High School Curriculum Guide changes for the 2023-24 school year

Principal Kate Gregory reviewed updates for the High School Curriculum Guide for the 2023-24 school year.

The only change for other buildings is adding STEM centers at Farms and the Middle school. We are also in the process of adding interventionists at each elementary to help struggling students continue to grow.

We will take the high school curriculum guide changes to the Board for discussion on November 14, 2022.

The meeting adjourned at 4:20 p.m.

Respectfully submitted,
Renee Braden
