

Hartland Consolidated School District Presents

*Virtual Learning for Grades 9-12
"Seat Time Waiver"*

AVAILABLE

Fall 2017

Who should consider virtual learning? Seat time waivers are designed for students who are interested in working on their high school graduation requirements on-line. The completion of an individualized seat time waiver educational plan will earn students a high school diploma.

Why take advantage of this opportunity? Completing high school through a seat time waiver program affords high school students the opportunity to adjust their optimal learning times around other factors that can distract them from being successful in the traditional learning environment. Students are assigned an adult mentor to help them focus on the established learning outcomes. Plus, the curriculum covers the State of Michigan high school standards designed to prepare students for college or a career upon graduation. Students may be able to enroll in partial seat time waiver and regular high school classes at the same time.

How do I learn more about this wonderful opportunity? Students or parents should contact their current Hartland High School Counselor or Rosanna Hamilton, Secretary Alternative Education at 810-626-2104 or rosannahamilton@hartlandschools.us to find out more about our on-line virtual high school opportunities. Schools of Choice is open for this program.

When can I enroll my child for the 2017-18 school year? Immediately

What is the first official day of class? September 5, 2017
