## Superintendent's Corner

Chuck Hughes, Superintendent

 @hartlandschools

What did you say? The Holiday Break is just a couple of weeks away signifying the end of the first semester. It is my hope that all our students get the grades that they worked so hard for and have a relaxing couple of weeks to regenerate for second semester. This is a wonderful time for our parents to relax a little as well.

Adopt-a-Family: Thank you to all our business partners, families, athletic teams, staff, school clubs, etc., who have made the Hartland Optimist Club's Adopt-a-Family program such a great success! Without these partnerships, families who might need just a little bit of help, would not have it during what should be a festive time of year. I am overwhelmed with the outpouring from this community every time we work to take care of each other. This community is truly warm-hearted and believes in the tenets shared with the school district of Reason, Respect, and Responsibility. We understand the need to help (Reason), believe in our families (Respect), and do what is necessary to care for each other (Responsibility).

## 2020 Bond Update:

You will begin to see earth being moved on the south end of the middle school. This is where our new Auxiliary Stadium will be built along with a walking trail, parking for the tennis courts and a concession/restroom building. The hope is that this facility will be ready for full use in the fall of

2022. On the back side of the Hartland Educational Support Service Center, our new state of the art Hartland Robotics Center is being built in the hopes of opening in early spring. None of these improvements would be possible without the support of the Hartland Community.

## Board of Education Updates

**Introducing Mr. Victor Bugni as our new Hartland Schools Board of Education Trustee:** The Board of Education has appointed Mr. Victor Bugni (pronounced Boog-knee), as Mr. Charlie Aberasturi has stepped down to relocate his residence to a different community after serving the children of Hartland graciously for 24 years. While Mr. Bugni has big shoes to fill, he brings to the table 20 years of experience as an educator, school administrator, and employee of the Michigan Department of Education. Mr. Bugni will be seated at the table on December 13, 2021. We look forward to learning more about Mr. Bugni as he contributes to the guidance and direction of the district. Mr. Bugni will fill this seat until the November 2022 general election where he will need to run for the position. Welcome to the HCS Family Vic!

The Board of Education toured our school buildings on October 27, 2021. We visited the middle school, Creskide Elementary, Village Elementary, and Round Elementary. It was great to see all the happy children and staff as we visited classrooms. Thank you HCS staff for your passion for our children.

Enjoying the new furniture at Village Elementary.

## December 2021 Person of the Month: Kay Fountain

I currently teach Personal Development and PE at Hartland Middle School. I graduated from Central Michigan and have a Masters in the Art of Teaching from Marygrove College. This is my 22nd year at HCS. I have taught at Lakes, Round, Farms and the middle school, as well as subbed in almost all the buildings.

My husband, Bill, and I moved to Hartland in 1993 with our two children (aged 2 ½ and 6 months at the time) to build the Majestic golf course. We had been married 6 ½ years and Hartland was our 8th residence. Bill is the township Supervisor and on many other boards and organizations including mentoring at Hartland Middle school for Reaching Higher. Some amazing community members and I started the non-profit, HERO, which started the Hartland Teen Center in 2012. I've also been involved in coaching gymnastics, serving on many committees and organizations at church and in Hartland. Our kids, Manny and Helen, graduated from Hartland and then MSU and are both teachers and married to teachers. They gave us 2 grandkids this year! Serving and teaching kids is what we love.

I have been blessed to teach 5th grade Reproductive Health for almost 20 years. There are many stories there (that I won't share). My favorite memories are from Farms where my "work husband" John VanGoethem and I really created a home-like atmosphere in the gym; playing Moomba Fridays with the kids, where we brought our 5th and 6th graders together to play fun games. I am blessed to watch kids play every day. Thank you for sharing your kids with us!

I have taught in almost every building with so many teachers and 13 different administrators—they amaze me daily with their compassion, expertise, and diligence with our students. The support staff we have in the cafeterias, buses, maintenance, paraprofessionals, custodians, office staff and Community Education and Board of Education are wonderful to work with and vital to making the wheels turn in our district. Hats off to you all! I love Hartland and everything about this community and schools. We are very happy to have put our roots down here. I can't think of a better place to live and raise a family.

## Community Life Volume 87, No. 10, December 2021

A monthly publication sponsored by the Heartland Foundation in cooperation with the Hartland Board of Education and Hartland Community Education, dedicated to informing the public in matters of education, local government, community services, organizations and cultural opportunities. Founded in October 1933 by the Hartland Area Project in the interest of rural progress and prosperity.

**Editor: Heather Calabrese**

\$25 subscription rate per year for readers outside of Livingston County.  
Reader donations appreciated.

**Mission Statement:** The Hartland Consolidated Schools, in cooperation with the community, will provide a positive environment for the development of productive and caring individuals of all ages. We are teaching learning for life.

**District Vision Statement for Hartland Consolidated Schools:** A community of learners sharing successful tomorrows.

## We are looking for alumni news!

Do you know of a Hartland graduate who is doing something special or outstanding? We know there are plenty of former students doing some amazing things and we want to hear about it. We are looking to highlight a Hartland High School graduate each month that we feel the community would love to hear about. Send nominations to editor Heather Calabrese at [communitylife@hartlandschools.us](mailto:communitylife@hartlandschools.us) and we will select one person to spotlight in each issue of Community Life.

## New bike repair station at Settlers Park!

Ever since he was a young boy, Aidan Weaver has liked scouting and bike riding. So when it came time to develop a proposal for his Eagle Scout project, he knew that he wanted to do something bicycle related. He discussed ideas with his youth group leader at church, Tom Hermann, who is a member of Motor City Mountain Biking Association and has been instrumental in creating the challenging mountain bike trails at Settlers Park in Hartland. Together they decided that the park would benefit from a bicycle repair station.

Aidan, a senior at Hartland High School, presented his proposal to Hartland Township for approval of the project and a land use permit. He then began a bottle and can drive in order to raise the necessary funds for the project. After several months, he was able to raise enough through the drive and from donations from family and friends to purchase the unit and the necessary supplies to install it.

Aidan led his team of fellow scouts and friends on two separate days–first to install the concrete base and then to install the unit. The bicycle repair station will allow riders at Settlers Park access to the tools needed to, among other things, inflate a flat tire, tighten components, or adjust brakes on their bicycles. The station is located near the bike racks and pavilion at the park, and Aidan hopes that it will be of great use to everyone who visits.

## Winter Bus Safety Tips

With the winter months upon us it is always good to review bus stop safety tips to ensure a safe and pleasant trip to school.

### At the Bus Stop:

- Allow extra time in the morning to get to your bus on time.
- Wear bright clothing so the bus driver and other motorists can see you in the early morning and late evening.
- Stand a minimum of 10’ away from the roadway at the bus stops. Buses and vehicles need extra room to stop when there is snow and ice.
- Dress properly. Winter clothing, hats, mittens and boots will help keep you warm.

### Waiting at the Bus Stop:

- Don’t play in the snow/ice, or throw snowballs while waiting for the bus.
- Don’t push or shove while loading the bus, and always use the handrail.

### Boarding and Exiting:

- Accompany your student whenever possible.
- The area at the bus stop may not be maintained for the weather. Icy conditions increase the risk of sliding into the street or getting hurt.

### Running Late in the Morning:

- Never try to catch the bus at another stop with your vehicle if your students miss their pick-up. Take them all the way to school or call the Transportation office. Communication with the bus driver is critical in this situation. The bus driver may not see late students running to board while in the danger zone.

If you would like more information, please contact Hartland Transportation at 810-626-2175.

**Hartland Optimist Club  
Christmas “Adopt-a-Family”**

The Hartland Optimist Club will once again sponsor the “Adopt-a-Family” Program for families in our community in need of help during the holiday season. If your group or family is looking for a community service project, or just a great way to celebrate the holiday season, in the true sense of giving why not consider Adopting A Community Family In Need.

Hartland Community Ed will have boxes in the HESSC building (old high school) so families can donate non-perishable food items and paper goods.

As this is a large undertaking, the Optimist Club can always use your help! There are many ways you can help support this project:

- Shop for a family.
- Donate nonperishable food items or paper products.
- Make a donation to Hartland Optimist Club.
- Join the Optimist Club and give your time.

All donations are appreciated; every dollar helps and goes directly to our families. Community support makes this worthwhile project a success!

**If you would like to adopt a family please contact Christine at (248) 755-9625 or hartlandadoptafamily@gmail.com**

@hartlandhigh

Welcome to Beth Herbert who is our newest ELA Teacher at Hartland High School. We are very excited to have her join our team.

Halloween fun at HHS! Mrs. Roche's class was the door decorating winner, and Mrs. Dana's class had the most spirit points for the week. The staff joined in with some fun costume themes.

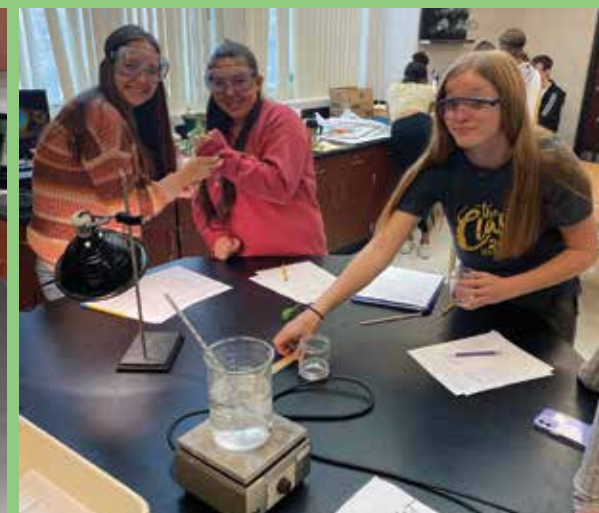

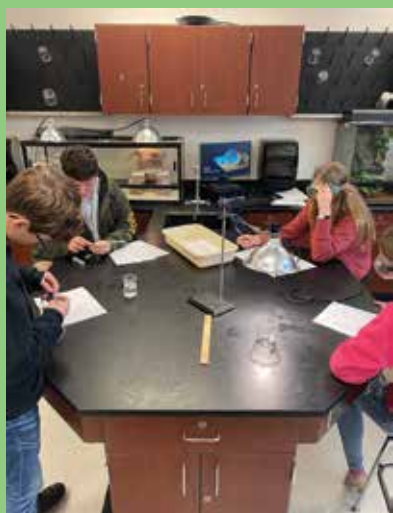

Mrs. Shepherd and her students preparing for the Fall Choir Concert.

Mrs. West and her Algebra 2 students reviewed for a quiz with a speed dating style activity! Students each became an expert on one problem and then helped other students solve it. They rotated around the room to complete each other's problems as a way to study for their quiz.

Our biology classes working in lab to test factors that affect the rate of photosynthesis. Here are a few groups from Mr. Storey and Mrs. Martin's classes.

Our 3rd graders were able to have a virtual visit from Native American presenter, Mr. Gary Ghareeb. He shared his knowledge about regional Native American culture as well as his extensive artifact collection.

We had some fun Halloween celebrations at Lakes on Oct. 29!

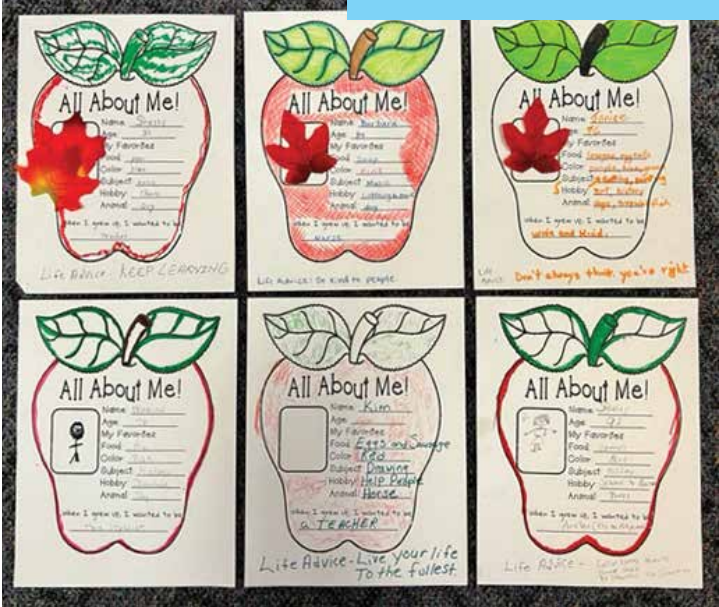

Mrs. Villar's 2nd graders have senior pen pals from a local senior center. Last month the students sent the seniors a caramel apple craft and an All About Me sheet. The seniors were excited to receive the caramel apple crafts and displayed them on their doors. The seniors sent back an All About Me sheet to the students and also gave some "Life Advice." Thank you Dr. Johnson and Mrs. Villar for making this happen!

Thank you so much to our Lakes PTO and specifically Mrs. Laura Gorang for our Fall Book Fair! The kids loved it and thank you to our volunteers!

The annual HEA Coat Drive at Lakes was very successful! We had over 100 coats donated, along with dozens of gloves, mittens, boots, and other items. Thanks everyone who donated and to Mr. Conway who was in charge of the drive! Thank you to Mrs. Young's class for helping to organize the donations!

## Be Like Bill Week—A Big Win!

Congratulations to our Village Community who proudly raised \$1,862.00 for the Be Like Bill Foundation through our change drive during the month of October. Mrs. Wheeler's class was the big winner of a popsicle party for raising \$472.36. Our school continues to support this foundation year-over-year and are excited to help a senior at Hartland High School earn a scholarship.

## Second Grade Snapshot

The second-grade students at Village are working feverishly on learning new words, writing spooky stories, and becoming amazing mathematicians. This year, our 2nd grade teachers jumped in to math workshop teaching. This style of teaching provides students the opportunity to work with their teacher through a variety of different centers where they are provided differentiated instruction to meet their specific needs. Students have stated that they are enjoying math a lot because "it's hands-on." We are thrilled with their progress as readers, writers, and mathematicians this year. Keep up the good work 2nd graders.

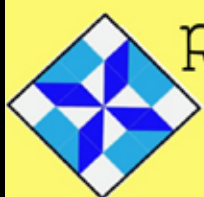

## STEM Spot

STEM class welcomed a new teacher this month, Morgan Youngs. She comes to us with a wealth of experience from Belleville Schools. We are excited to have Mrs. Youngs working with our students. Mrs. Arnold is also in the media center assisting Mrs. Youngs and helping our kiddos check out books. This month, our STEM students designed and developed prototypes that will accomplish specific tasks. Our Fourth Graders worked collaboratively to build cars that would support a plastic egg as it rolled down a wooden ramp. In third grade our students designed and developed wind propelled boats. What we have noticed around the building is that students are working together to solve problems in all classrooms. The skills that they are learning in STEM class transfer over to their learning in reading, writing, and mathematics. We are thrilled to offer this opportunity to our Villagers.

## Trunk-or-Treat Success

We would like to say a very special thank you to our Village PTO, Cromaine Library, Hartland Fire Department, and all the families that came out to setup trunks and attend our First Annual Village Trunk-or-Treat and Glo Dance. It was a smashing success. We had so much fun, learned many things, and are already planning for more excitement next year.

## Important Dates

- Dec. 14–16: High school exams, half day
- Dec. 16: End of first semester for all HCS students
- Dec. 17: No school for students (Records Day)
- Dec. 20–31: Holiday break, no school
- Jan. 3: Second semester starts for all HCS students

## How can I help my student end the first semester successfully?

First semester is ending swiftly. Some families are wondering how best to help their MS or HS students with wrapping up course requirements?

Try any of the following. All of the strategies can be implemented immediately, and can help a strong student see more success or a struggling student, not only make progress in a course, but help future semesters with lifelong approaches to learning.

### Teach multiple ways to prioritize your student's goal.

Your student's goal: Find an organizational strategy that works best for your student's needs and/or skills.

- Example: Projects can be organized by due date, time needed to complete, or how difficult the subject is for the student.
- There is always a tendency for someone to suggest the organization strategy that works best for that adult. Remember if the method is not showing success, or the student struggles with the suggestion, he or she could benefit from a different approach for designing.

### Teach your child how to chunk their goal.

Your student's goal: Keep looming deadlines, or the feelings of being overwhelmed, from happening.

- Example: Break research papers, novels, semester projects, etc into more manageable chunks. The tasks become more reasonable when they are tackled in tinier pieces.

- Often teenagers just see "too many" or "too large" of assignments to even know where to begin. Feeling overwhelmed can lead students to stifled productivity. Sometimes asking if they know "where even to begin" or "how to make the task" smaller, parents can determine if their student struggles with how to chunk.

### Ask about the plan of attack for your student's goal.

Your student's goal: Have a plan to end the semester with the grades/credit they want.

- Example: It seems logical that a teenager would know how and when to complete and submit school work; however this is not always the case.
- Ask for an explanation of his or her plan. Ask for weekly check-ins. Consider making a comparison between your check-ins and "real life" or career situations like foremen, supervisors, or project managers checking with their workers for efficiency and to ensure the job is completed on time.

## Legacy's "Full of Thanks" Tree

People from throughout the district and HESSC building were "Leafing" messages of gratitude from November 10th-22nd.

HCS pre-schoolers, HCS bus drivers, transportation and maintenance departments, Hartland Senior Center, HCS Special Education, Hartland Chamber of Commerce and so many others participated in "Thanks" Giving to someone or something important in their lives.

Legacy is so thankful to be in a community with all of you!

## Welcome to Hartland Preschool!

A large component of the preschool years is social emotional development. This is when our little ones are learning how to work alongside their peers, how to play with one another, how to behave in social settings and how to manage their emotions. These skills are learned through positive play and interactions with one another. Our preschool teaching team encourages these interactions and helps our preschoolers to navigate these situations and emotions. We encourage our families to reinforce these skills at home, as well by playing board games together, talking about and visually seeing the plan for a day and simply talking about your feelings and reasons for those feelings.

## Childcare Center

### Updates from the Childcare Center

Halloween was so much fun! We got to trick-or-treat, dress up, and carve pumpkins! All of our handmade Thanksgiving decorations are starting to take over the center- we love to see our own art take over the halls!

Let it Snow- Let it Snow- Let it Snow! We can't wait for the snow so we can go out and build snowmen and snow forts! In the classrooms, we are hard at work focusing on kindergarten readiness, recognition skills, early language skills and even using sign language with our babies! We are busy exploring and learning everyday!

### We offer before and after care.

We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the Lakes or Farms may enroll at the School Street center or take advantage of the school age program at Lakes School. The School Street Center is open from 6 AM-6 PM. Lakes is open from 6:30 AM-6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the "No School" days or snow days! Our center is almost always open!

**Our program is expanding, which means we are hiring! If you are interested in applying, email [childcarecenter@hartlandschools.us](mailto:childcarecenter@hartlandschools.us) or call 810.626.2780.**

# Hartland Will and Trust Lawyers: Estate Planning Essentials for Young Families in Michigan

Young families are busy! They are often raising young children and at the beginning stages of their careers. Estate planning is often at the bottom of their priority list – if it is even on the list at all! But our Hartland will and trust lawyers would like to help bump that priority up by explaining several reasons why young families need estate planning.

Wisdom Webinar registration: [www.wisdomwebinar.com](http://www.wisdomwebinar.com)

## 1. Who will raise your children if you can't?

The odds are in your favor here, but there is a chance that something could happen to you and your spouse. If that happens, who will raise your children? Will anyone step up? Will there be a fight among your families about who raises them? You can avoid all of this trauma for your children by naming a guardian in your will. Remember, assuming guardianship of minor children is a major responsibility. Be sure to ask your preferred guardian if they would be willing to take over the responsibility first.

## 2. How will your money and property be left to your children?

If you do not have an estate plan in place, upon your death, your children who are under 18 would inherit their share of your estate and it would be held in trust in their name. Your children would then have access to those assets at age 18. Most parents think that leaving money to an 18-year-old would be a bad idea. You can control this by specifying in your will that your child's inheritance should be held in trust for them until age 25, for example. A Special Needs Trust is an equally vital tool if your child has disabilities to ensure the inheritance you are leaving behind for him or her does not prevent them from receiving key public benefits such as Medicaid.

## 3. What happens to your family if one of you becomes incapacitated?

It's not pleasant to think about, but what happens to your children and your spouse if you become incapacitated? With an estate plan, you and your spouse will create powers of attorney. These documents will allow someone that you name to act on your behalf for medical and financial matters. Usually, people pick their spouse to serve, but you might choose to ask others. Having these documents in place means that bills will continue to be paid and that someone who knows you well can make medical decisions that you would have made on your own if you could.

Parents – take steps to protect your family, even while your kids are young. Once you've done so, you'll experience a sense of peace that you didn't even know you were missing. Take the time to call our Hartland will and trust lawyers today at 844-885-4200 to schedule a consultation.

Hartland Teens enjoyed a fun-filled fall at the Hartland Hero Teen Center. The directors organized a Halloween party complete with a costume contest, drawing contest, and scavenger hunt. The Hero Teen Center is open every school day from 2-6 PM. They have a dedicated staff that strives to ensure a safe and caring environment, where teens can gather after school. Snacks are provided

daily as well as games, crafts and movies.

The Teen Center is happy to announce Danny Livingway has returned to the staff. Danny, along with directors, Dalia Martinez and Judge Blackwood and our board of directors, have been working hard to manage the increased popularity of the Teen Center. They are seeing an average of about 50 teens a day and loving the energy!

The Teen Center is run solely by donations, fund raisers, and grant money. Their annual golf outing was a huge success and profits exceeded \$10,000! Thanks to the golfers and volunteers that made this happen.

Plans for building improvements are well underway, and the committee is assessing areas that need upgrading. Soon the Teen Center will have permanent basketball hoops as well as a working green house. Everyone is looking forward to these increased opportunities to work and play outside, together.

The next fundraiser is WINTERFEST. This will be a fun, family friendly day in Heritage Park. There are lots of free activities and teens will be serving food for donations. If you would like to volunteer to help with this event please contact Kay Fountain at [kayfountain@hartlandschools.us](mailto:kayfountain@hartlandschools.us).

Special thanks to all of those who have generously donated their time and financial support, and to the parents who continue to donate food items and supplies.

Lily and Charlee celebrate their November birthdays at the Teen Center.

We had fun celebrating Halloween!
