2023-2024 Student Survey

Chuck talked about the student survey administration is reviewing. The survey will be done in the spring for Middle school and High school students only. There is no cost to the district. This will allow us to compare ourselves to other districts.

Kent ISD met with Livingston County superintendents to introduce the survey. There are now 58 school districts using this survey. We will see results by the end of the school year.

Greg asked for clarification about the teacher hiring process. Chuck explained that the building administrators/team review resumes and references and conduct the interview, then recommend the candidate to Scott VanEpps and Chuck for a final interview. The candidate is then introduced to the Board so they can legally approve the hire.

The meeting adjourned at 5:30 p.m.

Respectfully submitted,
