

HARTLAND HIGH SCHOOL

Career and Technical Education

You're invited!

The Career and Technical Education department at Hartland High School will be hosting a vocational and technical program open house on **Wednesday, October 18th**.

This open house will allow students, parents, and members of the community the opportunity to explore several programs including: automotive, building trades, business, mechanical engineering, animation, architecture, nutrition, fashion & fabrics, housing & design, parenting, computer science, marketing, and business.

You will be able to talk with instructors, explore the facility, see live demonstrations, view a classic car show, speak with college representatives, and explore career opportunities.

The open house will run from **6:30 – 8 pm** at the high school. Food will be provided.

Hope to see you there!
