## Superintendent's Corner

Chuck Hughes, Superintendent

@hartlandschools

This year the district crafted a new Parent Perception Survey. We wanted to assess the state of our schools as we have heard from a few voices that the district is not meeting the needs of the community's parents. I am sharing some of the results below as they pertain to what we have heard.

**Q: Based on your experience with this school, what letter Grade would you give it?**

A: 91% of parents give their school an A or B.

**Q: The school treats my student with respect.**

A: 95% of parents Strongly Agree or Agree.

**Q: The school is an inviting and welcoming place for my student to learn.**

A: 90% of parents Strongly Agree or Agree.

**Q: The school is a safe place for my child.**

A: 87% of parents Strongly Agree or Agree.

**Q: I value my school's effort at teaching my student(s) social-emotional skills.**

A: 91% of JK-4 parents Strongly Agree or Agree, 82% of 5-8 parents Strongly Agree or Agree), and 76% of 9-12 parents Strongly Agree or Agree.

**Q: The school has adults that care about my student.**

A: 92% of parents Strongly Agree or Agree.

**Q: My student has experienced racial/ethnic conflict among students in this school.**

A: 4% of JK-4 parents Strongly Agree or Agree, 9.6% of 5-8 parents Strongly Agree or Agree, and 14.8% of 9-12 parents Strongly Agree or Agree.

Each school will review their individual survey data and develop improvement plans which will be supported by the district. A current district goal is to continue evaluating all policies, procedures, or practices to ensure that every student and adult has an opportunity to fully engage in all that the district has to offer. Policies, procedures and practices cannot be a detriment to the success of children and staff. We will continue to focus on early and consistent intervention where needed. I wish to thank the 1,537 families that responded to the 2021-22 Parent Perception Survey. Your input is invaluable to the continued success of the Hartland Schools.

### Board of Education:

Providing the opportunity for all students to learn each day is a priority for the Board of Education. We are pleased to continue supporting the passion of our educators and support staff in

their work to care for our students. One wonderful tool to support children experiencing, trauma, anxiety, and depression comes in the form of some canine friends. These canine friends' comfort and support students on a regular basis. Pictured below are some of our awesome support dogs.

### March 2022 Person of the Month: Erika Briggs

I earned my bachelor's degree in Special Education—Learning Disabilities from Michigan State University, and my master's degree in Special Education—Autism Spectrum Disorder from Michigan State. I am certified to teach K-12 special education, K-5 elementary, and 6-8 English and History, but my heart is at the high school! This is my eleventh year in Hartland, all of them spent teaching various classes at the high school. I also student taught at Lakes Elementary.

My husband and I have been married for 7 years, with two active little boys and a (hopefully slightly less active) little girl on the way in May. We enjoy spending time with our families and cheering on the Michigan State Spartans in football and basketball.

At the start of my career, I loved coaching the Hartland Middle School volleyball team and hope to be able to return to coaching one day! My most memorable moment was before I got married, friends

at the high school threw me a “wedding shower,” complete with school supply inspired shower games, a cake decorated with our dog's image (they wisely talked me out of that for the actual day), and marriage advice I still follow and laugh about to this day. It was one of the most thoughtful things anyone has ever done for me.

I am still here because of the people! From my special education department co-workers, lunch bunch “friends,” Instructional Consultation Team members across the district, and the rest of the high school staff and students, I have been so blessed to meet so many people that are so much more than just co-workers. I have gained so many relationships that have been a huge source of support for me as I've gone through many of life's stages.

Hartland is one of the most supportive and enjoyable places to work, even during the high-stress times. The community, students, and staff work together to create an environment that encourages individuals to be thoughtful, caring, and ready for whatever adversity is thrown their way.

## Transportation Information for the Upcoming School Year

It's time to start thinking about busing for the new school year. For your convenience, forms are now being accepted to ensure room on every bus to accommodate your transportation needs for the first day of school.

All transportation forms (Alternate Destination, Joint Custody, School of Choice, and Legacy forms) will expire at the end of the 21/22 school year. If new forms are not submitted, in-district students will automatically be assigned to the closest bus stop to their home address, and non-resident students will not receive a bus assignment.

The deadline for submitting forms to the Transportation Office to request a bus assignment other than the home address is June 15, 2022. Late transportation requests will not be considered until after the first 2 weeks of school.

The Transportation and Central Office staff will be available throughout the summer months if you should have any questions or need assistance. Post cards with your student's bus information should arrive a week before the first day of school. If you have any questions feel free to call us at 810-626-2175.

Forms are now available on the district web site.

If you would like more information, please contact Hartland Transportation at 810-626-2175.

Welcome to our new Special Education Teacher, Mr. Lonny Green. Mr. Green joins us from Fenton High School and is a great addition to our team.

Our LINK leaders met to reconnect with their freshman groups and make sure we are all off to a great start to the new semester. They enjoyed some donuts, activities and conversation around their goals and successes.

Mr. Kawa's physics students were in the lab using a spring-loaded launcher to shoot ball bearings up into the air. They used energy concepts to analyze the spring's strength and then used that strength to predict the maximum height for a larger potential energy.

Our Hartland Unified Team is off to a great start this year with lots of teamwork on and off the court. Pictured are some shots from our games with Howell and Brighton.

Congresswoman Elissa Slotkin and her aide Angel Hague visited Mrs. Hasselds classroom on February 1st to present awards to students Elijah Prutow and Eric Fisco for winning the Congressional App Challenge in her district. The two students created an event planning app geared towards high school students.

Mrs. Shipley is making learning fun and collaborative by having her French 2 students give and take directions on a map.

## Hartland SOUP Update

SOUP was happy to return to Hartland Winterfest on February 12th. We had three groups present, Hartland Swim, Young Life Hartland, and Hartland Robotics. The winner of a \$1,000 grant was Hartland Robotics FTC 5290 as they prepare to travel to Houston for the FIRST Tech Challenge World Tournament! Thanks to our matching anonymous donor (that matches what we bring in at the door) the other two groups each received \$250. Thank you to All Saints Lutheran Church for the donation of their space, volunteers and food, plus the Hartland Area Chamber of Commerce for being the salad sponsor, to ensure each \$5 donation for the meal went completely to the SOUP presenters. We would also like to thank The Heartland Foundation for once again providing a \$500 starting grant. Want to apply for the next SOUP at the end of April? Fill out the proposal at: [bit.ly/SOUPproposalApril22](https://bit.ly/SOUPproposalApril22). (Date to be confirmed very soon!) To stay up to date on future events, follow us on Facebook @HartlandSOUP. Creekside has been working hard all year long to establish extra collaborative spaces in our grade level pods. Thanks to our generous families and the fundraising we did last year from the FUN RUN. Here are some of our pod collaborative spaces. The students love the extra space to work in small groups, read independently and create projects.

Kindergarten uses their collaborative pod for small groups and a cozy rug for reading stories to students. They also got many new leveled books for students to shop from.

Second grade has an enormous fun couch for their collaborative learning pod. They also have a great selection of books to shop from.

This is our third grade collaborative learning pod: These amazing tables have dry erase surfaces for problem solving and working on.

First graders are enjoying these soft cushions and kid sized tables to meet in small groups with peers and teachers.

The collaborative space allows students extra books for book shopping.

## Legacy L♥VES Our Students!

Valentine's Day is more than flowers, candy and hearts—it's a day meant for family, too! At Legacy, we are a fabulous family, students, teachers and support staff, who work together to build bright futures. We hope all of our students know how much they are cared about. Legacy students enjoyed ice cream sundaes on this year's cold Valentine's Day!

## Career Path Possibilities

Did you know Alternative Education participates with CTE programs? Fifteen Career and Technical Education (CTE) courses are available to students. These classes not only allow students to explore career paths, but some even help students earn certifications needed for the profession while in high school.

This year two Legacy students are participating in CTE programs. Pictured is Ben Elliott, student of Legacy High School, next to his Agricultural Science advisor Curtis Refior, from Fowlerville High School.

Ben, along with other members from his program, entered the district competition at Mason High School. FFA (Future Farmers of America) is a leadership program to prepare students for careers in agricultural fields. Students compete in public speaking, agricultural issues and demonstration categories at the competition.

Ben spoke to a panel of judges about the agricultural issue of GMOs (genetically modified organisms) and their effect on farming. He scored incredibly well earning a high distinction for his program. Ben's greater goal is to get more students interested in agriculture and participating in the CTE program.

## Dual Enrollment Possibilities

Did you know Alternative Education participates with dual enrollment programs? Dual enrollment allows current high school students to take college-level classes. When the student passes the class, it counts for both high school and college credit.

Dual enrollment classes are available for students pursuing a Bachelor's degree, Associate's degree, or Career and Technical Education certificates. The dual enrollment classes are through local community colleges or universities and online or face-to-face. Qualifying students may choose the university or college where they would like to enroll.

This year seven Alternative Education, Legacy and HVA, students are dual enrolled. Pictured is Paige Amador, student of Legacy High School, who attends Washtenaw Community College.

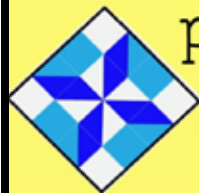

## Community Council Parade Update Seeking Memorial Day Parade Grand Marshal Nominations

The Hartland Area Community Council is busy preparing for Memorial Day 2022! Do you know someone that has provided leadership and community service to the Hartland area over the years? Someone who worked or works tirelessly for the community and will not seek recognition for their community contributions? What better way to honor an unsung

community leader than to nominate them to be the Memorial Day Parade 2022 Grand Marshal. Past Grand Marshals have been veterans, educators, librarians, church ushers and individuals from the local business community.

To make a nomination, please provide the name and contact information of the person you wish to honor and the reasons you believe that this individual deserves the recognition. You can nominate them at [bit.ly/GrandMarshal2022](https://bit.ly/GrandMarshal2022) or mail it to the Hartland Area Community Council, P.O. Box 113, Hartland, MI 48353. Nominations must be received no later than 5 PM on March 23, 2022. If you nominated someone for the 2020 parade, please resubmit the nomination! Join the next Hartland Area Community Council meeting—which all are welcome to attend—on March 7, 2022 at 6:30 PM in the Media Center at Ore Creek Middle School. Finally, forms for Parade Entries, Epley Park Vendors, and Ads for the Memorial Day Booklet are on the HACC website at [hartlandcommunitycouncil.org](https://hartlandcommunitycouncil.org).

## Welcome to Hartland Preschool!

It is not uncommon for parents to be overwhelmed by the choices associated with preschool enrollment. There are many great programs in our area that offer wonderful experiences for their little ones. As a part of the Hartland Consolidated Schools Preschool program, our team works closely with the elementary schools, kindergarten teachers and curriculum coaches in the district to ensure that our curriculum aligns with what our preschoolers will experience in kindergarten. We are also fortunate to have the LESA team to provide extra support for students and teachers. Our preschool program follows a traditional approach that gives the classroom experience in preparation for the kindergarten classroom. Within this framework, our teachers keep the activities at an age appropriate level and keep them moving and interacting to keep the day fun and exciting while they are learning. With 5 teaching teams and 2 locations in our program, we strive to provide schedules to meet the needs of all of our families. Registration for the 2022/2023 school year has already begun and classes are filling fast!

## Childcare Center

### Updates from the Childcare Center

Our child care classrooms are busy having fun! We spent some time decorating our doors for Valentine's day and doing special activities and crafts.

We are feeling lucky this March as we recently received a grant that is helping us to improve our classrooms and provide us with some incredible opportunities to reset and refresh after a tough few years. Check back next month for updates on what we are doing with the funding!

Please give us a call or send an email if you are interested in setting up a tour or getting more information about our programs. [childcarecenter@hartlandschools.us](mailto:childcarecenter@hartlandschools.us) or 810-626-2780.

### We offer before and after care.

We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend Lakes or Farms may enroll at the School Street center or take advantage of the school age program at Lakes School. The School Street Center is open from 6 AM–6 PM. Lakes is open from 6:30 AM–6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the “No School” days or snow days! Our center is almost always open!

Our program is expanding, which means we are hiring! If you are interested in applying, email [childcarecenter@hartlandschools.us](mailto:childcarecenter@hartlandschools.us) or call 810.626.2780.

# Tax Season

## The Best Time to Plan

We know 2022 is off to a chaotic start (thank you, Omicron), and many people who resolved to get their affairs in order might feel like it's too hard or too time-consuming to deal with right now.

If that's you and maybe you're waiting for a better time... or a less stressful time...

... we want you to know that tax season actually is the BEST time to check planning off your "to-do" list once and for all! **Here's why:**

The documents you are pulling together for your accountant are *exactly* what you need to have handy to begin the process of making sure your family and your assets are protected, should something happen to you.

**Essentially, you're already doing the hardest part of getting a proper estate or long-term care plan in place.** It's the perfect time to review your personal situation and goals while you have all of your financials updated and at your fingertips.

**To make the process even simpler, call our office 844.885.4200 and we will email our estate planning checklist.** This document will help you laser focus on the areas of your financial or legal life that may need some extra attention so you can quickly take action.

**Finally, to ensure that there are ZERO barriers between you and getting the help you need,** we're waiving our initial consultation fee during the month of March (\$450 value).

It all starts with a 15 Minute phone call to see how we can help you. You can use this time to talk to us about any concerns that may have come up after completing the checklist, and we'll work together to develop a plan that protects your family and assets, no matter what happens. Castle Wealth Group can help you with your Taxes, and Financial Planning as well as Estate Planning and Elder Law. **In fact, the first 5 people who call in and mention The Hartland Community News, we'll do your taxes for \$99!!**

The process couldn't be easier! Start with the checklist and then call us to schedule your free initial meeting. You'll experience a sense of peace of mind and accomplishment that you didn't know you were missing!

Join us every Wednesday at 1:00pm where we answer your questions in an informal setting.  
Register at: [www.wisdomwebinar.com](http://www.wisdomwebinar.com)

# Can You Find Your Child in this Checklist?

- ☑ Rita, age 11, used to be confident...ready to take on the world. But after starting middle school, she seems like a different person—hesitant and unsure of herself.
- ☑ Ryan's mom, Becky, worries because Ryan is so easily wounded. Things said to him by the other kids at school hurt his feelings so easily. Ryan's hypersensitivity is a constant source of stress for Becky.
- ☑ The peace of the household is frequently disturbed. Everything is a battle: getting ready for school; dinner time; homework; even things that used to be enjoyable family activities are now potential battles. Screaming matches occur on a regular basis.
- ☑ Paula is so concerned about being popular. Her parents, Mr. and Mrs. Wilson, worry that this will make her an easy target for negative peer pressure.
- ☑ Tyler, age 4, does great when he gets it right the first time when learning something new. When he doesn't get it on the first try, though, he becomes totally frustrated and says "I'll never be able to do it!"
- ☑ Mr. and Mrs. Hall are frustrated at the level of disrespect demonstrated by their children. The kids never used to talk like this before! The Halls think, "If I had talked like that when I was a kid, I would have gotten clobbered!"
- ☑ Suzanne is constantly down on herself, often saying, "I'm not as pretty as Elizabeth," or "I'll never be popular like Marta".
- ☑ Scott used to be a nice, kind child. Lately, though, he has become increasingly aggressive. His parents, Vern and Becky, are concerned. They've already had two calls from the school about Scott's bullying of younger children.
- ☑ The teachers say that Charlie can't focus in school, and might need to be medicated. Nicole and Bryan, his parents, hate that idea. They feel that Charlie just needs to learn listening and focus skills. They are frustrated. How can they build the skills Charlie really needs?

If you've "found" your child on the checklist (and most people do!), read on. You just might find the big BREAKTHROUGH you've been seeking for your child!

Dear Fellow Parents,

You're probably thinking "come on...how can punching and kicking improve my child's self confidence, focus and self control?" Well, I'm here to tell you, in many more ways than you can begin to imagine.

I am Sam Larioza, a resident of Fowlerville and father of two wonderful kids. I've spent much of my life teaching and mentoring young people. I've worked with thousands of kids (just like yours!) over the last 25 years.

So, back to the question "How can karate do all this?"

Look at it this way. Your child's first and biggest challenge comes not from "fighting for his rights on the street", or "beating up the neighborhood bully." It comes, instead, from battling more sinister forces. Your child's own fears and self doubts! "I'm not as smart as John." "I'm just not good at math." "I wish I was as (strong, pretty, popular) as Sally." "Why does Jim keep picking on me?"

Well here is the secret: Karate is less about your child learning to fight others, and more about fighting...himself. His innermost fears and self doubts. Conquer them, and your child unleashes within himself a powerful, unstoppable force. A force that gives him the strength to kick down the doors of his own self doubts, a force that opens your child to the exalting power of values and the ability to reach his full potential.

## Friends of Cromaine

It would be a truly wonderful world, if everything went exactly as planned. However, things never seem to go as we hope.

The "Friends" were truly disappointed at the cancellation of our January book and bake sale because of Covid. We know it was the right thing to do, and we are now pursuing other avenues.

We are very excited about our "BookNook." It changes and becomes more special every day. Do stop by with your family and check us out.

We have some special events up our sleeves, so stay tuned! If you're not already a Member of the "Friends," please think about joining us. We will welcome you with open arms, and it would be a gift to the Community. Check for details at the "Circulation Desk."

We celebrated Valentine's Day early here at the Teen Center! Teens and directors also took time this month to prepare for Winterfest by dipping pretzels and marshmallows in chocolate, and baking cookies for the bake sale. We are grateful for all of our donations this month. We especially had fun with the karaoke machine! It is always a good time at the Teen Center, but pizza Friday's and holiday parties remain our most popular days.

We would like to thank Pastor Russ Greer from Hartland Community Chapel, Bigby Coffee, The Majestic, Mackles, Tony Sacco's, Clyde Mobil, Culvers and Beauchamp water as well as the HERO board who all donated the food and drinks that teens served for donations (to benefit the teen center) at Hartland Family Winterfest.

Valentine's Day fun at HERO!

We made over \$1500 in donations at Winterfest, including the bake sale items donated from parents.

The Hartland HERO Teen Center is open every school day from 2 to 6 PM. Teens must have a new 2021-22 school year permission slip on file to attend. Permission slips are available at the Ore Creek and High School offices, at the Teen Center, and on the Teen Center's Facebook page. The HERO Teen Center is FREE to Hartland students in grades 7 through 12.
