Superintendent's Message

Janet Sifferman, Superintendent

Time flies! The holidays feel like a distant memory and spring is around the corner. The district is in full swing, planning for the 2013/2014 school year. There are a couple of important dates and activities that are happening soon. Kindergarten Round-up for the 2013/2014 school year is scheduled for March 5 and 6 from 5:30 to 8:00 p.m. at the Hartland Educational Support Services Center. Please refer to the announcement in this issue for further details. Scheduling for Hartland High School students begins this month and you may contact Hartland Middle School (for incoming freshman) or Hartland High School if you have specific questions regarding this process.

I also wanted to remind everyone of the recent changes to the regular school election laws. Residents of Hartland Schools elected Board of Education members during the November general election. However the district will continue to run its annual 18-mill Non-Homestead Millage election in May to ensure the district continues to receive its full distribution of state aid for the coming year. More information will be forthcoming on this ballot proposal over the next couple of months. As always, Hartland Consolidated Schools is extremely fortunate to have fantastic support from our parents and the community. Thank you!

Darlene Kuehn

(Aka – “Mrs. Cheladyn”) – January 2013

Darlene Kuehn, also known to many former students as “Mrs. Cheladyn,” has worked for Hartland Consolidated Schools in a variety of capacities and buildings since December 1979. She currently resides in Central Office and handles attendance, workman's compensation, PESG, etc., etc....

Darlene is a graduate of Henry Ford High School (The Trojans) and began her career in Hartland as a playground/lunchroom aide at Round Elementary School. “I went in to pick up my children from (school) and was asked if I wanted to be a playground and lunchroom “lady.” I was lucky enough to have picked the day that had pushed the limits of the lady before me. Thank you, Paulette Riffle, for my over 30-year career. I think that was a once-in-a-lifetime moment.”

Person of the Month

(continued from page 1)

Darlene, her husband and three children, moved to Hartland in 1974 from Detroit. She notes that moving from the city to the small town of Hartland, with its one truck stop, bakery, grocery store and lumberyard, not to mention the cows, chickens and tractors, was a “real step back in time.” Her children all graduated from Hartland Consolidated Schools, and Darlene shares a bit of that experience, “my children all have wonderful memories of me working in every building they went to...my belief, maybe not theirs. It was often not a good thing because I was easy access for the teachers to stop by my desk and fill me in on my son’s sense of humor or to inquire as to the whereabouts of my oldest son. He could generally be found in the auto shop with Mr. Weston.”

Most memorable moments:

“I was excited to share the job of class sponsor for the Class of 1993 with my dear friend, Toni Silsbe. I made contact with every one of those students through the four years they grew from freshmen to seniors. What a wonderful experience that was! Even now I get to see some of them when they come to enroll THEIR children in kindergarten and Community Education programs.”

“My most exciting experience during all my years in Hartland was being asked to be the Keynote Speaker for the Class of 1991. I was honored that the students voted for me to speak to them because I had been with them from my first day at Round Elementary up until they graduated. My youngest son was in first grade when I started and when he graduated I got to stand up and pour my heart out. It was truly a moment I will always treasure!”

Why are you are still here?

“My heart grows every year because of the friendships I have made with my co-workers and others from this district. I get a real rush when I am out and about and someone comes up to me to give me a hug because they remember me from when they were in school. I am so proud of who I am when someone tells their child that I was their playground lady or office lady. The tears flow for me when they add that they remember the one day that they needed a hug and I was there for them. That is worth so much! I remember back to when I went through a rough time and my “work family” lifted me and carried me through the heartache and made my struggle easier. Where do you find that in the big city life? I am a better person because of the many people that have touched my life through my years in Hartland.”

Positive thoughts about Hartland Consolidated Schools:

“Over the years there have been so many changes in our district – the addition of buildings, changing of the guard – yet this district has always been centered on the students and their families. How wonderful is it that for over 30 years, I have had an inside view of a very successful operation? If you think about the growth of this district since I started in 1979, there have been many changes to the look of the district, but the core remains the very same. Students, families and the community are what drive our teachers, administrators and support staff to do such an outstanding job.”

“The countdown has started for when I will retire and go on to my next “life.” I look forward to being part of the Hartland Senior Center and remaining friends with my work family. I also look forward to sleeping in and not scraping the snow off my car before taking on the “Hyne Road curves” in the winter.”

“One last story of my time in Hartland while my children were attending school... I got a call from (what was then) the Farms Middle School. It was Mrs. Anderson, the school secretary, and she called me to share something that had just happened. My son, Kris, was serving a detention that day in a room right off of the main office. He went to her desk and asked if he could make a call about his lunch. Well, because we were friends, she allowed him to make the call. Mrs. Anderson assumed that he was calling me. About a half-hour later a pizza delivery man showed up in the office with the pizza my son had ordered...”

“I am going to miss this place and all of my fellow employees!”

Food Service Subs Needed

Transportation Department Holds Raffle for Adopt-a Family

Our driver, Kim Matthyssen created and then donated 3 baskets full of items to be raffled off to benefit the Christmas family our department sponsored. Each basket contained a “Brighton” bracelet, large Yankee & Party-lite candles, body lotions and gels, and more totaling an approximate value of \$200.

Thanks to her idea and generosity we were able to raise almost \$800 for our family. The family received everything on their “wish” list and there was money left over to put on a gift card for anything else that they wanted or needed.

Pictured above are Kim on the left and on the right are the 3 lucky men who won the baskets...Chuck Caverly, Jim Ganzak and Dan Schloegl.

Principal's Corner

Ben Mainka, Hartland High School Principal

Students at HHS are working diligently as they are now in a new semester. Our HHS students did a fantastic job towards the end of January as they came back from break and prepared for their mid-term examinations. As we look forward to the month of February, we are really preparing to begin the scheduling process for the 2013-14 school year. Students will be provided information on courses they may take next year and will begin selecting their preferences.

Here are a few important dates of interest for the month of February:

February 1	First semester report card distribution
February 7	Junior College Planning Night
February 16	Winterfest Dance
February 22-25	Winter Break (No classes)
February 27	Incoming Freshman HHS Planning Night (Current 8th graders)

Hartland DECA Excellence

DECA is our business and marketing club here at HHS, and the DECA organization has many schools across the country that participate in their program. Students involved in DECA earn skills that will help them stay competitive in the business and career world after they graduate. In most places, a small group of students participate in DECA, but at HHS we are proud to have over 300 students who are involved with DECA as we are the largest chapter in the State of Michigan! Not only do we have the most participation anywhere, we focus on the quality of our program, which was evident at our last District Competition. Congratulations to the Hartland DECA Chapter for a record setting performance at the District 4 DECA Conference! 113 HHS Students are District Champions and have qualified for the State Finals, breaking the old school record of 102. These students will join 50 Advanced Marketing qualifiers as 162 HHS students are now qualified for the State Championship in Grand Rapids.

Alexis Veliky, Erynn O'hara, and Josh Pietila are actively competing at the DECA Competition.

HHS Spring Assessment Season

As we look towards the spring, we are beginning to prepare for the assessment season. In early March, the MME, PLAN, EXPLORE, and ACT tests are administered. These tests are extremely important as they help our students attain their goals for college entrance and provide them an opportunity to perform at a high level academically. Your support as parents and community members is very important, as students require rest, a healthy diet, and adequate preparation. At HHS we will be running some test preparation programs during the school day at the end of February to help prepare students for these very important assessments. In addition, there are many other options for preparing to take the ACT, and you may stop by the main office if you would like to get more information.

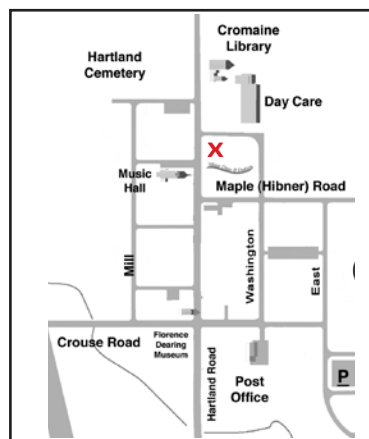

HHS Happenings

If you are a parent of a Hartland High School student and would like to have access to the bi-weekly newsletter, HSHappenings, from Principal Mainka, please make sure that your email address is updated on ParentConnect and you will receive the communication.

Hartland High School leadership students spent some time at Lakes Elementary before the holidays reading to groups of our elementary students. We appreciate these fine young people acting as great role models for our kids. Pictured here, senior Jake Lowery reads to a group of second grade students from Mrs. Villar's class.

Third grader Chelsea Paddock shares her most recent personal narrative piece from Writer's Workshop with Superintendent Janet Sifferman. They both enjoyed great conversation regarding Chelsea's use of the qualities of good writing.

Lakes students are very proud to finally be able to enjoy our recycled bottle cap Lakes Kids Care mural which was hung over the holiday break in the school hallway. This project helped us to obtain the highest Evergreen level as a Michigan Green School. Pictured here with the mural are students: Lucas Huber (2nd grade), Patrick Purdom (1st grade), Emersyn Alberts (kindergarten), Jaxon Pillen (3rd grade), Drew Dyczkowski (1st grade), and Marissa Harris (4th grade).

Third grade students enjoy exploring how different types of levers and pulleys work as they study Force and Motion in science. Using the inquiry scientific method, Spencer Bulthuis, Amanda Niemi, and Chase Pietila take data as they work with these basic machines.

Students in Mrs. Zielinski's kindergarten class enjoy investigating math concepts through playing Hopscotch Math. Posing here and proud of their efforts are Alexis Hui and Ella Ebright.

Round Elementary News

As the holiday season came and went and a new year upon us, Round Elementary School spent our holiday season in style. Thank you to the Round School staff and family for donating time and money to help families less fortunate. The entire Hartland District always does a nice job helping our community and Round School certainly did our part. Round Elementary School makes a great effort to show our young people the importance of giving, not only during the holidays, but as a way of life. Our students raised money for the Red Cross and victims of Hurricane Sandy and collected over 1200 pounds of food and items for Gleaners. Needless to say, the holiday season was a special time at Round this year.

Highlighted pictures features our annual graham cracker houses and a couple new additions to the school. The 4th grade classes participated in building graham cracker houses to celebrate the holidays. Holiday songs could be heard throughout the building as students worked on building the candy house of their dreams! Round also received new tables and chairs for the media center and a new information screen for the main office. Round Elementary School would like to wish everyone a successful and safe 2013!!

The Round Elementary School media center received new tables and chairs over the holiday break.

The new TV in the office will display Round School dates and special events.

Mr. Kromer's 4th grade class works on their holiday houses!

Fourth grade student Alexis Cook shows off her graham cracker house during the holiday season.

Fourth grade student Kendal Coons poses with her candy and graham cracker house.

Mrs. Jessen and her 1st grade class were excited to have Santa visit them before Christmas.

All Village 4th Graders participated in a sing-along to start their holiday break.

First graders in Mrs. Butzier's class performed "A Wish to be a Christmas Tree" for their parents during their class party.

Reader's Theater is a favorite among Village students. Mrs. Ross's second graders perform "How the Grinch Stole Christmas."

Students were thrilled to see the first snow of the season!

Last month our students and the Hartland Senior Center collaborated to do some fun activities. Everyone had a blast and other plans are being made for future shared activities this spring.

A special 'Thank you' to Dr. Thomas R. Doud and Hartland Eye Care for their kind and generous support for students of Hartland Schools. Local businesses are always so supportive and giving when students in Hartland need help. Thank you Dr. Doud!

The holiday season is in full swing in Hartland. LEGACY students, Randi Harper, Alan Keesler and Trevor Kurkowski pause for a photo while they are helping Mrs. Lubeski's preschool students write their letters to Santa.

Trevor Furay prepares to serve in a friendly game of Pickleball with his senior-playing partner. In the background several LEGACY students and other members of the senior center compete in Pickleball.

LEGACY student, Wyatt Marshall and Wilma Green member share a moment decorating cookies for the holidays.

Creating a Trust for Your Pet

Who will care for your dog or cat when you pass away? What will happen to your bird should you become incapacitated? For many people, providing care for their pet after they pass away or if they become incapacitated is a very big concern, and, as a result, most states including Michigan have statutes that provide for the enforcement of trusts created for the benefit of pets.

Unlike your children or other relatives or friends that you may leave money to via your last will and testament, an animal cannot be a beneficiary of your will. Instead, pet owners need to designate someone to take care of their pet after they die and they can leave money to that person for the cost of providing care.

Prior to specific statutes which allow for the creation of an enforceable

“pet trust,” if an individual left money to a family member or friend in their last will and testament stating in the document that the bequest was solely for the purpose of caring for their pet, the family member or friend would be under no legal obligation to spend the money on their pet. In fact, they could take the pet to the pound and keep the money for themselves if they chose to do so. Any money left in a last will and testament to an individual “for the care of a pet” is merely a request and unenforceable in a court of law.

While many might say, “trust my brother with my dog and I know he would take care of him” – what happens if your brother’s son becomes allergic to your dog? Or, what happens if your brother moves into an apartment complex that won’t allow pets? A pet trust can provide

direction regarding any of the unforeseen circumstances that may arise.

Setting up a trust for your pet is much like setting one up for a person. The trust is a legal entity into which you put money and then designate a trustee who is responsible to safeguard and administer the money. In the case of a pet trust, you designate a caregiver for your pet’s expense (special dietary needs, grooming, pet toys, veterinary care, etc.) Of course, it is always a good idea to name one or more alternate trustees and caregivers in the event something should happen to them. In addition, a provision of the trust will need to provide for what happens to the money you have set aside for your pet after its death. Many people choose to have the remaining balance go to the

caregiver or a charitable organization.

It is important to keep your trust up to date with current information and to ensure nothing has changed in your designated caregiver’s situation that might warrant changing designees (are they still willing to take on the commitment, can they still physically handle the responsibility, etc.) It is also a good idea to give a copy of the trust to your chosen caregiver, any successor(s) and family members who may be involved with the care of your pet.

Creating a trust for your pet is not just for the wealthy or the eccentric. It is a relatively inexpensive and practical way to ensure you have provided for your pet when you can no longer do so because of death or incapacity.

Club & Organization News

Hartland Robotics Club

The Hartland Middle School teams known as the Steel Eagles and the Sonic Eagles have just finished a very successful season. The second year team The Steel Eagle performed as expected and represented our school district with honor and grace and are seen in the FTC community as one of the premiere teams in the state. The newest team, the Sonic Eagles are recognized as a competitive and fast maturing rookie team. Thanks to the efforts of the 16 students and their mentors our FTC Hartland teams brought our school district some great accomplishments. The team members are: Mitchell Bednarski, Andy Coleman, Benjamin Cortichiato, John Dunleavy, Tommy Fisher, Micheal Goodwin, David Garascia, Nathan Gould, Ian Jarrett, John Pindzia, Dylan Portuesi, Patrick Rosso, Daniel Sapp, Brian Simmons, Ethan Wynne, and Alex Willis.

During each tournament, at least one of the teams finished in a top 3 qualifying position. Our teams captured the 1st and 2nd alliance qualifiers in the EMST in December. The Steel Eagle battled valiantly and brought home a 2nd place trophy breaking their winning streak and ultimately experiencing their first loss. The Sonic Eagles received a second state level design award. At a tournament hosted at Hartland Middle School the impartial judging staff chose the Sonic Eagles to receive the PTC design award for their design and use of CAD software to build their robots. At the EMST, the Sonic Eagles were again recognized for their forward thinking; this time receiving the Rockwell Collins Engineering Innovate Award.

These young robotics enthusiasts have been supported by many sponsors and patrons from in and around our community. The teams would like to recognize and thank our supporters for their financial and material assistance. Without their generosity backing our teams we would not have been able to accomplish our goals. Our teams were honored by individual donations from private citizens and generous organizations. We would like to thank Linear Mold and Engineering in Livonia, Parametric Technology Corporation PTC, and Woodward Fabrication of Hartland, Dr. Hayden and Dr. Cook Optometrists of Brighton.

Our teams and their parents hosted the Hartland Engineering Eagles FTC Qualifier with 17 FTC robotics teams from around Michigan. The event would not have been possible or as successful without the support of organizations around our community. In support of this event area restaurants and businesses stepped forward to provide food for the volunteers; restaurants that stepped forward to help were Bagle Express, Bigby Coffee, Big Boy, Black Rock Bar and Grill, Mancino's of Brighton, Gus' Pizza and Salad, and O'Malley's Irish Pub. Other organizations that provided financial and material support are Best Buy, Costco, Krogers, Lowes, Meijers, Remax-Dan Callen, The Rental Store, and Walmart.

Everyone involved in Hartland School District Robotics would like to thank the community and these fine businesses for their support of the FTC program and these future engineers. If you would like to be a part of a FIRST Robotics team or would like to learn how to become a mentor. Please contact Matt Bednarski at hartlandschooldistrictrobotics@gmail.com.

Black Sheep Weavers Fiber Guild

Intro to Altered Books-February 7

On February 7, Donna Borton will do a workshop called "Introduction to Altered Books." She writes, "I became interested in decorative painting and took some classes at a local art store. After a few years, I taught others how to paint. A few years ago I decided that I needed to try combining different mediums in my art. I explored paper cloth and altered books. Both of these have allowed me to use my painting skills as well as try new skills such as working with inks and found objects in creating a piece of art whose only boundaries were limited by my imagination." Guild members taking the workshop will need to bring their own supplies. There will also be examples of altered books to examine.

The Guild traditionally meets from September through May, closing out our year with elections for next year at our member's pot luck in June. We have planned a great year of creating art, sharing projects and ideas, attending meetings where we enjoy speakers representing many of the areas of fiber arts or attending workshops to learn a new skill.

We meet at the Hartland Educational Support Services Center on M-59 in Room 3 at 7pm. Please use the Preschool entrance. We always welcome visitors who are interested in any of the fiber arts! For additional information visit our website at www.blacksheepweavers.com or contact Nadine-Treasurer/Membership at 810.229.0869.

Rotary Club of Hartland

Past Activities

Our first ever entry in the Howell Festival of Lights earned 1st prize for Most Unique! Our entry contained over 1,000 hand-made origami cranes. It is said that when over 1,000 cranes gather, it is a good symbol for world peace - which was Rotary International's theme for the 2012-2013 year. All club members participated. The float was also entered into the Fenton JingleFest!

We were pleased to make special donations of \$1,000 each to two of our favorite charities! The first was to Sue Pierson of Rainbow Dreams, helping that new organization to continue to give children not having their own bedroom a special place to dream - perhaps making a real difference in their lives. Our second such organization was Meals on Wheels, which has had a particularly heavy load this winter. And of course, we continue to make our regular donations to Gleaners Food Bank.

Pictures with Wrangler was a new event for us. Kristen Raap and Wrangler (our service dog at Round Elementary School) decided to give Santa a hand. Many school kids were able to get their pictures taken with Santa and Wrangler at Hartland Insurance. We continue our support of Wrangler and with Hartland Animal Hospital, some minor surgery was able to keep him in top form. A special thanks to veterinarian Lisa Layer who donates necessary care for him.

Welcome to New Members - We welcomed new members Loran and Mary Ellen Sherwood in December. Loran was put to work even before his membership was secure by spearheading construction of our Festival of Lights float!

Upcoming Projects - Our club is planning now for the 2013 Annual Cardboard Boat Regatta. We expect it to again be in July, on Lake Walden at Waldenwoods.

More information will follow next month. In the meantime, if you are interested in participating in this fun family project visit our web-site hartlandrotary.org.

Rotary meets every Thursday morning for breakfast, generally followed by an informative presentation. Visitors are welcome to join us for our breakfast meeting at Hartland Insurance, 2351 Old US 23 in Hartland at 7:30 am. If you have a passion for community and world service, and enjoy sharing fellowship with those having a similar desire, please join us for breakfast. For information about our club, visit <http://www.hartlandrotary.org/>.

Recreation

Arthritis Foundation Aquatic Exercise

The Hartland Aquatic Center offers ongoing Arthritis Foundation Aquatic Program classes on Monday, Wednesday and Friday from 11:30am - 12:20pm.

Instructors are specially trained and certified to gently take your joints through their full range of movement with little or no impact. This is especially important for those with arthritis or other joint issues, but it's also a good place for those who haven't been exercising to get started. Exercising in the water partially neutralizes gravity so you can move more comfortably in the water than on land. Many enjoy a soak in the hot tub after class.

The walk-in rate is \$6.25 for adults or \$5.25 for seniors. Seniors are defined as 55 and better and retired. Frequency cards, which are good for any of our water exercises classes cost \$100 (\$5.00 per class) for adults, and \$85.00 (\$4.25 per class) for seniors.

Class is held in the 86 degree 4-foot pool. No swimming skills are necessary. For those who need assistance, family changing rooms are available and a helper in the water is welcome. Bathing suits are not required and a shirt and shorts are fine. If you mention this article your first class is free.

For more information go to www.hartlandschools.us, and follow the links to the aquatic center, or call 810.626.2279.

Scouting News

Troop 381 Honors Eagle Scout Tyler Kesterson

Boy Scout Troop #381 held an Eagle Scout Court of Honor for Tyler Kesterson on Saturday, December 15 at Thomson Hall in St. John the Baptist Catholic Church. Scouts and Troop leaders, past and present, friends and family members joined to honor Eagle Scout Tyler Kesterson as he received his Eagle Rank, the highest level of recognition a Scout can earn in Boy Scouting. Assistant Scoutmaster and fellow Eagle Scout Mike Peterson presented the Trail to Eagle, along with Assistant Scoutmaster Steve Masters. Outdoor Chairman Tom Sienkowski delivered the Significance of the Eagle Rank. Scoutmaster and fellow Eagle Scout Ron Trosin administered the Charge to Eagle and presented Tyler with his Eagle rank pin. Tyler presented his mother and father with the Eagle Mother's and Father's pins, respectively. Tyler also awarded his Eagle mentor pin to his Eagle Mentor and Scoutmaster Ron Trosin II.

A slideshow highlighting Tyler's scouting career was shown during the ceremony. Guests continued the celebration at a reception following the ceremony. Several letters of commendation were delivered to Tyler from former President George W. and Mrs. Laura Bush, Governor Rick Snyder, Secretary of State Hillary Clinton, Senator Debbie Stabenow, and U.S. Congressman Mike Rogers, and were on display along with Tyler's Eagle project workbook. Tyler's Eagle Scout service project was to restore the Old St. Mary's Cemetery belonging to the St. John the Baptist Catholic Church. Troop 381 is proud to celebrate the service and achievement of Eagle Scout Tyler Kesterson.

Lakes Cub Scout Pack 385

Hope everyone is enjoying the snowfall and what Michigan winters are all about! Scouts in Pack 385 continue to make great progress through each den's ranks and achievements. As you can see from this snapshot, Zach Larsen is one of our WEBELOS II who was awarded his Bobcat Badge. Last month, we had our Ice Fishing/Skating Day and our Space Derby Pack Meeting Event. This month we are excited to help out at Gleaners Community Food Bank, and attend our Blue and Gold Banquet, and they will definitely both be great events. As you can tell, we learn, contribute and have a lot of fun! If you would like to join Pack 385 (or have your parents help out in a den), contact Cindy Andersen with any questions 810.360.0660. Village Girl Scouts

Village Girl Scouts in Kindergarten through 4th grade got together in December for their annual Christmas party. The girls made snowman snacks from powdered sugar donuts, a melting snowman SWAP, and cards for the residents of Village Manor as their community service project. The highlight of the party was when Santa paid them a surprise visit! They all sang him a song before spending a little time sharing their Christmas lists with him and getting their picture taken.

Hartland Players

Female Version "The Odd Couple"

by Neil Simon

Felix and Oscar become Florence and Olive, the slob and the fuss-budget who decide to room together - with hilarious results. Olive Madison, a divorcee who freely admits to being a slob, is being played by Kathy Booker, "I leave a mess when I read a book." Fussy and prissy neat freak Florence Unger, being played by Stephanie Bell, is near suicidal because she's just broken up with her husband.

The reinvention of Neil Simon's famous play opens in Olive's apartment with a group of caring friends playing their weekly game of Trivial Pursuit -Mickey, by Jenifer Thomas; Renee, by Cary Kalowick; Sylvie, by Jennie Ross; and Vera, by Jill Mac, worrying and waiting for Florence. Meanwhile Olive had set up a date that backfires with the Costazuela brothers from upstairs - Manolo, by Bill Brezina and Jesus, by Brian Pearce.

Performances will be at the Hartland Music Hall, downtown Hartland on February 22, and 23, and March 2, and 3. Reserved seating, so please call early. Tickets price are \$10 Adults, \$8 for Seniors/Students, available through Cromaine Library, downtown Hartland or the Hartland Players Box Office in advance at 810.632.5849.
