****Note**** A monthly location schedule is required to be submitted to the transportation office. Bus stops can only be made at universal locations designated in the district. Both parents must sign this form. It is the parent's responsibility to make sure their student knows which location they need transportation to on a daily basis. A new form must be completed annually. To arrange transportation for the beginning of the school year, forms must be received by July 1st. After school is in session, new requests or changes must be submitted for approval at least 48 hours in advance.
