

2016/17 Kindergarten Registration

Hartland Consolidated Schools is hosting an EVENING Kindergarten Registration Event at Creekside, Lakes, Round, and Village Elementary, as well as the HESSC (9525 Highland Road) on Tuesday, April 19th from 4:00 – 7:00 p.m.

You may register your kindergarten age child, (5th birthday by Sept. 1, or Dec. 1 with waiver) and if enrolling at an elementary building, you and your child will be able to see a kindergarten classroom, meet the principal, and talk with PTO parents in the building.

To register, you will need a completed kindergarten packet (available on our web site: hartlandschools.us), an original birth certificate, immunizations, and proof of residency.

If you have not yet registered your child, be sure to mark your calendar and join us on April 19 to start your child's education adventure!

(Please remember, early registration increases the likelihood of placement in your home school.)
