## Village Has A New Policy Regarding Birthday Treats...

For health and safety reasons, Village Elementary is asking that if students would like to bring in an item to share with their class on birthdays, that those are non food items. Some ideas could include but certainly not limited to pencils, stickers, erasers, etc. We certainly appreciate your support in ensuring that all of our children stay safe and healthy.

## Thank you for a great start to a great year!

As we start the new year with lots of new faces, I enjoyed our first activity with all of you. It was nice to see so many parents and students join us for the back to school picnic and open house.

Thank you, Village Teachers, for your continued commitment and dedication in the education of our children. The classroom materials and activities were well planned and well received.

Thank you, parents, for your attendance and support. The only way we can be successful in what we do is to work together. I enjoyed the opportunity to meet many of you. Thanks again for your ongoing support.

Thank you to the entire PTO for helping with the back to school picnic and supplying us with a wonderful meal. The PTO has been incredible to work with and has enhanced our programs significantly.

## Meet Trooper D.J. Oswald-DeBottis

Village Elementary is excited to participate once again this year in a "Meet-n-Greet" program, sponsored by the Michigan State Police Brighton Post #12. Trooper D.J. will be visiting Village periodically throughout the year, to greet students as they enter the building in the morning, and begin their school day. This program offers our students and parents the opportunity to meet Trooper D.J. as we continue to promote having a "Safe School".

**Welcome Trooper D.J.**
