Health and Safety Guidelines

The District has not adopted any formal policies or procedures specifically addressing the various health safety recommendations, including: masking, vaccination, ventilation/cleaning, and proper hand hygiene/respiratory etiquette. However, the District requests that students and staff stay home when sick. Staff testing positive for COVID-19 may return to work after day 5 if symptom free with a mask through day 10.

The District, in conjunction with other districts in the County, continues to rely on guidance and support from the health experts in monitoring the pandemic and responding appropriately in order to ensure the health and safety of students and staff.

Mode of Instruction

1) In-Person instruction

The full scope of services, including academics, intervention, mental health and other needs will be provided in person for the 2022/23 school year

2) The Hartland Virtual Academy program is an online option for 6-12 students (Michigan Virtual courses)
