Superintendent's Corner

Chuck Hughes, Superintendent

@hartlandschools

The new school year will be starting on August 18, 2021. I wish to welcome all our new Pre-K and Kindergarten students, new students who have moved into the district, new school of choice students, and new staff to Hartland Schools. The hope is that the 2021-22 school year is one in which as much normalcy as possible can be accomplished as we all put the COVID pandemic behind us. The district is planning a return to classrooms with students not wearing face masks and enthusiastically engaging in group work and activities. While this is the plan, we cannot determine exactly how things will go, and will work with the community if there are any changes in this direction.

Employees Needed: We are still looking for exceptional individuals to help us transport students, substitute teach, or substitute for our paraeducators, office staff, or food service team members. If you are interested, please contact 810-626-2106 to inquire or visit <http://www.hartlandschools.us/Departments/Human-Resources/Job-Openings/index.html>. If you know someone that might be interested, please forward them this information.

Two Way Communication Reminder:

Every year I remind parents that Hartland Schools wishes to provide flexible opportunities for parents and teachers by providing options for communication. Parent/Teacher meetings can always be scheduled when needed. To better understand how this can be accomplished, please plan to attend your child's Open House, Back-to-School Night, or Curriculum Night at the start of the new school year.

Teachers and administrators are committed to providing many opportunities for performance feedback and communication. Some ways in which this can be done include:

- Parent Connect access to grades, assignments, attendance, and food service information
- Report Cards
- Open House, Back-to-School Night, Curriculum Night
- Attendance letters
- Building and classroom newsletters
- Staff email
- Phone call
- Parent / Teacher meetings available upon request
- District, School, and Teacher websites

Teachers, counselors, and administrators should be contacted to set up meetings or discussions. We encourage you to do so if you have any questions or concerns about your child's education.

Board of Education Happenings

Much has been accomplished this summer to upgrade our elementary schools. We have done everything in our power to complete the renovations on time; however, in some cases there may still be some work that has to be completed due to the inability to obtain materials in a timely manner. We will schedule any unfinished projects around the priority of educating our students. We anticipate breaking ground on our new robotics center early this fall and our new auxiliary stadium next to the middle school, in late fall or early winter. Thank you again to our community for providing these improvements to benefit student learning for years to come.

Hartland Optimist Club Recognizes Outstanding Youth

The 25th annual Youth Appreciation Program awards were distributed via mail this year. Many employees of Hartland Consolidated Schools and several community members generously and lovingly nominated youth to be recognized for one or more of the following reasons: outstanding service to the community, special achievement, good judgment, perseverance and/or care and encouragement of others.

The honorees received a letter, certificate of recognition and narrative from the person who nominated them and each is listed below to further celebrate their deserving recognition:

We are looking for alumni news!

Do you know of a Hartland graduate who is doing something special or outstanding? We know there are plenty of former students doing some amazing things and we want to hear about it. We are looking to highlight a Hartland High School graduate each month that we feel the community would love to hear about. Send nominations to editor Heather Calabrese at communitylife@hartlandschools.us and we will select one person to spotlight in each issue of Community Life.

Alumni Banquet Rescheduled to May 21, 2022

Looking forward to seeing old friends? We are too! Mark your calendar for May 21, 2022 for the Alumni Banquet. Please contact your classmates to meet and talk over old times and have some laughs over dinner.

Armed Forces Recruiting
Important Notice to Parents: Armed Forces

Recruiter Access to Students and Student Recruiting Information

The “No Child Left Behind Act of 2001” passed certain new requirements with respect to Armed Forces Recruiter Access to Students and Student Recruiting Information:

- Duty to Provide Information to Military Recruiters. Unless the parent otherwise requests, the District must provide upon request by military recruiters access to high school student’s names, addresses and telephone listings.
- Consent. Either the high school student or the parent of the student may request that the student’s name, address and telephone listing not be released without prior parental consent. Schools are required to notify parents of this option to make a request and shall comply with the request. This is the required notification and the Opt-Out Form is below.
- Access to Students. Each district shall provide military recruiters the same access to high school students as is provided generally to higher education institutions, community colleges, and prospective employers.

DENIAL OF ACCESS TO MILITARY RECRUITERS OPT-OUT FORM

To: Principal, Hartland High School, 10635 Dunham Rd. Hartland, MI 48353

2020-2021 Top Ten Academic Seniors

Please note, students are listed in alphabetical order

Student: Evan Ansbro
Parents: Mary and Pete Ansbro

Activities and Awards: Evan has taken practically every AP class that Hartland High School has to offer. He’s been a part of numerous clubs, like the LINK Crew and National Honors Society. Evan played HAYAA Basketball throughout three years of high school and loved every minute of it, especially the friendships formed during the season. Evan was deemed an AP Scholar with Distinction and received multiple academic awards from Hartland High School for his stellar performance. In his free time, Evan loves to go fishing, play basketball and work on his go-kart. Evan’s role model is his Grandpa Bob, the son of an immigrant family, who lived the American Dream by working his way up in the construction business and having a loving family. In the future, Evan plans on attending MSU’s Honors College, pursuing a degree in chemical engineering, and partaking in the professorial assistanceship program.

Student: Andrew Burton
Parents: Dianna and Dennis Burton

Activities and Awards: Drew was a member of the Hartland robotics team, marching band, jazz band and National Honors Society. He participated as lead programmer on the robotics team writing code to control all of the robot’s movements. He also led the trumpet section of the marching band as one of the music section leaders and enjoyed playing music with his friends on and off the field. He would like to thank his parents, friends, teachers and coaches for helping him through his high school journey. Drew will be attending Central Michigan University to study computer science.

Student: Gabrielle Clark
Parents: Amanda and Cary Clark

Activities and Awards: Gabrielle was a member of the HHS marching band and concert bands. She also participated in the pit bands for the Music Man and Fiddler on the Roof productions (the latter cut short due to COVID). Gabrielle is most proud of the Mad-am Curie Award presented by the Society of Women Engineers’ Detroit Chapter with her AP Scholar and German and History Excellence certificates. She would like to thank Ms. Martin for her support, kindness, inspiration and talks every week. Gabrielle likes to read about birds and medicine in her free time and play with her English Springer Spaniel, Decker (a.k.a. The Little Prince). After graduation, she will attend the University of Minnesota’s College of Biological Sciences for a degree in Cellular and Organismal Physiology.

Student: Rachel Hatfield
Parents: Jeremy and Jennifer Hatfield

Activities and Awards: Rachel completed her high school career with a perfect 4.0 unweighted GPA while challenging herself with ten AP classes. Throughout her four years at HHS, she served as Class President, Student Council Secretary, a Crounse Library Teen Volunteer, and as a member of DECA, NHS, Link Crew, and LACASA Teen Advisory Council. She was a captain on Hartland’s nationally ranked varsity archery team, as well as a peer mentor for the Unified team. She placed in the top 5 females in the nation in 2018 and competed in Calgary, Alberta as a member of the NASP USA All Star Team where she placed 3rd female in the world. Rachel also founded a creative writing and public speaking program for 5th-8th graders. In 2020, she was a winner of the Young Playwrights’ Festival at MSU and her play was to be produced at the Wharton Center before COVID-19. Rachel is incredibly grateful for the love and support of her family. In her free time, she enjoys literature, coffee, The Office, and spending time with family and friends. In the fall she will attend The University of North Carolina at Chapel Hill with dual enrollment at Duke University as a Robertson Scholar. She hopes to conduct research on the effects of expression-based programs on women and girls in nations with historical inequity, and eventually pursue her PhD.

Student: Sarah Horst
Parents: Scott and Heather Horst

Activities and Awards: Sarah’s involvement in school and dedication to the community have led her to develop passions in academia, service and the arts. She has a deep appreciation for music, playing classical piano since the age of four and trumpet since the age of eleven. Sarah has received numerous superior awards through District and State Solo and Ensembles for her individual performances, and has also participated in a variety of county, district and state honors ensembles. Additionally, Sarah has been a dedicated member of the Hartland Marching Eagles, serving as Drum Major for the past two years for the 250-member ensemble. She was awarded Drum Major First Class qualifications, both for traditional and corps styles of marching. She served as trumpet section leader her sophomore year, and has been a member of Wind Ensemble and Jazz I since tenth grade as well. Sarah’s love of service has also been reflected in her role as President for Hartland’s chapter of the National Honor Society, President of the German Club, and Drama Club Technology Booth Member. Sarah intends on attending the University of Michigan - Ann Arbor as a Regents Scholar and majoring in biochemistry to then pursue a professional degree at medical school. Sarah would like to thank her family and teachers for giving her endless support and advice, and is excited for the years to come.

2020-2021 Top Ten Academic Seniors

Please note, students are listed in alphabetical order

Student: Adam Kahl
Parents: Will and Melanie Kahl

Activities and Awards: Adam played soccer for all 4 years and skied his junior and senior year, receiving his varsity letter in both sports. He served his community by volunteering at his church to run Audio/Video and participated in numerous service hours as he earned the rank of Eagle Scout. He was awarded the AP scholar award by the College Board as well as earning his academic letter. Adam was active in the HHS drama club, serving behind the scenes as the head of the tech crew. He also spent 3 years assisting the technology department as a student tech. Adam is grateful for the support from his parents and all the teachers and staff from Hartland. He will be studying engineering in the fall at Purdue University.

Student: Jack Kruger
Parents: Regina and Gregory Kruger

Activities and Awards: Jack was an active member of German Club, DECA and the Hartland wrestling team. He earned the KLAA Athlete Award and was named both a Scholar Athlete and a National Merit Finalist due to his strong academic performance. In addition, he earned the AP Scholar award as a result of his performance on the AP exams. Jack notes that his most memorable moment of high school was wrestling in the team state championships in 2020. Jack would like to thank his family, teachers, and friends, who have supported him immensely throughout high school. In the coming fall, Jack plans to attend the University of Michigan-Ann Arbor to study mathematics and computer science.

Student: Yamato Miura
Parents: Eriko and Kazuaki Miura

Activities and Awards: Yamato served as a leader in STEM, as he was the president of the Science Olympiad Club, and also was the founder and president of the Computer Science Club. In addition, he is currently the Chapter Lead of the University of Michigan AI4ALL. Last summer, he also did a research internship in a connected vehicle lab at the University of Michigan, College of Engineering, where he worked on assisting with creating machine learning models and created a data visualization dashboard prototype. He was also involved in the Marching Band, Quiz Bowl, German Club, National Honor Society, Class Council, and a tech volunteer at Croma Library. Yamato has been awarded the AP Scholar with Distinction Award. He has also graduated from the Japanese School of Detroit, where he was a student from Kindergarten to 12th grade. Next fall, Yamato will be attending the University of Michigan-Ann Arbor in the LSA Honors Program to study computer science, with a concentration on Artificial Intelligence. Yamato is thankful for all the people and mentors who have supported him, especially his parents.

Student: Jack Phillips
Parents: Teri and Paul Phillips

Activities and Awards: Jack was a member of a variety of HHS extracurriculars, including DECA, Link Crew, Optimist Club and Archery. He was also a member of the Varsity Tennis Team, earning the KLAA Scholar Athlete Award and the highest GPA medal. Academically, Jack has taken twelve AP classes and has earned a 4.0 in every class taken at HHS. The College Board has awarded Jack the AP Scholar with Distinction award for his success on AP exams. Jack is beyond grateful for his high school teachers and is especially indebted to Mrs. Dana, Mrs. Hagerman and Mr. Storey, each of whom has had a profound impact on his discovery of his academic passions. Jack will be attending the University of Michigan in the fall to pursue a degree in biomedical engineering.

Student: Joseph Streight
Parents: Elizabeth and Gary Streight

Activities and Awards: Joseph was a member of the Cross Country and Track and Field teams throughout high school. He was the Treasurer, Marketing Head and a Student Showcase Director for the High School Drama Club, alongside participating onstage in their productions. In addition, he was a member of Class Council, Student Council, National Honor Society, and History Club. During Cross Country, Joseph was a KLAA Scholar Athlete and received the Scholar Athlete Award for Cross Country his senior year. Outside of school, he teaches seventh grade religious education at his church and is involved in the church's youth group. He is thankful for his parents, siblings, and grandparents for their support and especially to his youth minister Olivia for always being there to guide him. Next fall, Joseph will be attending the University of Michigan-Ann Arbor to study Naval Architecture and Marine Engineering.

It is the policy of Hartland Consolidated Schools that no person shall, on the basis of race, color, national origin, gender (including sexual orientation and gender identity), disability, age, religion, height, weight, marital or family status, ancestry, genetic information or any other legally protected category, (collectively, "protected classes"), be excluded from participation in, be denied the benefits of, or be subject to discrimination in employment or any of its programs or activities.

Welcome Back from Hartland Transportation!

The 2021/2022 school year is quickly approaching, and we are looking forward to another great year! As always, we strive to make your child's bus ride a positive part of their educational experience. Here are a few important informational points for review:

- Your student must be waiting at the bus stop 5 minutes prior to the scheduled arrival of the bus. Once the alternating lights of the bus are deactivated, the bus driver cannot legally reactivate them and it is then the parent's responsibility to transport their student to school.
- Students and Parents should never try to catch the bus once the lights have been canceled. Please do not go to another bus stop without contacting the Transportation Office; the bus driver must be notified.
- If possible, your house number should be visible from the traveled roadway; mailbox numbers are acceptable but should be large enough and clearly visible on both sides.
- The expected behavior of the student rider is found in the Parent-Student Handbook. We encourage parents to review these responsibilities with their children to ensure their privilege of riding is not lost. The handbook can be found by going to the district website at www.hartlandschools.us, then clicking on Parents & Students, and then Handbooks.
- Postcards will be mailed home a week before school starts with your student's bus information. The computerized postcard will only list one stop address but your student should wait on the same side of the road they reside on until the bus is in place with red lights activated and the bus driver crosses them.
- Students should never cross the road prior to the arrival of the bus.

If you have any questions or concerns, please contact Hartland Transportation at 810.626.2175.

Understanding and Supporting Kindergarten Reading

By Monique Alberts, Hartland Schools Literacy Instructional Coach

Often when I meet parents who have a soon-to-be Kindergartner, they ask, "How do I know they are ready for Kindergarten? And what can I do to help at home?" The feeling of excitement for this new adventure and the worry over doing what's best for your child is a common feeling parents share. I am sure you have a lot of questions about reading, so I would like to offer some ideas to support you and your child for the upcoming school year.

- Read for enjoyment throughout the day. If your child loves a book, read it again and again.
- Talk to your child about the different parts of a book. Have conversations around the front and back, title and author, the difference between a letter, a word and punctuation.
- Play with letters and letter sounds. Write them in sand, paint them, sing them, draw them on the sidewalk or in the bathtub. Make it fun!
- Find time for your child to build some independence with reading and writing. Allow them to read or draw on their own. They can create a story by drawing pictures or look "read" through a stack of books.
- Allow your child to practice telling stories. Make up stories together. What happens at the beginning, in the middle, or at the end. Or retell a part of your day before going to bed.
- Have your child draw, cut, and paste. Allow them to use those fine motor skills and imaginations. Have them tell you about their picture, they can even try to label the first letter of some of the things they draw.

Over the course of Kindergarten, your child will grow leaps and bounds as both a reader and writer. The teacher will continue to focus on skills such as:

- Letter recognition for both upper and lower case letters.
- Letter sounds.
- Making a one-to-one match when reading left to right from just-right texts.
- Attending to books for longer periods of time (reading stamina).
- Using reading strategies taught during reading workshop.
- Attending to writing for longer periods of time (writing stamina).
- Generating ideas, drawing, and attempting to label pictures with letters and sounds.
- Reading high frequency words in books.
- Writing high frequency words in their own stories.

The home to school connection is critically important to your child's success. We believe that in order for a child to have a successful educational experience, everyone must work together as a team, starting in Kindergarten. Your support at home is appreciated and valued. Thank you for trusting us to be part of your family and congratulations as you embark on this new educational journey with your child!

High School News

Kate Gregory, Principal

@hartlandhigh

Welcome back to Hartland High School!

2021-2022 School year registration is quickly approaching! Online student enrollment is required this year in an effort to again go paperless. Please ensure that your email address is updated in the Parent Portal, as detailed directions have been sent out to complete the online registration process. The online registration is open and will be completed through the Parent Portal.

- Student schedules for grades 10-12 will be available online through their student portal on the morning of Thursday, August 5th.
- Grades 10-12 can walk their schedule during an open-house style registration. Students will have their school picture taken, pick up their parking pass and get their school ID card on August 5th. Students can come in at their convenience between 8–11 AM and again from 12–3 PM.
- 9th grade students will have Freshman Orientation on Monday, August 9th. Students will get their schedules, get a building tour, get their pictures taken, have their ID card printed, have their vision screened through the LCHD and have the chance to ask upperclassmen questions about high school life.
- Make-up registration for all students will be held from 1–3 PM on Monday, August 9th.

- 11th and 12th grade students who would like to park on campus MUST register for a parking spot BEFORE registration! The link to register can be found on the high school website. The \$75 fee must be paid to receive the parking hang-tag on the 5th. You can also pay and pick up the hang-tag from the main office any day after August 5th. Students must show a valid driver's license at the time of pick up.
- In order for a student to receive their parking hang-tag, they cannot have any outstanding fines or fees.
- Also, please check Parent Connect to make sure your student does not have a negative lunch account to start the year.

As we begin the 2021-2022 school year, we are excited to welcome students back to the building. As we work to reunite our students after a Covid year of hybrid, virtual, and face-to-face learning, we are hopeful that we can move forward together with respect, kindness, and thoughtful purpose toward the goal of being a community once again. Our teachers and building staff are ready to welcome your students, to build meaningful relationships with them, and to be available to help them navigate the school year. We want to remind all of our students that you have a safe place within Hartland High School, and emphasize the importance of leading with kindness, both in person and online.

A huge congratulations to all of the Hartland High spring athletes. What an amazing spring season you had! The Eagles celebrated:

- Riley Hough for finishing 1st at the MHSAA Division 1 state track and field championship in the 3200m race with an astounding time of 9:07.91
- Sydney Caddell for placing 2nd in the long jump with a distance of 19.25 feet
- Emerson Sargeant placing 8th in the 400m dash (58.34sec)
- 4x200m relay of Sydney Caddell, Jaden Frigerio, Ella Gardener and Emerson Sargeant placed 10th with a time of 1:44.78
- Boys Lacrosse finished as MHSAA State Runner Up, losing a tough championship game to Brother Rice
- Boys Golf won a Regional Championship and finished 13th in the state golf meet, with senior Cole Lamberger earning a 6th place overall finish
- Girl's Softball won a district Championship
- Girl's Soccer Won the MHSAA State Championship for the first time in school history with a big 4-0 win over Troy Athens.
- Hartland Archery won 2021 State, National and World titles

Congratulations to the Hartland High Class of 2021! A drive through graduation was held at Hartland High on Saturday June 5th. Students and their families decorated their cars, boats and even a train to celebrate their graduation. Students were able to walk across the stage, receive their diploma, and take some awesome pictures to remember their high school career. The weather was beautiful for a great ending to a crazy year.

New Faces At Hartland Middle School

We would like to welcome Cindy Pruitt (pictured bottom left), Elizabeth Cieszkowski (pictured middle) and Christy Zink (pictured bottom right) to HMS as new hires for the 2021-22 school year. Mrs. Pruitt was a long term substitute teacher at Farms last year and will be teaching 8th grade Math. Mrs. Cieszkowski is a veteran teacher coming from the Lansing area and will be teaching 8th grade English. Mrs. Zink has been teaching in the Flint area and will be joining our special education team. We are very excited to welcome such qualified and experienced teachers to our school!

Ore Creek Athletics

Cross Country and Girls Volleyball seasons start at the beginning of the school year. Students planning on participating in any school sports team or club this year must have a current physical on file in the Middle School Office in order to participate (forms are available in the Middle School Office and on our school web page). There is a participation fee for interscholastic sports (\$100) and school sponsored clubs (\$40). If a student participates in multiple sports or clubs, the total fee for the entire school year is \$100. Please note that some teams do require additional “team” fees.

Miscellaneous Information

- Parent Connect:** Parent Connect allows parents with Internet access to monitor their children’s grades. If you had a password assigned last year, it remains the same. Contact Karen Wilson at pc@hartlandschools.us for assistance.
- Safety In The Parking Lot:** The morning “drop off” time before school and afternoon “pick up” time after school means that students who are being driven to and from school must negotiate a very busy parking lot. **PLEASE DRIVE SLOWLY AND CAUTIOUSLY** and put the safety of our students ahead of time issues.
- Parent E-Mails:** We will be sending weekly parent e-mails with news and updates. Information shared in the e-mails will also be available on the school website. If you do not have Internet access, you or your child may pick up a hard copy of the weekly parent/guardian e-mail in the school office.

Congratulations to the 2020-21 HMS Heart & Pride Winners!

The HARTLAND HEART award was presented to Alyson Luck and Emma Beres, eighth grade students who exhibited outstanding citizenship and scholarship but especially service to school and others. They are pictured in the top two photos.

The HARTLAND PRIDE award was presented to Kennedy Tucker and Skye Schlueter, eighth grade students who exhibit outstanding citizenship, pride, and especially scholarship. They are in the bottom two photos.

Congratulations to our Public Speakers of the Year! Alexis Hamilton was selected for 1st Semester and Emily Jacobs was selected for 2nd Semester.

The HMS staff and students will greatly miss our wonderful maintenance person, Chuck Davis, who retired after 31 years of service to the district.

Welcome Back CES Families!

Welcome Back CES Families and Students:

We hope you all had an amazing, relaxing summer! The CES Staff is looking forward to welcoming students back into classrooms for 5 days of F2F instruction. I want to again THANK everyone who helped us get through the difficult 2020-2021 school year. Creekside had some face lifts this summer with the bond money. Our front entrance was updated for security and our Media Center has been transformed into the new STEM Lab. The CES Staff is ready for this year and cannot wait to share amazing learning and fun opportunities.

Here are a few reminders:

- School times are from 8:50 AM until 3:50 PM.
- Friday's are Early Release days all students will be released at 2:50 PM.
- Parents are asked to leave students at our front doors, we promise we will make sure your child gets to their class safely.
- If there is a change of transportation for your child on a certain day please call the OFFICE. Teachers will then be notified this allows for less instructional disruption and miscommunication.

As always, if you ever have a question or concern regarding your child's experience at Creekside Elementary, please feel free to contact any of our staff members and we would be happy to talk with you. We are committed to working with you to ensure the best possible education for your child and all of our students

We are beyond excited to greet all of our CES kiddos!

See you soon,
Mrs. Way

Our final 4th grade clap out and drive by celebrations were very emotional for many of us. We will miss our 2020-21 4th graders at Lakes and wish them the best of luck at Farms Intermediate. We know you will continue to grow and be great leaders!

The Lakes Fall Fun Run is tentatively scheduled for Friday, Oct. 1st! The Lakes PTO and Community did a great job fundraising for our Spring Fun Run which will provide some new playground equipment at Lakes! We're excited to get back to our traditional Fall Fun Run which will be preceded by a Spirit Week! (Details TBD.)

Welcome back to Lakes!

Dear Students and Parents:

On behalf of the staff at Lakes Elementary, welcome to the 2021-22 school year! We hope you are having a fun summer and will soon be ready to begin an exciting year of learning here at Lakes. Our teachers have been preparing engaging learning activities and we are eager to begin the school year.

Starting on Monday, August 2nd the Lakes office is open on weekdays from 8 AM to 4 PM. **The first day of school is Wednesday, August 18, 2021.** School starts at 8:50 AM and ends at 3:50 PM, Monday through Thursday. ***PLEASE NOTE: Each Friday school will begin at 8:50 AM, and end at 2:50 PM.** Lunch times have remained the same (K-11 AM, 2nd-11:30 AM, 1st-12 PM, 3rd 12:30 PM, 4th-1 PM). Lunch and breakfast will be free again for all students for the 2021–22 school year.

You and your parents are invited to our **Open House on the evening of Monday, August 16th** (We'll have more details on specific times out the first week of August). Students will have the opportunity to visit their classroom and meet their teacher, as well as meet their essential teachers and classrooms (Art, Music, P.E., & STEM). We also hope to have representatives from local organizations like Cromaine Library, Cub Scouts, Girl Scouts, LOC Student-run Credit Union, First LEGO League Jr. and the Lakes PTO at our Open House if allowed. There will also be a Hartland school bus in front of the building for students to view. Student placements will be e-mailed out at the end of the week of Aug. 9th.

Emergency contact information needs to be updated at the beginning of every year online in our Mi-Star Parent Portal (you will be sent an email over the summer when the portal is open). Parents should go to the Parent Portal and click on "Back to School Registration," where they can review and make changes online as necessary. It is very important to have accurate information on file as soon as possible so we can reach parents if the need should arise. **Please make sure your e-mail address is up to date online.** All school-wide correspondence from the Lakes office is done solely through email. You can also visit our website at <http://lakes.hartlandschools.us/> or go directly to <http://www.hartlandschools.us/Parents--Students/Parent--Student-Documents--Weblinks/index.html> to read the following documents: Student Handbook, Parent Photography Release, Acceptable Use Policy and Concussion Awareness.

If your child takes medication at school, please stop by our office to pick up the form so you can have it signed by your physician and returned to our office with medication.

We look forward to a wonderful school year with your child. If you ever have a question or concern regarding your child's experience at Lakes Elementary, please feel free to contact any of our staff members, we would be happy to talk with you. We are committed to working with you to ensure the best possible education for your child and all of our students.

See you soon!

Welcome back!

We are excited to kick-off another amazing year of learning at Village Elementary. I hope you had a relaxing summer reading, spending time with family and enjoying the outdoors. Michigan summers are spectacular and I love to spend as much time as possible outside enjoying its wonders.

Teachers "officially" return to school on August 16th, and are anxiously awaiting the opportunity to see all of the updates that took place around the school. From a newly created STEM lab to updated classroom cabinets, Village had a major face lift this summer. I look forward to sharing more pictures with our community as the year begins.

We are excited to welcome some new faces to our staff. Our Village family additions include Ms. Comb (Special Education), Mrs. Ottmar (Special Education), Mrs. Wheeler (2nd Grade), Ms. Chyo (STEM), Mrs. Sanders (Building Substitute) and Mrs.

McKenzie (4th Grade). We also have a few teachers moving positions around the building. Mrs. Haar will now be our full-time Reading Recovery teacher, while Mrs. Cabaj will be moving out of her classroom and sharing her time between Village and Lakes serving as our part-time Reading Recovery teacher. Additionally, Mrs. Butzier is moving to join our First Grade team and Dr. Cone is moving to join our 4th grade team. We are definitely growing and changing in exciting ways at Village.

As I write this article in June, I am unsure of what August will look like when we return to our buildings. What I can report is that we will be back together learning and growing as a school community. Our building focus will continue to be collaborating to create the best possible learning opportunities for students. I am excited for what this year has in store for Village Elementary and I look forward to welcoming our students back on August 18th.

Fun Run and Field Day this spring at Village!

Where is your best fit?

Do you know a student that would benefit from a smaller learning environment?

Do you know a young person that could benefit from an adult mentor?

Do you know a student in need of a school that is trauma informed and resilience focused?

Hartland's LEGACY High School could be a best fit learning environment!

**Together,
we can do
VIRTUALLY
anything!**

LEGACY has...

- Small class sizes
- Teacher mentor program
- Social Emotional Learning program
- Unique schedule that promotes credit recovery efforts.
- Community involvement within our building

As you make the decision for next school year, remember that School of Choice applications for 21-22 are already available on the Enrollment page of Hartland Consolidated Schools. If you are interested or know a student that could benefit from a new learning opportunity, call Hartland's Legacy High School 810.626.2140.

HVA has...

- Michigan Merit Curriculum
- AP and Dual Enrollment Courses
- Weekly Meeting with HVA Mentors
- Computer and Study lab open daily in the HESSC Building

The dramatic swing to online learning this past year has accentuated the "V" in our HVA. Virtual students have had an uninterrupted and consistent level of programming throughout our academic school year. If you are ready to leap into online learning for good, come soar with the HVA Eagles.

Updates from the Childcare Center

We're expanding our program! We are so excited to be opening a few new classrooms at the Child Care Center so we can accommodate more children!

Summer fun is underway! We have been enjoying the sunshine, water days and special activities! The fire truck visits are definitely a highlight!

Are you or someone you know looking for child care? We care for children ages 6 weeks to 4 years old. We would love to have your family join us at the Center! Feel free to call or email us to set up a tour and get more information. You can reach us at 626-2780 or childcarecenter@hartlandschools.us

We offer before and after care.

We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the Lakes or Farms may enroll at the School Street center or take advantage of the school age program at Lakes School. The School Street Center is open from 6 AM-6 PM. Lakes is open from 6:30 AM-6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the "No School" days or snow days! Our center is almost always open!

Limited Childcare Center spots available. Please call today!

Is your child ready for bullying?

What you can do at home.

Before the start of every school year in the month of August, we prepare our students for bullying. But this is much more than just fending off the playground bully. It is more about teaching children the assertiveness and social skills of establishing strong, healthy and positive relationships for the rest of their life. You can do the same at home.

- 1. **Entitlement and Responsibility.** Start by helping your child understand they are absolutely entitled to being treated by everyone with kindness and respect. No one has the right to hurt you, be mean to you, or cause you go to school in fear. But equally important, along with this entitlement comes your responsibility to actively take it and stand up for your rights. No one else will do this for you (and parents, you do not want them too)!
- 2. **Identify it.** While we mainly think of the playground bully, there is much more to it. School bullying is just one way others can treat you in a mean, abusive or controlling manner. It may start with boys calling you names, or girls excluding you. Later it may be your teen boy/girlfriend always wanting to know where you are, what you are doing and who you are texting. Even later it may be your boss harassing you, or your spouse demeaning or hurting you.
- 3. **Support and Model.** Often parents are the last to know. Make sure your child can and will come to you when they are being hurt or picked on. How? First, learn to listen to your child without judging them or immediately trying to “fix” everything. Learn to just listen. This will pay off huge when they are teens. Second, believe them and take immediate action no matter how small. Next, make sure you are

modeling kind and respectful behavior at home. How do the siblings treat each other? How do mom and dad treat each other? How does “Uncle Joe” treat your kids?

- 4. **Skills and Toolkit.** It does not work to say - “Well just don’t let them hurt you!” or “Just hit them really hard once!” Would you ever ask someone to do a job without the right tools and skills? It is never the victim’s fault but – **we get what we tolerate**. If we allow or accept mean treatment, unfortunately there are many people who will take advantage of it. Actively take charge of all your relationships. You need to say and establish from the very start – “This is how I am going to treat you, and this is how I expect you to treat me!” (*Unfortunately, I do not have room in this article for the simple “Four Step” process we teach, but many of the Hartland students have already been taught this skill set. If you want a copy of the Four Steps just email me from our website below!)
- 5. **Practice, Practice, Practice.** Just like any self-defense technique, you may know and understand what to do, but now you have to practice applying it. This is the essential step that brings it all together! We repeat the “words” and body language of the Four Steps every day and ask the parents to do the same at home. We role play scenarios in class. We train the parents. We ask students to share actual real-life examples and their success stories.

Can you imagine your child not just getting through elementary and middle school bully-free but having only healthy, empowering relationship later in high school, college, at work and when they have a family?

**Yours for stronger kids (and a bully-free world),
Sensei**

Friends of Cromaine

The Friends of Cromaine Library are enjoying some truly "Happy Days" since we completed our first book sale in many months. We were truly Blessed with a wonderful variety of GREAT BOOKS. Thanks to all the folks who donated, and hugs to the fine volunteers who set up for the sale and packed the remainder of books after the sale.

We give our gratitude to all the loyal workers who showed up faithfully for three days for various shifts. I must say that many laughs and memories were shared. Of course, all proceeds go to benefit Cromaine in all their endeavors.

Please note that Hartland's Kroger generously provided us with bags and boxes. We will be enjoying another book sale in September. (Watch for details in the September issue of Community Life.) We will also feature a yummy bake sale.

The HERO Hartland Teen Center will be open every school day from 2–6 PM starting the first day of school, August 18th. Permission slips for the 2021-22 school year will be available on the Teen Center Facebook page and at the Ore Creek and High School registration days as well as the school’s front offices. The HERO Hartland Teen Center is FREE to students grades 7-12 attending Hartland Schools. We provide a safe, adult-supervised environment for teens to hang out, play, eat, and socialize. Message us through our Facebook at HERO Hartland Teen Center with any questions.

We would like to thank Al Perry and the Howell Elks for a generous \$1,000 grant which will be used to purchase two outdoor basketball hoops.

Hartland Teen Center director Danny Livingway took teens on a walking trip to our local movie theater during the summer program.

The Teen Center youth seem happy to screen “Black Widow ” at the Hartland EMagine Theater!

The teens sure love their video games!

Thanks to frequent volunteer and HERO Board member Lorie Clarke, the teens in the summer program had the chance to throw clay pots which Lorie fired in her home kiln.

It's time for a **NEWyou.**

Notification of Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. They are:

- 1) The right to inspect and review the student’s education records within 45 days of the day the District receives a request for access.
 - a. Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- 2) The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading.
 - a. Parents or eligible students may ask Hartland Consolidated School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.
 - b. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- 3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
 - a. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

- b. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
- c. Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the student of the records request unless it states in its annual notification that it intends to forward records on request.]

- 4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office; U.S. Department of Education; 600 Independence Avenue, SW; Washington, DC 20202-4605

The Family Educational Rights and Privacy Act of 1974 provides that the following “directory information” may be released upon request: student’s name, date of birth, phone number, address and/or email, parent name(s), school of attendance, school photographs or videos of students participating in school activities, events or programs, picture(s), video(s), publication of student picture(s), personally identifiable artwork, school activity group(s), participation in officially recognized activities and sports, height and weight if member of an athletic team, dates of attendance, date of graduation, awards received, honor rolls, scholarships, telephone numbers for inclusion in school of PTO directories.

In order to comply with this legislation, the district requests that parents, emancipated minors and those students 18 years of age and over, who do NOT wish release of this information, mail or personally submit an Opt-Out form to the building principal or Assistant Superintendent of Personnel and Student Services, Hartland Consolidated Schools, 9525 E Highland Road, Howell, MI 48843 by October 1st of the new school year. Opt-Out Forms are available in each school office and at Central Office upon request.

List of common uses for disclosing names, photographs and other “directory information:” School newsletter, teacher newsletter, PTO newsletter, school website, social media (Facebook, Twitter, and other mediums), video kiosk, bulletin boards, school yearbook, athletic programs, graduation program, playbill (drama production), student-of-the-month recognition, clubs and extra-curricular programs.

HCS ASBESTOS HAZARD EMERGENCY RESPONSE ACT (AHERA) 2021 NOTIFICATION

The Environmental Protection Agency (EPA) requires that each year, district workers and building occupants receive notification about asbestos activities such as response actions and inspections. The purpose of this correspondence is to meet those requirements and familiarize you with the asbestos related activities that have been conducted in Hartland Consolidated Schools during the last year.

MANAGEMENT PLANS: In 1988, Hartland Consolidated Schools contracted with Trust Thermal Systems, to conduct inspections for asbestos containing material (ACM) within all district owned buildings. These Management Plans are available for review in

the administrative office of each building. An electronic copy of each building management plan is also located in the Maintenance and Operations office.

SURVEILLANCE ACTIVITIES: The AHERA regulation requires surveillance of the condition of ACM every six months and Reinspections every three years. The Three-Year Reinspection within each of our buildings was conducted in December of 2018. The next Reinspection will be conducted in November of 2021. The last periodic surveillance was conducted in May of 2019. All of these surveillance activities will be included as part of the building’s Management Plans.

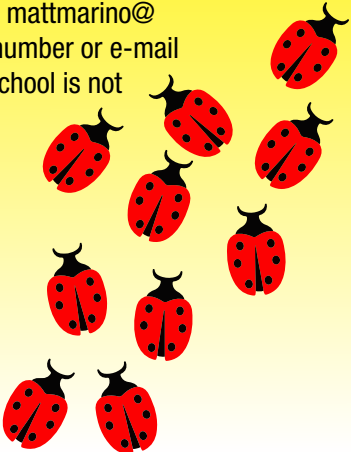

ASBESTOS ABATEMENT: During the past year there were minor abatement at various buildings in the district. All documentation regarding past and future asbestos abatement projects are available to be viewed electronically, for access please contact the designated person at the Maintenance and Operations Office. Air tests will be conducted throughout all phases of the future asbestos removal projects at each building. The air samples will be collected and analyzed in accordance with all regulatory agency requirements.

Advisory To All Parents Regarding Integrated Pest Management

Hartland Consolidated Schools has adopted an Integrated Pest Management program. Inherent with this are the District’s efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, these will only be used as a last resort. This program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pest from becoming a problem. You will receive advanced notice of the application of a pesticide, other than bait or gel formulations at your child’s school. This advance notice of the application will be given 48 hours before the application. The law requires us to do this notification by using two methods. The first method required by the law is the

posting at the primary entrances to your child’s school. The entrances that will be posted are those entrances that have a sidewalk that leads directly to a parking lot. The second method we are going to use is the posting in a common area located by the main office of the school. Parents are also entitled to receive this notice by first-class United States mail postmarked at least 3 days before the application. If you would like to be notified by mail or e-mail please contact the Operations Department at (810) 626-2185. Please give the office your name, mailing address and what school your child attends. In an emergency (for example, bees nest), pesticides may be applied without prior notice, but you will be provided notice following any such application. You may review our IPM program or pesticide application

records for your child’s school by calling or e-mailing Matt Marino the District’s Director of Operations at (810) 626-2185 e-mail at mattmarino@hartlandschools.us. This number or e-mail may also be used when school is not in regular session.
