### **Bond Package Review**

Chuck and Matt discussed bid packages 6E, 6G, and 8 as follows.

Chuck stated that CO Staff will not be recommending adding a third elevator at the high school at this time due to high cost.

Matt Marino explained the need for the main sewer line replacement for Hartland High school. The sewer line is being increased due to the previous line being inadequate.

Chuck shared that the PA system at the HESSC is not working properly, so we are replacing it.

The phone system replacement bid came in low. Replacement will take place in the summer of 2023.

Replacing the outdated temperature controls at the HS are on hold right now.

The meeting adjourned at 7:58 a.m.

Respectfully submitted,
