August 15, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for the Creekside Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Ms. Tracey Sahouri for assistance.

The AER is available for you to review electronically by visiting the following web site [www.hartlandschools.us](http://www.hartlandschools.us) or you may review a copy from Ms. Sahouri's office at your child's school.

For 2010-2011, Creekside Elementary School did not make Adequate Yearly Progress (AYP) because we did not attain target achievement goals for all subgroups of students in English language. The special education subgroup in grade 3 was not proficient. While Creekside is very proud of their special education programs, we have the district cognitively impaired program which contains the most severely impaired students from the entire district. This had an impact on our (AYP). English language arts and mathematics for all other subgroups were proficient. We are pleased with the progress that we have made and will continuously work to improve this subgroup identified through the efforts of school improvement.

I would like to congratulate the staff, students, and parents of the Creekside Elementary School family for their dedication to our school and the emphasis we give to student success. I encourage the Creekside family to continue supporting our young people through their educational years.

Sincerely,

Ms. Tracey Sahouri  
Principal
