

WELCOME STUDENTS!!!

Welcome to the Hartland Consolidated Schools Student Nutrition Department. We are committed to serving students healthy school meals that provide excellent nutrition to enhance student learning. We serve meals that are reduced in sodium and offer a variety of whole grains, fruits and vegetables, and lean meats. One of our goals is to keep you informed about what we are doing. We invite you to come and have lunch with your child and try our school lunch menus. If you have any questions regarding our program, please feel free to contact us.

We look forward to an exciting school year!

Lisa Archey, Director

Hartland Consolidated Schools Student Nutrition

Parent Portal

The Student Nutrition

Department is pleased to offer lunch account information online through the ParentPortal.

Through the ParentPortal, you can view your child's lunch history or add money to your child's lunch account. For your security, online payments are made through

PayPal.

You can access

the ParentPortal

through the

Hartland Schools website. To request a pin and password, please email pc@hartlandschools.us

Free & Reduced Meals

Families with qualifying income are eligible to receive school meals at free or reduced cost. The forms can be found on the HCS website or at each school. Many families, who might not have qualified previously, may now be able to benefit from this Federal program.

Please be aware that the use of the Free and Reduced meal program is a *confidential* process. Free and reduced meals are purchased just as full price meals are purchased, without identifying student's eligibility.

Application forms for the 2017-18 school year will be available in August 2017. Please contact our office if you

MENUS

The menu can be

accessed and printed through the Student Nutrition section of the HCS website at www.HartlandSchools.us

Student Nutrition FAQ's

Q. How do I set up my child's lunch account?

A. Every student at HCS has a lunch account, you do not need to do anything to create one. Your child's lunch account is tied to their student ID number. If you would like your child to make purchases in the cafeteria, please make a deposit into their account.

Q. How do I make a payment into my child's lunch account?

A. Payments can be made with cash, check or credit card. Payments can be made in any method that you choose; daily, weekly or monthly, etc. You can send cash or check to the school. Please make sure all payments sent to school are in a clearly marked envelope labeled 'Lunch Money' with your child's name. Checks can be made out to 'Hartland Student Nutrition'. Payments can be made online in the ParentPortal system via PayPal. Please note that PayPal does charge a fee for making an online payment.

Q. How do I know what my child has been buying?

A. All purchases are tracked through their lunch account to allow you to monitor what they are eating at school. You can track this on the ParentPortal.

Q. Can the money put into my child's account be used for food items other than lunch?

A. Yes. The money you deposit can be used for all purchases. If you do not want your child to be able to purchase other items, let us know by calling 810-626-2868 and we will flag your child's account.

Q. How do I know when my child's account is low?

A. The Student Nutrition Department has an automated system that will call your home to let you know your child has a low or negative balance. Low balance calls are made for students grades K-6 if their lunch account has \$10.00 or less.

Q. What happens to the money left into my child's account at the end of the school year?

A. Any money left at the end of the school year remains in your child's account and follows them to the next grade and/or school.

Q. My Child has special dietary restrictions, who should I contact?

A. Please contact our office at 810-626-2867

Q. What if my child doesn't have funds in her/his lunch account?

A. We will always feed a student who does not have lunch from home the regular lunch from the day, regardless of if they have funds in their lunch account. Please refer to our district charging policy for more information regarding charging meals and negative balances. It can be found on the Student Nutrition website or the main district page under Board Policies.

Q. How do I find out about more information about the district's Local Wellness Policy (LWP) and how can I be involved?

A. The HCS Local Wellness Policy can be found on the district webpage under Board Policies. The LWP committee is open to anyone, if you would like to become involved, contact Assistant Superintendent Scott VanEpps. The LWP, its assessment and revisions are presented at public Board of Education meetings.

Q. Who can I contact for further information or questions?

A. Please call the Student Nutrition Department at 810-626-2868.

This institution is an equal opportunity provider.
