

2015/16 Junior Kindergarten

Hartland Consolidated Schools is offering a half-day, and piloting a full day, Junior Kindergarten program for children who may not yet be ready for the rigor of kindergarten.

If day care/latchkey is a consideration, a partnership with Hartland Community Education's Childcare program can be arranged.

If you are interested and your child falls within the new age/waiver requirements (5th birthday by September 1 or December 1 with waiver), contact Scott VanEpps at (810) 626-2100 for more information.
