Superintendent's Corner

Chuck Hughes, Superintendent

@hartlandschools

The district has some important dates coming up this month and into June. We invite the Hartland community to help celebrate the Class of 2022 as our students take the next step in their journey toward accomplishing goals. On June 10th, 2022, at 7 PM, we are scheduled to celebrate a fantastic group of 484 seniors who will graduate. The ceremony is scheduled to take place at the George Gervin "GameAbove" Center, formerly known as the Convocation Center, on the campus of Eastern Michigan University. We have celebrated the last couple of years at Hartland High School in a drive-through ceremony. Moving back to the traditional ceremony was due to an overwhelming majority of parents and students wishing for this based on a survey we conducted last fall. Over the past four years, this senior class has experienced many academic and extracurricular accomplishments at a time of great unease. They have displayed courage and resilience, and we are all proud of them. I am honored to be able to congratulate each graduate as they walk across the stage to receive their high school diploma. *Note: The graduation site has the potential for change if health factors change.*

Additional Dates:

May 13, 2022: College Decision Day in the HS Courtyard, 11 AM-12:30 PM.
Senior Athletic Awards in the HS Auditorium, 1 PM.

May 19, 2022: Seniors Last Day/Final Walk.

May 26, 2022: Senior Honors Night in HESSC PAC, 6 PM.

This is the last Community Life for the 2021-22 school year. We will see you back in these pages in August. I wish the community a restful summer vacation and less cluttered roads in the morning and afternoon for the next few months.

Teacher of the Year: Theresa Smith, Spanish Teacher, Middle School at Ore Creek

Chuck Hughes, Superintendent; Jason Eaton, TOY Coordinator; Theresa Smith, TOY and Laura Moore, HEA President.

Mrs. Smith is completing her 12th year in Hartland. She earned her undergraduate degree at Mercyhurst University in Erie PA -including 8 credits through Boston University in Madrid, Spain. She has also completed graduate work at Eastern Michigan University where she completed her master's degree and certificate in Special Populations. Theresa shares that she has wanted to be a teacher since she was young and at one point thought of becoming a nun because she toured the convent and knew they each got their own room. Her excitement for language, story-telling, music, drawing, and problem-solving has grown deeper over time and is applicable to teaching.

In her spare time, she has enjoyed painting sets for theatre productions and enjoys growing and drawing plants. Over the years she spent many hours driving her children to events, practices, games, lessons, and rehearsals. Her favorite activity is building a fire in her woodstove and talking to anyone who happens to be home.

Advice she would give new teachers is to listen to and learn from the veteran teachers in your building who love teaching. Be honest with them about the struggles you are having. The first years are very difficult, and you will need guiding lights. Find more than one mentor so you can have different perspectives. When you are tired or sad, share your favorite book, story, or song with your students. They will be able to tell that you love it and you will have a great day.

Board of Education:

We would like to thank the Hartland community for your continued support of public education. Our students regularly impress us and make the work we do to guide the district exciting and rewarding. Over the summer, you will see work continue on bond projects designed to support the educational experience of our students and to enhance opportunities for the community to engage in recreational activities. The building process has been challenging during the past few years due to increased material and labor costs; however, we are on track to complete most projects approved in August of 2020. You can view bond work information and how we are spending bond and sinking fund dollars by visiting www.hartlandschools.us.

Back row: Thom Dumond, Chris Costa, Bill Gatewood and Victor Bugni. Front row: Meghan Glabach, Kristin Coleman and Michelle Hemeyer.

Support Person of the Year: Mrs. Arlene Hovey, Student Nutrition at Hartland High School

Dave Minsker, Asst. Superintendent; Arlene Hovey, SPOY; Scott VanEpps, Asst. Superintendent; Lisa Archey, Director of Student Nutrition and Chuck Hughes, Superintendent.

Congratulations to Arlene Hovey who is our 2021-2022 Support Person of the Year. Arlene is currently the head cook at Hartland High School. She has been an employee in the district since 1999. Arlene's peers describe her as a dedicated employee who will always pay attention to details, especially when it comes to the safety of our students and staff. According to her peers, she is a team player who will put others before herself. She is always willing to step in and help team members and fill in wherever needed. Over the past few years, she has had to be flexible as the serving models have changed multiple times due to COVID. She has taken it all in stride. Arlene takes great care and pride in making sure our kids are fed every day. She is always willing to try new menu items and do whatever it takes to feed the students. Her great attitude makes the hectic days easier. In her personal time, Arlene is an active volunteer for Special Olympics. Thank you, Arlene, for your dedication to our students and staff!

We are looking for alumni news!

Do you know of a Hartland graduate who is doing something special or outstanding? We know there are plenty of former students doing some amazing things and we want to hear about it. We are looking to highlight a Hartland High School graduate each month that we feel the community would love to hear about. Send nominations to editor Heather Calabrese at communitylife@hartlandschools.us and we will select one person to spotlight in each issue of Community Life.

NHS students spent some after school hours making fleece blankets for Project Linus. The blankets were delivered to a children's mental health crisis center and other facilities. Thanks to Mrs. Gazda for hosting this work!

Mrs. Gazda was named by The National Constitution Center to their Teacher Advisory Council. The advisory council includes over 120 teachers from 34 states. The work of this group of distinguished educators includes helping to increase understanding of the Constitution for students across the country. Mrs. Gazda is also a member of the Board of Directors for the Michigan Center for Civic Education and a teacher advisor for iCivics.

Mrs. Moore's Earth Science classes learned about water filtration by making their own filters and testing the effectiveness of the design. Students worked together to revise their designs through the process.

It was a fun night of song, dance and fierce competition at our annual Mock Rock Lip Sync Battle where groups performed for the grand prize of \$500! While there could only be one winner, all participants enjoyed their moments of stardom on the big stage. And if you look closely, you will even see some of our amazing teachers strutting their stuff!

At the MSVMA State Solo & Ensemble Festival, Makenna Usher received a perfect performance and sight reading score, and the trio of Carmen Pushman, Marieke Battaglia, and Makenna Usher received a perfect performance score! They have been accepted to perform at the All-State Choral/Vocal Festival.

Additionally, Marieke Battaglia, Teddy Borso di, Sienna Dietze, Sidney Furge, Rachel Mah, Travis Palmer, Tommy Persons, Christian Primm, Carmen Pushman, David Samson, Annah Stang, Makenna Usher, Evan Ward, and Sarah Wright performed at the MSVMA Solo and Ensemble Festival and received top scores. Congratulations to all our vocalists!

After auditions, choir students Travis Palmer, Rachel Mah, and David Samson participated in the State Honors Choir performance at the Michigan Music Conference. They were then accepted into the All-State Honors Choir.

Welcome to Hartland Preschool!

Our preschool classes have had so much fun exploring everything SPRING the last few weeks! From “painting with worms” and watercolor butterflies to springtime movements and songs, they have been loving the excitement that the spring weather has brought to the classroom.

As we wrap up the school year, it is exciting to see how much each

of our students have grown socially, emotionally, and academically. They have all truly made wonderful progress and are well prepared for their next experiences. Our four year old preschoolers are excitedly preparing for their preschool graduation in May and are ready to head into kindergarten next school year!

Thank you so much to all of our families for a wonderful year!

2022 Memorial Day Parade Grand Marshal Jan Doke!

The Hartland Area Community Council is proud to announce the 2022 Memorial Day Parade Grand Marshal is Jan Doke!

It seems as if everyone in Hartland has had "Miss Jan" Doke as an instructor over the last 30 some years. Maybe you were in one of her classes yourself, or your children were lucky enough to have this patient, encouraging woman as their instructor as they learned the basics of gymnastics, tennis, or even how to stay safe while riding a school bus. Superintendent Chuck Hughes said this about Jan's selection, "There isn't anyone in our community that has touched as many lives as Jan."

Doke has lived in Hartland for 45 years, raising her family here with her husband. They have two grown sons and one granddaughter. She started working for the Hartland Consolidated Schools district 31 years ago at the day care and latch key, then started with gymnastics and kept adding different sports from there. She also taught Safe Town for 22 years. When talking about Safe Town, Doke added, "It's a lot of fun and rewarding, as a couple of weeks later someone will have a story of an incident and their little one knew how to protect themselves. That's the best story of all, they still remember it after their week of Safe Town."

Even though she officially retired during the summer of 2021, she is still very involved teaching and coaching through Hartland Community Education. This spring she is involved with middle school tennis, class tennis, 2 to 4-year-old-soccer, and pickleball for all ages!

When asked what she loves best about the Hartland community, she didn't hesitate to answer, "I go up north and people call my name. They light up and I light up. You see people you know and it's awesome!" As soon as you mention the Grand Marshal selection, you'll see Doke smile. "It's a real honor—unbelievable— makes me feel awesome," she added.

These days for fun she is playing Pickleball seven days a week! In retirement she and her husband are also traveling the country and looking forward to more trips to come.

We have no doubt there will be many shouts of "Miss Jan" with waves and smiles from young and old as she travels down the parade route! The HACC is thrilled to have someone like Jan as the Grand Marshal for the Memorial Day parade. She truly IS Hartland and definitely represents the community spirit so many people treasure.

Don't miss your chance to be IN Hartland's Memorial Day Parade! For planning purposes, applications for parade entries and Epley Park vendors need to be received by 6 PM on May 26th, 2022. Paper copies of the applications can be found at Cromaine Library or the Hartland Township Hall. They can also be found using the following links—Parade Entries: bit.ly/HMDparadeentry and Epley Park Vendors: bit.ly/HMDparkvendor or on the Council's website: hartlandcommunitycouncil.org. Completed applications can be dropped off at the Hartland Township Hall or mailed in advance to Hartland Area Community Council, P.O. Box 113, Hartland, MI 48353. Join us for the next Council meeting on Monday, May 2nd at 6:30 PM. Meetings are held in the Media Center of Ore Creek Middle School.

Our roots are here, planted on land donated by Hartland Schools.

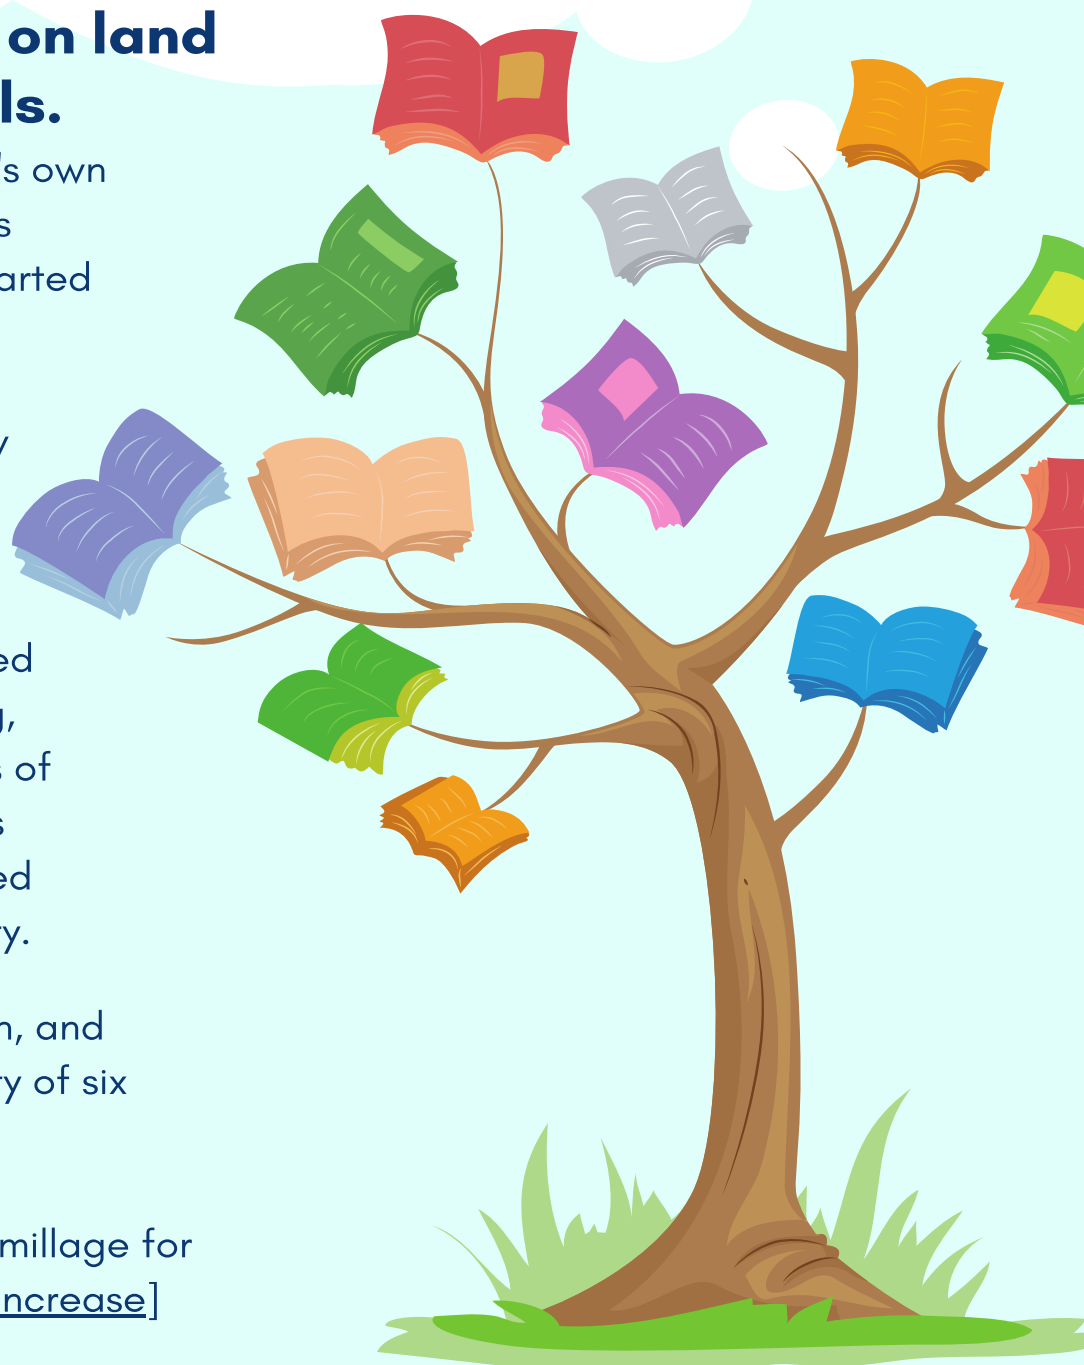

Cromaine Library was founded by Hartland's own J. Robert Crouse, the decision guided by his principles of friendly cooperation, wholehearted service, and community harmony.

Our public library opened in 1927, a friendly community space focused on Crouse's commitment to lifelong learning.

For 95 years Cromaine Library has welcomed generations to ask questions, seek meaning, explore ideas, discover wonder, find worlds of possibility, and experience anew the values rooted in friendly cooperation, wholehearted service, and a vibrant connected community.

Keep Cromaine District Library rooted, open, and wholeheartedly serving our great community of six townships.

WHY GRADES ARE IMPORTANT

(Find out why grades are an indicator of your child’s future)

As parents we all want our kids to get good grades in school, right?

But why?

I am Sam Larioza, a father of two awesome kids and owner of Ohana Karate. Over the last 19 years we have helped hundreds of parents in our community raise their children. Many have underestimated the importance of their kid’s grades in school.

Here is the secret: **How a child performs in school sets in place the habits, attitudes and character traits they will carry into young adulthood and have for the rest of their lives!**

Parents find this story helpful in understanding this concept: **“There are 3 types of people in this world”**

Type 1: *“Always does a little bit more than anyone expects!”* You can easily tell if a child is in this group. They consistently get all A’s and B’s in school. They are the ones on the team that always hustle. They are the ones that read one extra chapter or practice the piano 5 extra minutes!

Type 2: *“Always does just enough to get by!”* The indicators for this group are students that get A’s and B’s in some classes (the ones they like) and D’s and F’s in others. They are the kids on the sports field that always do just enough and not any more. They are the kids that will see how poorly or slowly they can do a chore at home and get away with it.

Type 3: *“Are always trying to do less than they have to!”* They typically do this by taking short-cuts or even cheating. They struggle in almost every aspect of school. On the sports field they stop or quit when they think no one is looking. They blame everybody and everything for why they can’t do something.

So, which group is your child in? You are probably thinking, “This is all fine and good but what can you do?”

Here is the key: **We are all products of our life experiences!** And right now your child’s biggest life experience is coming from school! They spend 7 hours a day, 5 days a week there! Every single decision and act they do at school develops their attitudes and most of all their **HABITS!**

I am running out of space, but here are 3 tips our parents use:

1. **“Open the envelope.”** You need to open the letter containing their report card and know their grade in every single class. Better yet, go online and know their grades all the time and let them know that you do!
2. **“Never, ever miss a parent-teacher conference.”** Parents will skip the conference because they know their kids are doing “okay” or they have more important things to do. Never, ever miss one. Ever!
3. **“Make grades important to you.”** Grades must be important to you. Both #1 and #2 do this but you need to take one step further. Don’t nag your child but talk about school and grades all the time.

Grades are important to us! We talk about school and grades all the time. We require every student to turn their report cards in to us. If you need any more tips or help with your child’s performance in school give me a call or email. You do not need to be a student at our karate school. We just want to help every child in our community. It makes all of us better!

***Yours for Rock Solid Kids,
Sam Larioza***

The top 3 reasons you should leave your IRA to your Trust with the Secure Act

Preparing for retirement and thinking about your financial means is very important and is something that you should decide upon as well invest in at your earliest convenience. In recent months, a new bill was passed that helps everybody find a way to financially save for their retirement and future without needing any extra support in the future. This is called the SECURE Act.

Christopher J. Berry, Esq., CFP, CELA

What is the SECURE Act?

The Setting Every Community Up for Retirement Enhancement (SECURE) Act was signed into law by President Trump on December 22, 2019. It has a lot of focus surrounding financial ownership and investment for the future and being able to sustain a lifestyle that you have grown accustomed to. It also covers the grey area that may have been highlighted when it comes to your IRA. Much more significantly, SECURE eliminates the 'stretch' provision for IRAs inherited by most non spouse beneficiaries. Under the prior rules, if a non spouse IRA beneficiary for example a child or grandchild was named, the beneficiary could take distributions from the inherited IRA over their life expectancy. This helps in terms of tax implications.

Things to note

You cannot put your IRA in a trust while you are living. You can, however, name a trust as the beneficiary of your IRA and then also be able to dictate how the assets are to be handled after your death. Whatever you decide, it applies to all types of IRAs, including traditional, Roth, SEP, and SIMPLE IRAs. If you establish a trust as part of your estate plan and want to include your IRA assets, it is important to consider the characteristics of an IRA and tax consequences associated with certain transactions.

The three reasons why you should leave your IRA to your trust

Here are three reasons why it could be worthwhile and beneficial for you to leave your IRA to your trust. These include:

Control

The main reason to go with a trust as your IRA beneficiary is control. A trust allows control from the grave over IRA funds. In some situations, there are smart reasons to seek control. This is especially noted if the intended beneficial are children or a disabled person. A trust will give you the control of the IRA funds for their benefit long after you have gone.

If the beneficiary is a minor

Another major reason would be if the intended beneficiary you have is going to be a minor. Minors are not able to make tax elections like IRA distribution decisions or direct investment choices.

If you get married again

A trust can be a good choice in second marriages where you want to control the ultimate disposition of your IRA in terms of who has the funds. You may want to leave your spouse the annual IRA income, but after your spouse's death you may want to make sure that the IRA goes to your children which might have been conceived during your first marriage.

Hopefully this has given you more clarity on leaving an IRA to your trust and using the SECURE act for your benefit.
