Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for the Village Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact William C. Cain for assistance.

The AER is available for you to review electronically by visiting the following web site [www.hartlandschools.us](http://www.hartlandschools.us), or you may review a copy from the Village Elementary School office.

Village Elementary School achieved AYP for 2 or more years consecutively. For 2010-2011, Village Elementary School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

I am honored to be associated with Village Elementary School. Our staff places children at the forefront of everything we do; our parents are incredibly supportive, and our children are absolutely fabulous. Thank you all for another tremendous year.

Respectfully,

William C. Cain
