. We had our Fall Fun Run with a lot of incentives. Pictures are of Principal Minsker and Mr. Conway talking to the student body about the fun assembly coming up for the Fall Fun Run. We also had our Halloween Parade which is a Round School tradition.

Thank you to all of the Round School family that contribute everyday to the success of all our students. I am proud of the accomplishments our staff and students have made so far this year and look forward to watching all our students grow. Round Elementary wishes the entire Hartland Community a great month and a Happy Thanksgiving!!!

Snakes, Frogs, Armadillos Oh My! "Science Alive" visits Village

"Science Alive" is always a huge hit with our students at Village. Students had the opportunity to learn about and interact with live exotic animals from around the world. Students were encouraged to ask questions and look closely, as biologists discuss and teach students about these fantastic creatures.

A chinchilla has plush fur, a cute disposition and was quite popular amongst the students.

First grade students nervously examine "Smiley" the alligator.

Second grader, Aidan Romzek, gets friendly with "Dilbert" the armadillo.

LEGACY High School

Kirk Evenson, Principal

The first field trip of the school year was our annual visit to Kensington Metro Park in Milford. The skies were sunny and the atmosphere was filled with laughter and energy.

To begin the day, the staff planned a series of fun and educational activities for the students to participate in and complete. In groups of 3-5 members, students were asked to work in teams to collaborate using problem solving and communication skills to accomplish their goals.

Next the students were treated to a traditional picnic lunch with all the fixings, which included grilled hotdogs, chips, cookies and water to wash it down prepared by their Principal, Mr. Evenson. This proved to be a tasty favorite for everyone to enjoy of course.

Then the students were granted an option to select an activity they truly enjoy with their closest friends. Some chose to play disc golf, while others played football with Mr. Lemay, Ms. Robson and Mr. Snyder, some chose to enjoy the nice day and ride the swings and while the rest of the gang relaxed and took in the fresh air and a little sunshine.

The trip is the culmination of an excellent first month at school. Even more importantly, it was the opening act of many to follow where students and staff truly "Connect" to begin a year of learning, trusting, bonding, sharing and achieving great things in education at LEGACY HS. The staff at LEGACY takes tremendous pride in knowing all students well and reaching each one in personal way to ensure they are successful in earning their HS diploma.

Our annual Thanksgiving Dinner will be held on Monday, November 21 at 11:30am in the HESSC commons area. Please feel free to join us for this time of celebration and good food.

Tips to prevent holiday stress and depression

When stress is at its peak, it's hard to stop and regroup. Try to prevent stress and depression in the first place, especially if the holidays have taken an emotional toll on you in the past. Don't let the holidays become something you dread. With a little planning and some positive thinking, you may find that you enjoy the holidays this year more than you thought you could.

- 1. Acknowledge your feelings.** If someone close to you has recently died or you can't be with loved ones, realize that it's normal to feel sadness and grief. It's OK to take time to cry or express your feelings. You can't force yourself to be happy just because it's the holiday season.
- 2. Reach out.** If you feel lonely or isolated, seek out community, religious or other social events. They can offer support and companionship. Volunteering your time to help others also is a good way to lift your spirits and broaden your friendships.
- 3. B. The holidays don't have to be perfect or just like last year.** As families change and grow, traditions and rituals often change as well. Choose a few to hold on to, and be open to creating new ones. For example, if your adult children can't come to your house, find new ways to celebrate together, such as sharing pictures, emails or videotapes.
- 4. Set aside differences.** Try to accept family members and friends as they are, even if they don't live up to all your expectations. Set aside grievances until a more appropriate time for discussion. And be understanding if others get upset or distressed when something goes awry. Chances are they're feeling the effects of holiday stress and depression too.
- 5. Stick to a budget.** Before you go gift and food shopping, decide how much money you can afford to spend. Then stick to your budget. Don't try to buy happiness with an avalanche of gifts. Try these alternatives: Donate to a charity in someone's name, give homemade gifts or start a family gift exchange.
- 6. Plan ahead.** Set aside specific days for shopping, baking, visiting friends and other activities. Plan your menus and then make your shopping list. That'll help prevent last-minute scrambling. And make sure to line up help for party prep and cleanup.
- 7. Learn to say no.** Saying yes when you should say no can leave you feeling resentful and overwhelmed. Friends and colleagues will understand if you can't participate in every project or activity. If it's not possible to say no when your boss asks you to work overtime, try to remove something else from your agenda to make up for the lost time.
- 8. Don't abandon healthy habits.** Overindulgence only adds to your stress and guilt. Have a healthy snack before holiday parties so that you don't go overboard on sweets, cheese or drinks. Continue to get plenty of sleep and physical activity.
- 9. Take a breather.** Make some time for yourself. Spending just 15 minutes alone, without distractions, may refresh you enough to handle everything you need to do. Take a walk at night and stargaze. Listen to soothing music. Find something that reduces stress by clearing your mind, slowing your breathing and restoring inner calm.
- 10. Seek professional help if you need it.** Despite your best efforts, you may find yourself feeling persistently sad or anxious, plagued by physical complaints, unable to sleep, irritable and hopeless, and unable to face routine chores. If these feelings last for a while, talk to your doctor or a mental health professional.

Tyrone Township Quilt Show

The Tyrone Historical Society and the Tyrone Community Presbyterian Church are joining together to sponsor a Quilt Show on November 11 and 12 from 10:00 am to 4:00 pm at the Tyrone Community Presbyterian Church, 9141 Hartland Road, Fenton, MI. Admission is \$4.00.

Entries will include Antique Quilts, many from pioneer families in Tyrone Township, as well as the current work of local quilters. We will be presenting gift certificates for the winning antique and current work quilts, as well as various door prizes. There will be several quilting demonstrations, as well as, spinning and weaving demonstrations on Saturday.

A lap sized quilt made by local quilter, Barbara Fredenberg, will be raffled. Tickets are \$1 per ticket or 6 tickets for \$5. If you wish to purchase raffle tickets, please contact Mabel Render at 810.207.9700, Karen McCubbin 810.629.9648, Connie Powell 810.629.2031 or Norma Carnahan at 810.629.7303.

The purpose of the quilt show is not only to display the art of quilt making, but to present a venue to bring the community together. In the early days of Tyrone Township there were many opportunities such as Mock Weddings, community baseball games, ladies aids, as well as Euchre and Pedro card games, Christmas parties and dances. But today there are few community events in the Township. We hope that we will be able to provide an event where people can not only enjoy the quilts, but be able to connect. We invite one and all to join us in appreciation of these beautiful quilts and to meet your neighbors.

Black Sheep Weavers' Fiber Guild - November 3

Today's Crochet with Hollie Archdale

At our November 3 meeting, we will be introduced to a new and contemporary approach to crocheting with Hollie Archdale. Hollie will discuss the excitement surrounding this renewed fashion wave of crochet.

Our meetings begin at 6:30 p.m. for social time, a brief business meeting at 7p.m. followed by the program. We meet in Room 23 at the HESSC (former high school) on M-59 just a ½ mile west of the US 23 Interchange on the first Thursday of each month (except December) from September through May. We end our year with a potluck at a member's home in June.

If you are interested in weaving, spinning, knitting, dyeing, beading, crocheting, needle-felting, rug hooking, quilting, papermaking, basketry, raising alpacas and more, we are the group for you. Check out our website at www.blacksheepweavers.com or call our Treasurer/Membership Board member Nadine at 810.229.0869 or 810.626.2142.

Christmas "Adopt A Family"

Wanted: All Community Members and Groups:

If your group or family is looking for a community service project, or just a great way to celebrate the holiday season, in the true sense of giving why not consider the:

The Hartland Optimist Club will once again sponsor the "Adopt-a-Family" Program for families in our community in need of help during the holiday season. Our schools help by having boxes in their buildings so families can donate non-perishable food items, and paper goods. Also, community organizations, Scouts, Athletic Teams, Hartland Schools' Students and Staff help by giving donations, food pick-up, and volunteer their time to organize the items for our families.

The Optimist Club is in need of monetary donations, food, and paper products, etc. Donation boxes will be placed in all Hartland Schools and the Community Education Office the Monday after Thanksgiving.

If you would like to adopt a family please call: Vicki Schiesel at 313.220.2797.

You may also send a donation to: Hartland Optimist Club, P.O. Box 64, Hartland, MI. 48353.

There are many ways you can help support this project:

- Donate nonperishable food items or paper products
- Make a donation to Hartland Optimist Club
- Adopt a Family
- Join the Optimist Club

All donations are appreciated; every dollar helps and goes directly to our families.

Community support makes this worthwhile project a success!

Flash from the Friends

Friends of the Cromaine Library

Oh what a beautiful fall season those of us living in Michigan just experienced! Hopefully, we are now preparing for a very special holiday season with friends and family.

The "Friends" of Cromaine are looking forward to decorating both the Village and Crossroads. We will start by decorating the tree in the lobby of Cromaine in the Village on Wednesday, November 16 at 10am. We will then move on to Crossroads. We encourage everyone to join us. If you have any questions, please call Carolyn at 810.632.6295.

On Tuesday, December 20 at 6:30pm we will have our annual "Holiday Get Together" at Cromaine in the Village. We will enjoy snacks and time to socialize with our Friends.

We would like to take this opportunity to thank Krogers-Hartland store for donating 350 brown bags for our "Bag Sale" during our recent Fall Book Sale.

Hartland Audubon Nature Club

Yukon Delta of Alaska-November 1

The Yukon Delta of Alaska, land of mountain glaciers and ice cold rivers, has earned the designation of National Wildlife Refuge because of its importance during the spring bird migration. Professional photographer David Stimac followed a team of naturalists to this region and photographed the sand hill cranes, as well as eider ducks, godwits, and numerous other shore birds as they arrived at their rugged "rest stop." This presentation will be entertaining as well as informative, so come and join us on November 1 at the Hartland Senior Center, located in the Hartland Education Support Service Center at 9525 E Highland Rd M 59 just west of U S 23. The meeting will begin at 7:15pm with a short business discussion and the presentation will follow. For more information please contact Jami Bond at 810.632.5223.

Hartland Home and Garden Club

Next meeting- November 9

A designer, from Deneweth's Garden Center in Hartland, will be giving a hands-on demonstration on making holiday decorations. Members and guests may "make and take" a beautiful holiday arrangement (\$15 fee) at the next Hartland Home and Garden Club meeting on November 9 that meets in the Hartland Senior Center on M-59. The meeting begins promptly at 6:30pm. For your reservation, please call 248.887.9431.

The Rotary Club of Hartland

Gary Cornillaud, President

The Rotary Club of Hartland had a busy summer as we hosted our first annual fundraising event. The Hartland Cardboard Regatta was held June 25 at Waldenwoods Resort. Teams from local businesses and community groups constructed and sailed cardboard boats in competition racing and a stay a-float contest on Lake Walden. A good time was had by all as Mother Nature cooperated and observers were amazed by the creativity and sea worthiness of the brightly decorated boats. We are presently planning next year's event and welcome inquiries about entering a boat or providing sponsorship.

In September we began putting in action our goal to impact the local community. Under the guidance of Michael Horan and Barbara Walker, work was done at the Hartland Village Cemetery including a new sidewalk, gate repairs and removal of overgrown trees and shrubs. We appreciate the volunteer help of Steve Baker, Leo Bard: and Dick and Barbara Krueger. A replacement of the existing sign is also planned. Please stop by and enjoy the better access while honoring those who went before.

Visitors are welcome to join us on Thursday mornings for breakfast and informative presentations at Village Manor (9501 E. Highland Rd.) at 7:30am. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us. You can also go to www.hartlandrotary.org for more information on our club.

Helping Your Elderly Parent with COPD-Related Depression

Experts say that over a million people in the United States have chronic obstructive pulmonary disease (COPD). It is a chronic lung condition that includes bronchitis, emphysema or both.

COPD affects the airways and air sacs within the lungs, which makes breathing difficult and can result in a person becoming less active over time. An elderly person who has COPD will easily become depressed, when dealing not only with breathing difficulties but other age related problems.

One example of COPD related depression is Martin, age 72. Martin had lived a busy lifestyle, playing more at home along with improper diet, golf, volunteering at the community center and working in his garden. Diagnosed with COPD six months previously and uncertain how to manage his breathing difficulty and new medications, Martin stopped all his activities. Giving up the

things he loved to do and sitting more at home along with improper diet, he became a victim to depression.

Martin's son Anthony realized that his father could not handle his new situation and depression alone. A trip together to Martin's physician began the steps to dissipating the depression and enabling Martin to return to his social life.

Anthony received instructions about his father's medications from the doctor and how they were to be used and consequently could help his father with medication reminders.

The most common types of daily COPD medicines are:

- Inhalers for daily maintenance—Bronchodilators help relax the muscles around the lungs' breathing tubes. This reduces shortness of breath and makes breathing easier.
- Steroids—Corticosteroids, taken in pill form or inhaler reduce swelling

in breathing tubes to quickly make breathing easier. Not commonly for prolong use.

- Oxygen Treatment—Sever COPD will reduce your lungs' ability to put oxygen into your blood to be carried through your body. Martin's oxygen level was measured to determine if he would need prescribed oxygen therapy. Oxygen is usually prescribed if the oxygen in the blood is low during sleep, exercise, or while not active. A respiratory therapist from an oxygen supply company or home health service can help with learning how to use oxygen.

An important factor in Martin's depression and COPD management was his diet. Maintaining the right nutrition and taking vitamins not only keeps the body healthy but heals the mind, providing emotional well being. Fad diets or extreme dieting are not appropriate for COPD patients.

Extreme weight loss can be as much a hazard as being overweight. A home care nutritionist can help establish a healthy menu and diet plan.

With the help of mobile services and his son at his side to start with, Martin returned to the golf course and community activities. His new diet and return to previous activity helped Martin overcome his symptoms of depression.

Studies show that the intervention of family and friends in helping and supporting elderly people with COPD results in a decrease of depression and a healthier outcome for the patient. If you are helping an elder parent with COPD related depression there are community and professional services to help you. Start with your parent's physician. You can also find resources for oxygen therapy, home care respiratory treatment, home nursing, home medical equipment

Scouting News

Lakes Cub Scout Pack 385

We are back into the swing of school and Scouting is once again showing how boys can have so much fun. Pack 385 is continuing to grow with the addition of some new WEBELOS, Bears, Wolves and new Tigers this year. As you can see from our picture, we had a great turn out for our camping at Kensington in September. The attending Scouts earned a ton of achievements and two badges, while learning how to cook and make campfires. Last month, we had a great Pack Halloween Costume Party, and this month, we are about to embark on our Pack's Raingutter Regatta. Next month, we will have our Holiday Party followed by our Ice Fishing Event in January. If you would like to join Pack 385 (or have your parents help out in a den), contact Cindy Andersen with any questions 810.360.0660. See you in Scouting!
