Superintendent's Corner

Chuck Hughes, Superintendent

 @hartlandschools

The school year continues to be challenging. The positive side of things is that staff and students are overwhelmingly optimistic that we can maintain an environment in which learning, and play, remain a focus. Every day, I am amazed by the dedication our administrators, teachers, and support staff show as they care for our children. I believe the Hartland School District continues to thrive because of this dedication. We work hard to help our children understand the value of grit/perseverance. We know that in order to thrive, we must work together to keep moving forward, regardless of the obstacles put in our way.

Soon the community will begin to see work being done next to the Middle school. The 2020 Bond Program supports the building of a new auxiliary athletic stadium to be utilized by our HAYAA and school teams. If you happen to be driving near the Hartland Educational Support Service Center, take a drive to see the new Hartland Robotics Center (northwest side of the building just past the Senior Center). If you would like to learn more about the progress being made, please visit www.hartlandschools.us and click on the 2020 Bond link found at the bottom of the page. This link is updated as work progresses.

Board of Education January Meeting Highlights:

At the January Board of Education meeting, the Board was treated to a STEM (Science, Technology, Engineering, and Math) presentation and activity compliments of Round Elementary STEM teacher, Mrs. Jennifer Hull (see pictures below). The Middle school Robotics teams shared their program highlights and introduced us to their robot. We wish them the best as they travel to World's later in the spring. Mr. Wheeler shared the exciting success of our secondary athletic programs and introduced us to Riley Hough, a top performing Cross-Country runner and school record breaker.

Pictured left to right: Bill Gatewood and Thom Dumond, Michelle Hemeyer and Chris Costa, Rachel Bois (CFO), Victor Bugni and Kristin Coleman.

February 2022 Person of the Month: Brooke Saunders

I am currently a 1st grade teacher at Round Elementary. I have a bachelor's degree from Central Michigan University, specializing in English Language Arts and Elementary Education, two Teachers College Reading and Writing Projects at Columbia University (TCRWP) Summer Institutes, three TCRWP Saturday Reunion Trainings, Instructional Consultation Team Training and START Peer-to-Peer Training. This is my 8th year teaching 1st grade in Hartland.

I have attended the Memorial Day parade and ran the Memorial Day 5k with the Round Running club. It has been so much fun participating in Readers Theater with my fellow Round Staff members at Cromaine library every March.

There have been memorable moments every year, Each group of students is near and dear to my heart! One memorable HCS moment is when a former student, a 2nd grader at the time, dressed up as me for Halloween. Her outfit looked just like mine. She had a clipboard and a name tag that said, "Hello my name is Brooke Saunders." It was the best!

Hartland is like family. I am thankful for the staff at Round. The support staff are everything! The families in the district are equally amazing. I feel supported every day. I love interacting with the families at community/school events. I love the sense of pride in everyone and seeing the spirit everywhere in the community!

Hartland is home. During these unprecedented times with the pandemic, Hartland Consolidated Schools and families have come together to put students first and provide the best education possible. Even in the hardest of times, we are here for one another. I wouldn't want to be anywhere else!

Community Life

Volume 88, No. 2, February 2022

A monthly publication sponsored by the Heartland Foundation in cooperation with the Hartland Board of Education and Hartland Community Education, dedicated to informing the public in matters of education, local government, community services, organizations and cultural opportunities. Founded in October 1933 by the Hartland Area Project in the interest of rural progress and prosperity.

Editor: Heather Calabrese

\$25 subscription rate per year for readers outside of Livingston County.

Reader donations appreciated.

Mission Statement: The Hartland Consolidated Schools, in cooperation with the community, will provide a positive environment for the development of productive and caring individuals of all ages. We are teaching learning for life.

District Vision Statement for Hartland Consolidated Schools: A community of learners sharing successful tomorrows.

We are looking for alumni news!

Do you know of a Hartland graduate who is doing something special or outstanding? We know there are plenty of former students doing some amazing things and we want to hear about it. We are looking to highlight a Hartland High School graduate each month that we feel the community would love to hear about. Send nominations to editor Heather Calabrese at communitylife@hartlandschools.us and we will select one person to spotlight in each issue of Community Life.

Kindergarten Enrollment for 2022-23

Online enrollment available beginning February 2022 via the website hartlandschools.us

A Kindergarten Orientation will be held on Saturday, February 5, 2022, from 10 to 11:30 AM at the Hartland Educational Support Service Center building at 9525 E. Highland Road.

The online process allows for the following required documents to be uploaded:

- Birth certificate—a copy for school records.
- Immunization records with proof of DTP, Polio, MMR, Hepatitis B, Chicken Pox vaccines (or proof of having illness), and a vision screening, plus copy of same for school records.
- Proof of residency using one of the following: certificate of occupancy, purchase agreement, builder's permit, rent receipt or agreement, mortgage statement/receipt, voter registration card, utility bill or driver's license.

Children are eligible for enrollment in Kindergarten in August 2022 if they will have their 5th birthday on or before September 1st, 2022. A child who turns five after September 1st and before December 1st, 2022 may enroll if parent/legal guardian signs a waiver that is supported by the school district.

A full-day Junior Kindergarten program may be offered. A minimum number of students are required for the program to be made available. Parent may need to provide transportation in order to participate. The age requirements for Junior Kindergarten are the same as for the regular Kindergarten program.

Driving Hartland’s Future

Whether you’re just beginning your career, looking to supplement your income, wanting to build lasting relationships in the community, or just enjoy working with children...becoming a driver is the perfect opportunity to join the Hartland team. Here’s what three of our drivers have to say.

Mr. Mundt, a 4 year driver: “Working and traveling the world my entire adult life was a wonderful experience which I wouldn’t trade with anyone. However as a school bus driver, driving 5th and 6th graders, I have a whole new appreciation for life through the eyes of my young people. They are so fresh in the morning and the energy they bring with them into the day will keep me young for as long as I drive. The relationships I’ve made over my adult career will take a backseat to the relationships I have made with my 5th and 6th graders over the past 3 years. These young people are so precious and are the beautiful future of America.”

Joe, a 16 year driver: “As a retiree, I drive for several reasons. First, I love being outdoors and around kids; they help me think and feel young. Second, I enjoy getting to know kids individually over the course of the school year. Sharing some of their youthful ambitions, dreams and goals is particularly enjoyable. Over the years, I will often wind-up driving several children from the same family which is very special. The work schedule of a couple of hours mornings and afternoons gives me plenty of time for leisure activities during the day, and having summers off feeds my passions for sailing, fishing and golf. If you like kids, there is simply no better part time job on the planet.”

Kalan, a 4 year driver: “As a mother of two young children, being a bus driver has given me the ability to match my children’s school schedules. Having these flexible hours and summers off is huge for our family. I also have found so much joy in watching our students learn and grow every day! I feel blessed having the opportunity to become a part of Hartland’s Transportation family!”

The bond between the drivers is strong because they share the same passion. Their longevity is proof Hartland is an enjoyable and rewarding place to work.

Come join our team to brighten a child’s day and give back to your community. Our staff is waiting to hear from you.

If you would like more information, please contact Hartland Transportation at 810-626-2175.

Second semester courses at HHS have started strong and students are actively engaged in their new learning. Pictured are students participating in a flame test Chemistry lab with Mrs. Sprague, practicing layering effects with Photo-shop in CAD Digital Animation class with Dr. Assenmacher, competing in a ping pong tournament in Racquet Sports class with Mrs. Guile, learning to draw still life in Art Studio II with Mrs. Porter, and playing their new guitars in guitar class with Mrs. Shepherd.

The High School Quiz Bowl teams had a great fall season competing in the Genesee Academic League. The two varsity level teams finished in 1st and 3rd places and JV finished in 2nd place. The teams will now compete in the Inter County League for the winter season, and are hoping to attend the state tournament in the spring.

Congratulations to HHS Senior, Shelby Hopson, on being selected from more than 68,000 applicants as a Semifinalist for the 2022 Coca-Cola Scholars Program. She will be notified soon if she has been chosen as a Finalist. Shelby was also selected as the Livingston Country DAR Good Citizens Scholarship recipient. This award recognizes and rewards individuals who possess the qualities of dependability, service, leadership, and patriotism in their homes, schools, and communities.

Friends of Cromaïne

It is with regret that the Friends of Cromaïne Library decided to cancel their January book & bake sale. Covid has led to a tremendous amount of uncertainty among both the Friend's Members and our Patrons, thus we look forward to spring sale. Unfortunately, we have an over-abundance of fine books and at this time we have no storage space. Please save your books, and we'll keep you informed as to when we can accommodate you.

Note that because of successful book/bake sales in 2021, the Friends were able to fill the wish list provided by the library staff, which consisted of support for the summer reading program, Livingston reads, summer concert series and several guest appearances. Because our patrons supported our events, we were able to present \$7,750 to the staff.

Mary Lynn Thomson, Friends Secretary

Congratulations to Mya Covington (7th) and Carter Oran (8th) for being selected as the Students of the Month for the Science Department! They were selected because of their high academic achievement and their positive contribution to our school community. We are proud of the great example they set for all of us.

Mrs. Robert's and Mr. Trojans classes painted rocks donated by Preiss Landscaping. The students have them displayed in the Media Center windows. The students had fun being creative. Ore Creek students rock!

Mr. Jarvenin's Engineering and Design class is a popular course for our students. The young ladies pictured are working on a design challenge using limited resources—certainly an experience they will encounter in the future!

The HMS Kindness Club raised over \$500 for the Devoted Barn, an animal rescue and rehabilitation facility located in Holly.

Mrs. Denis leads an intense game during a meeting of TableTop Adventurers Guild!

Jacob demonstrated his amazing Rubik's Cube abilities during some down time at lunch!

Mrs. Richmond's class does a wonderful job running our recycling program and supporting our Green School status!

The Hartland Middle School robotics program (FIRST Tech Challenge) was a dominant force this season. Twenty three students split into two teams, designed, programmed, and built their way to the top of the FIRST in Michigan fall competition season. Finnegan Edmund of team 5957, the Sonic Eagles, said, "The biggest challenge this season was putting together a team and a robot in seven weeks. Not one member of the team had built a robot in seven weeks and then taken it to an in person competition. But putting together a robot is the easy part. Building the skills, teamwork, innovation, and others together is what really got us to the state competition."

During the fall season the hard work culminated in team 5957 earned a 1st Place Controls and a 1st Place Design award and team 5290 earned a 1st Place Inspire and a 1st Place Design award. And BOTH teams earned an advancement to two State Tournaments held Dec. 17th and 18th!

At the state tournament, team 5290 pulled out all the stops and showed judges why they were one of the best in Michigan. They earned the TOP award—a 1st Place Inspire—and will be one of only four teams from Michigan attending the World Championships in Houston, Texas, in April. This is the first time the program has earned an "Orange Banner."

Congratulations to Our Students of the Month

Each month at Farms Intermediate School, we acknowledge students who have been nominated by their teachers for outstanding academic performance, as well as, for displaying exemplary Reason, Respect, and Responsibility. Students are presented with a Student of the Month certificate and their names are announced school-wide. Congratulations to our Students of the Month!

Back row: Kayden Wilson, Brayden Fuller, Reese Tucker, Grace Turner and Paige See. **Middle Row:** Amelia Ruck-Kasem, Mackenzie Piggot, Andrew Nasser, Lila Miller, Jaclyn Pollock and Chase Jablonski. **Front Row:** Emily Brash, Charlotte Brucato, Ian Robinson, Madelynn London, Hattie Ludwigsen and Connor Sullivan.

Math and Reading Stars

The Farms teachers select two students each month from their homeroom classes who have exhibited good reading or math habits. These students are the ones you see reading whenever they have a few minutes to spare, or they are putting forth exceptional effort in their math classes. Congratulations to our Star Readers and Math students!

Reading Stars

Back row: Jagger Toro, Addison Krause, Evelyn Niemiec, Rune Martinson, Katherine Juvilier, and Evan Kluck. **Middle Row:** Wyatt Tucker, Kennedy Wellbaum-Bogdanski, Evan Murawski, Sonya Spiker, McKenna Rose, and Emelia Manalac. **Front Row:** Wyatt Eaton, Camden Aldrich, Kaylee Takacs, Haylee Webb, Lars Kangas, Alyssa Dennis and Emily Lauria.

Thank you so much Lakes Community! Our 4th Grade Kindness Club donated 581 pounds of bread to Gleaners Community Food Bank right before the holiday break! This amounted to 482 meals to our hungry neighbors in need—all because Lakes student Hunter Gahns wanted to help others!

Our Winter Book Fair is coming up soon! February 18th-20th will be our Winter Book Fair at Lakes! More details to come!

Some great artists in 2nd grade creating works of art based on the bird works of Lois Ehlert.

Students learned about animal adaptations in first grade science by taking part in an experiment called the polar bear plunge!

Some wonderful sounds in 3rd grade music class! Students are learning about chord progressions and pitch intervals while playing the djembe, contrabass bars, timpani drums, snare drum, temple blocks, graduated xylophones and metallophones and conga drums!

Gleaners Mobile Pantry

The Gleaners Mobile Program provides free nutritious, healthy food for up to 100 families.

The mobile pantry includes 30 lbs. of fresh fruits and vegetables, fresh milk, whole grains and lean protein.

Each family also receives healthy recipes and nutrition information.

Village PTO is proud to announce the start of the Monthly Book Review Contests. The contest gets kids excited to READ and share their thoughts and ideas about their books.

Here's how it works. Has your child completed the Book Review Template – written, video or both? Email your completed review to welovevillage@gmail.com There is NO LIMIT to the number of entries – monthly or yearly! Keep reading for more chances to WIN!

Drawings to WIN a fun book basket occurs at the end of every month. At least 3 baskets per month will be raffled off. All entries carry over throughout the year, so the more you read the more chances you have to win!

The February Book Baskets will be filled with love so get reading and send in your reviews! Whose name will Mrs. Kreger call as the next winners? Check out the baskets in our showcase to see what you could win this month!

Mrs. Ferris' class read *Follow the Drinking Gourd* in music class. They then learned the song and drew a map of what the song was telling them. What a fun day!

Kindergarten Orientation

I cannot believe that it is already time to begin thinking about next school year. This year Kindergarten enrollment for the 22/23 school year will open on February 1st and will take place online. You can access our online learning platform at Hartland Enrollment. If your child is a current junior kindergarten student, you can simply login and re-certify your information through MiStar. This is the same process that you will go through at the end of every year here on out.

We encourage you to please share this information with any other local families that you believe would love to attend Hartland Schools. Our School of Choice enrollment opens on February 1st as well for anyone not currently an HCS resident.

Please join us at HESSC on February 5th from 10-11:30 AM for Kindergarten orientation.

Our panel will include the four elementary principals, Assistant Superintendent of Student Services, Transportation Director and the Assistant Superintendent of Curriculum and Instruction.

We will answer common questions regarding Kindergarten programming, curriculum, and how you can help your student prepare to start school. Information about our Junior Kindergarten program will also be available.

If you have any questions that you would like addressed please send them to angelinakreger@hartlandschools.us. We look forward to welcoming our future Hedgehogs at Village.

Welcome to Legacy!

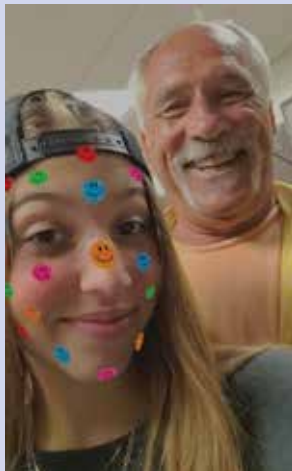

Legacy High School and Hartland Virtual Academy welcomes Melissa Gay to the science department. Melissa believes that strong connections with students brings about academic success, and an innovative, hands-on approach to science standards is the best way to ensure learning.

Melissa joins a dedicated staff whose mentorship, relationship building and creative teaching strategies help students reach their full potential. The genuine bond between staff and students is part of daily life at Legacy and THE contributing factor to the family like atmosphere in our halls. Thank you for creating a love of learning.

Welcomes 9 new students this semester. Together, we can do VIRTUALLY anything!

**The ABC's and 123's of Face-to-Face or Online Learning:
How can I help my student start the semester successfully?**

Arrange and prioritize.

1. Find an organizational strategy that works best for your student's needs and/or skills.

Bit by Bit: teach how to chunk.

2. Keep looming deadlines, or the feelings of being overwhelmed, from happening.

Challenge: Ask about the plan.

3. Have a plan for weekly check-ins - it can become for students to avoid conversation about grades; however, if started at the onset of the semester dialogue will be part of the common routine.

Thank you Hartland Deerfield Fire Authority!

The AMAZING Hartland Deerfield Fire Authority, led by Jenn Whitbeck, extended their helping hands and hearts for the second holiday season in a row.

Hartland Deerfield Fire Authority: Thank You for your daily service to our communities and for your generosity. This holiday season was made incredibly special through your efforts. The surprised and grateful Legacy student looks capture the excitement!

Welcome to Hartland Preschool!

The winter months bring about so much excitement in preschool! Each of our classes have enjoyed playing with both real and fake snow, building snowflakes and snowmen and so many other fun winter activities. Our preschoolers have been busy learning all about winter and snow while building their fine motor skills, math and literacy! You can continue the fun at home as well! Let your little one play outside in the snow, or bring some INSIDE to play with it in a bin. Practice writing names, letters and numbers in the snow. Use playdough to create snowmen and snowflakes. Create snowflakes at home with popsicle sticks or cutting paper! Enjoy all the ways the winter weather can bring fun learning to life for your little ones!

Updates from the Childcare Center

Our child care classrooms are busy having fun this winter. The big kids are enjoying playing out in the snow, and our littlest friends are having a blast running around the gym! When the days are cold, we are sure to move our bodies inside with music and movement. Dancing is one of our favorite things to do!

February will bring us Valentine's Day parties and lots of love! We are looking forward to all the pink and red celebrations!

Please give us a call or send an email if you are interested in setting up a tour or getting more information about our programs. childcarecenter@hartland-schools.us or 810-626-2780.

We offer before and after care.

We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend Lakes or Farms may enroll at the School Street center or take advantage of the school age program at Lakes School. The School Street Center is open from 6 AM–6 PM. Lakes is open from 6:30 AM–6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the "No School" days or snow days! Our center is almost always open!

810.626.2780 or 810.626.2150

Our program is expanding, which means we are hiring! If you are interested in applying, email childcarecenter@hartlandschools.us or call 810.626.2780.

Do You Need an Estate Planning Attorney? Probably.

Contrary to what some believe, estate planning attorneys, like Chris at Castle Wealth Group aren't here just for the wealthiest members of our community. In fact, after years of experience we have come to see how nearly every person in Livingston County can benefit from putting together an estate plan, including a will. While you may not feel that you have a lot of assets to protect or believe that your family knows your wishes and will follow them, here are some points to ponder in determining if perhaps you really should hire an estate planning attorney after all.

Christopher J. Berry, Esq., CFP, CELA

Make Your Estate More Valuable

The idea of making an estate more valuable should actually be pretty important to those who don't consider themselves to be "wealthy." With the help of a good estate planning lawyer and Certified Financial Planner like Chris at Castle Wealth Group, you can work toward a more comfortable future, as well as to maximize the assets that you do have. With a retirement plan, life insurance, and other planning tools, things can start to look a lot different than you expected.

Protect Your Privacy (and Your Family's)

When working with an estate planning attorney, you may want to look at the possibility of setting up some sort of trust. Again, these types of legal tools are NOT just for the rich or well-to-do. There are many, many advantages to having a trust, but one of those that resonates with a lot of folks in Livingston County is the fact that assets placed into a trust do not necessarily have to go through the very public probate process. But trusts aren't necessarily for everyone and at Castle Wealth Group we can help you decide if a trust is right for you.

Name Guardians for Your Children

No matter how much money you've got in the bank or elsewhere, if you have minor children, there is no question that you need to hire an estate planning attorney to draw up guardianship and other important documents. If you become incapacitated or pass away without these incredibly important papers legally filed, then you are basically giving the court system carte blanche to determine what happens to your children. They make these decisions based on certain legal precedents, and there is a dangerously high chance that the guardian chosen for your children under 18 will NOT be the person you would have chosen. This should be enough to send pretty much every parent in Livingston County running to a good estate planning attorney!

Do It While You Can

It's not uncommon people to want to put off estate planning until they absolutely have to think about it. The problem that they and their estate planning attorney run into, however, is that you can wait too long. When putting together a will or other estate planning documents, the court needs to be satisfied that you are of sound mind and body. If you've recently found out you're gravely ill or are losing cognitive function, an estate plan can be rendered invalid on those grounds.

The bottom line is that nearly everyone would end up in a better position by working with an estate planning attorney. From professional retirement planning to naming guardians to protecting your own privacy and more, if you haven't yet started the process, now is definitely the time. Give Castle Wealth Group a call.

Join us every Wednesday at 1:00pm where we answer your questions in an informal setting.

Are you unintentionally crippling your child?

We have amazing educators in our county. Recently, I exchanged a series of emails with a local elementary school teacher on the topic of children today. In one of his emails, he said **“parents are afraid to let their kids do things on their own which has crippled them emotionally.”** I wanted to share my response below:

Dear Mr. _____,

I totally agree! It became clear to me a long time ago—We really do not teach karate here.

One of the things I spend a crazy amount of time on is helping “train” young parents. They cannot help it. They just do not know any better. I often try to help them understand how they (using your words) “cripple” their children emotionally by giving them a few examples. I ask—“Do you ever remember your mother setting up ‘play dates’ when you were young?” I also point to the “everyone getting a trophy” and the College Admissions Scandal.

So, what is the solution? I think we have to go back to the root cause of why we are in this mess in the first place. (And I think it is getting worse.) It is because of the “limiting emotional experiences” many children see every day since birth because of “lawnmower” and “snow-plow” parenting. Adding on to this is the more recent isolation, fear and stress of the Covid pandemic. But at this dojo we actually see a group of kids who do not seem to have the same emotional deficiencies and weaknesses—children of very large families! We have had many large Finnish and homeschooled families with five or more kids. Why is it they do not have the same emotional weaknesses? Their children seem to have all the SEL skills and strength in abundance!

So back to the solution. **The premise of our thinking is that we have to “undo” the limiting emotional experiences of children by giving them positive intense emotional counter-experiences.**

I think this is very hard to do just intellectually but easy to do emotionally. I will give you one of many examples of how we are able to do this in our classes at the dojo. I intentionally teach our students (starting in 1st grade) way too much material way too fast so that they cannot possibly learn it. I do this because I want to set up a situation and experience where they struggle and fail all the time, creating an intentional “failure rich” environment. I like to use the saying to our parents “I am not teaching your child to perfection, I am teaching them to fail.” When you get knocked down and get right back up YOU GET STRONGER.

So, the kids who have been with us for a while are very use to this. This is a “normal” emotional state and good stressor at the dojo. They actually get so strong emotionally I have to constantly work hard to come up with innovative ways to make them struggle. I will throw a last minute twist or completely new technique at them just before the test and yell “You have two minutes to figure it out!” One thing I love doing to first time testing students is have their more experienced classmate go first and do something in the test the new students have never been taught before. They suddenly realize on their own they have to learn it on the spot just by listening and observing. You should see the look on their faces when they realize they have to do something they have never learned in mere minutes.

This stress is on purpose. This is the “good” emotional stress they need much more of but their parents are unknowingly shielding and protecting them from. It is amazing to watch kids not only get back up after failing but get back up even more determined and motivated. This develops confidence, courage, independence and resourcefulness. They become unstoppable. The look in their eyes is powerful and awe inspiring.

Sorry this email is getting so long, but we cannot help but get very passionate about this cause.

Yours for stronger kids,
Sensei

Community Council Update

Seeking Memorial Day Parade Grand Marshal nominations

The Hartland Area Community Council is proud to announce the return of the Memorial Day Parade for 2022. It will once again be part of the Annual Memorial Day Commemoration that is back for the 87th year!

Do you know someone that has provided leadership and community service to the Hartland area over the years? Someone who worked or works tirelessly for the community and will not seek recognition for their community contributions? What better way to honor an unsung community leader than to nominate them to be the Memorial Day Parade 2022 Grand Marshal. Past Grand Marshals have been veterans, educators, librarians, church ushers and individuals from the local business community.

To make a nomination, please provide the name and contact information of the person you wish to honor and the reasons you believe that this individual deserves the recognition. You can nominate them at <http://bit.ly/GrandMarshal2022> or mail it to the Hartland Area Community Council, P.O. Box 113, Hartland, MI 48353. Nominations must be received no later than 5 PM on March 23, 2022. The election of the Grand Marshal from your nominations will be conducted at the April 4th, 2022 meeting of the Hartland Area Community Council—which all are welcome to attend at 6:30 PM in the Media Center at Ore Creek Middle School.

Courage can be contagious.

The HERO Teen Center is bustling, preparing for the upcoming Hartland Family Winterfest! Teens are volunteering to help serve food for donations on February 12th. Winterfest will take place Saturday February 12th from noon to 7 PM. As always, Winterfest is fun for the whole family! 100% of the donations teens collect that day will go directly to the Hartland Hero Teen Center.

Pictured bottom left, students and staff work on adding to the Giving Tree. Each leaf represents a generous donation from our sponsors. Donations of \$100 to \$1,000 and more are commemorated on the tree, and each sponsor's name is engraved with the year they made their donation.

There is always something fun going on at the center. One of the highlights this month was getting to know Ruby the German Shepherd, pictured below. Ruby has been stopping by regularly for the past few weeks, and always lights up the room.

The Hartland HERO Teen Center is open every school day from 2 to 6 PM. Teens must have a new 2021-22 school year permission slip on file to attend. Permission slips are available at the Ore Creek and High School offices, at the Teen Center, and on the Teen Center's Facebook page. The HERO Teen Center is FREE to Hartland students in grades 7 through 12.

Hartland Aquatic Center

10635 Dunham Road, Hartland, MI 48353 • www.hartlandschools.us • 810.626.2279

We need lifeguards! We will provide training to anyone over the age of 15 who wants to work with us. We especially would like to recruit senior citizens and those adults who have time during the day. Please contact Jamie at jamiefreese@hartlandschools.us for more information.

The next swim lesson registration date is February 7th. Due to the quirks of the software company we use, the registrations will go live at or around 1 AM that day. Some of our more popular swim lessons fill up quickly, so it is not a bad idea to set your alarm.

Did you know that you must pre-register for lap swimming? New slots open up every second Wednesday at 3 PM. Sign up at <https://signup.com/client/invitation2/secure/217005532811562047/false#/invitation>.

Welcome New Aquatic Center Director Jamie Freese!

Let me introduce myself. I am Jamie Freese, the new Aquatic Director. I am excited to bring my 30 years of aquatic experience as an asset for Hartland Aquatics. I am a Water Safety Instructor and Lifeguard Instructor. I also teach swimming, lifeguarding and CPR-First Aid. In my free time, I enjoy Brazilian Jujitsu, reading and trivia games.

For the latest information, announcements and updates about the pool, please check out our website at www.hartlandschools.us/Community/Aquatic-Center. Or you can find us on Facebook @Hartlandaquatics.

WINTERFEST IS BACK: FEBRUARY 12, 2022

Join us from noon-dusk on February 12th for free family fun!

Ice rink? Check. Sledding Hill? Check. Concessions? Check. Fireworks? Check. A committee of volunteers has been hard at work for months planning the seventh annual FREE premier winter festival, Winterfest. This year's Winterfest will take place Saturday, Feb. 12, at and around Hartland's Heritage Park, located at 12439 Highland Road.

It's the perfect way to spend time with your family while combatting late-winter cabin fever. Any individuals, non-profit groups, or businesses interested in leading an activity, offering a performance, or sponsoring a program should contact Deputy Clerk Karen Vermillion at (810) 869-4877 or DeputyClerk@hartlandtwp.com. A big thank you to all the volunteers and generous sponsors who continue to make this family-friendly day of fun possible!

Find more details about the day on our Facebook page or at <https://www.hartlandtwp.com/community/page/winterfest-2022>
