

# HARTLAND CONSOLIDATED SCHOOLS

## *May 2, 2017 -- Special School Election*

***“Your vote counts and costs you only your time to vote”***

On Tuesday, May 2, 2017, voters in the Hartland Consolidated School District will be asked to consider a **0.5 mill Building and Site Sinking Fund Millage** for a period of ten (10) years. Should this proposal pass, it would result in **NO NET INCREASE TO YOUR CURRENT TAX RATE**. The district’s debt fund levy is currently set at 8.55 mills. If this proposal passes, the Board of Education will take action in June 2017 to lower the current levy to 8.05 mills creating a net change of zero mills with the 0.5 mill sinking fund.

### **If approved, the money raised through the Building and Site Sinking Fund millage will:**

- Protect the community’s investment in the school district’s buildings and facilities
- Help us continue to provide our students a safe, secure and healthy environment
- Reduce pressure on the general fund so more of the school district’s limited educational operating funds are available to support student learning
- Maintain learning facilities that represent one part of the district’s effort to keep and attract residents

### **Where to Vote**

Residents of the Hartland Consolidated Schools district will **vote in the same local township polling location for the school election as when voting in the general election**.

### **We would like to hear from you...**
