 @hartlandschools

Wow, October already? The year is off to a challenging start. What keeps me positive and coming to work every day is visiting our school buildings and seeing how happy our children are to be present. While I work to understand individual perspectives on the issues of today, I cannot help but be concerned with the divisions I am seeing among wonderful people. To be honest, I worry about how a country can remain strong with such division. I wonder what happened to doing things that are for the good of the whole and coming together to do so. I am not taking sides on any one view, I am just pointing out that as a community, we must work to find a way to have civil and respectful debate because our children (our future) are watching. This division and disrespect for each other over alternative views carry into the school buildings and classrooms. The question we all must ask ourselves is, do we want to continue to create an atmosphere of division or do we want to live in a country, state, and community that embraces every human being and the contributions we each make to sustaining a united/unified approach. I am hopeful that our children understand the significance of the Pledge of Allegiance and Star-Spangled Banner. These are cornerstones to our beloved United States of America.

I am pleased to share with the Board of Education that our students rose to the occasion at the end of a difficult 2020-21 school year. They participated in and demonstrated their learning by performing well on the state assessments given in the Spring of 2021. Congratulations to our students, parents, staff, and community.

The Pledge of Allegiance

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, **one nation** under God, **indivisible**, with liberty and justice for all."

The Star Spangled Banner

Oh, say can you see,
By the dawn's early light,
What so proudly we hailed,
At the twilight's last gleaming.

Whose broad stripes and bright stars,
Through the perilous fight,
O'er the ramparts we watched,
Were so gallantly streaming.

And the rocket's red glare,
The bombs bursting in air,
Gave proof through the night,
That our flag was still there.

Oh say does that
Star spangled banner yet wave,
O'er the land of the free,
And the home of the brave.

Board of Education Updates

We are pleased to announce that our efforts to keep school in session last year has shown positive results. Our students (93% of all eligible standardized test takers) outperformed state and county averages across the board. While we anticipated that the percentages of proficiency would drop, and they did, we are pleased with the fact that our children demonstrated their growth as they did. We want to thank our students, parents, community, and staff for embracing the challenges and ensuring that students were always put first. As a community we must continue to work through our differences for the education of our children.

October 2021 Person of the Month: Annette Macfarlane

My career at Hartland Schools began as a long-term sub for Kim Komar's 7th grade Science class in 2007. I was hired the following fall in 2008, where I spent ten years teaching 8th grade math and algebra. I am currently in my 14th year of teaching for Hartland Schools and have been fortunate enough to spend the last three years as the Math Instructional Coach.

In fifth grade, I had a teacher named DeAnn Urso who inspired me to become a teacher. She put in extra effort to make sure I felt appreciated by making a personal connection and setting high expectations. She created a safe school environment where I could grow. After that, I knew I wanted to provide the same experience for others in the future.

Continued from cover

I attended Western Michigan University where I received my Bachelor of Science in Elementary Education with a secondary focus on math and science. Later, I attended Madonna University where I received my Master's in teaching Autism Spectrum Disorder to ensure I was meeting the needs of all students.

I live with my family in Milford. My husband, Kyle, and I have two kids, James (9) and Noelle (5). Both of my children began their education by attending Hartland Schools 3 and 4-year-old preschool programs. Hartland Preschool provided my children with a solid foundation to begin their elementary education. We also have two dogs. Lucy is a German Shorthair/Irish Setter that we adopted 11 years ago after a Hartland staff member sent an email looking to find homes for her puppies. Our most recent addition is Gracie, a Potcake who came from Turks and Caicos. She was rescued from a dumpster by Potcake Place Rescue, where Kyle and I later met her on vacation. She was later transported by a private courier to New York where we drove to pick her up. I'm grateful to have a full house and there is rarely a lack of excitement.

My most memorable moments are when students come back to visit me. I've always believed that each day is a new day, and to never hold on to mistakes. Every day was a fresh start for my students, and I never gave up on them. Because of this, I've made some great connections with students. The best experience was when a student came back and said that he never really liked math until my class and because of that he was now in school to become an aerospace engineer. You just never know when the right connection can completely change someone's life.

My first year of teaching was at a charter school and I barely made it through the year. Afterward, I believed the teaching field was not for me. However, the following fall, I was asked to fill in for a long-term sub position at the middle school and fell in love with teaching again. I found that it wasn't the teaching field that was not right for me, but that I needed to find the right district. As soon as you start working at Hartland Schools you become part of a family, and I couldn't imagine another district treating me so well.

I truly believe that Hartland Schools provides our staff and students with a safe learning environment where growth and learning are endless. I am thankful for the opportunity to work for Hartland Schools.

Our Varsity Football Team is off to a great start with wins against Livonia Franklin and Novi. Be sure to come out and support our Eagles as they look to continue their success this season.

The school spirit and enthusiasm shown by our students this school year has been outstanding. Pictured are students at our Red, White, and Blue and Gold Out games.

It is great to have our students back in the building after summer break, and our teachers have met them with the same energy and enthusiasm by engaging them in hands-on activities and inquiry based lessons. Pictured are a few examples of students engaged in their learning, including science data discussions with Mrs. Dana, Mrs. Gazda's seniors using LEGOs in ELA to think about sentence and essay construction, and ceramic techniques with Mrs. Porter.

8th Grade Science students are excited to design and run their own original experiments. This approach helps students learn how to problem solve in real world situations and prepares them for challenges in the work world.

Eagle Time! HMS students are learning how to use a planner to organize and best use their time during our extended homeroom time we call Eagle Time. Eagle Time provided students with time to read, catch up on homework, and learn about important organizational skills necessary to be a successful student. Once a week we also teach an SEL (social emotional learning) lesson during this time.

Hartland instructional coaches Colin Castello and Sarah Demgen spent time training our teachers on effective small group instruction before the start of school. Instructional coaches are an important part of ensuring our teachers are using the best high leverage instructional practices as they work with our students.

Student employees gain hands-on experience on how to run a branch and they perform duties of the various positions available at a financial institution. They are also taught real-life work skills.

Not only does this program teach valuable skills to students working the credit union, this also gives all students real-life lessons in savings and finance. All students, staff, and parents at Lakes are eligible to open an LOC account through the student-run credit union.

The Lakes Student Run Credit Union will be starting in late September and operates under the direction of Stephanie Cole, Youth & Community Development Coordinator at LOC. More details and information will be out at that time.

Village Elementary First Annual Trunk-or-Treat

The Village Elementary PTO is proud to present its first ever Trunk-or-Treat and Halloween dance. This outdoor evening event will take place on October 21st from 6-8 PM. Below, you will find a Google Form that you can fill out to reserve your spot in our parking lot where you will decorate your trunk.

Parents will gain access to the parking lot to set up their “trunks” beginning at 4:30. At 5:45, both parking lot entrances to Village will be closed and coned off. If your trunk is available for treating, we ask that you bring your own candy to pass out. If you run out of candy, we ask that you close your trunk. There may be an opportunity to get additional candy depending on whether or not we have donations. You will not be able to leave the event until the gates are opened. If you are interested in donating candy for the event, please drop it off at the main office.

Individuals that are attending the event will park at Creekside

Elementary and walk through the “backyard” along our candle-lit path to the trunk-or-treat area. Students will enter the playground and be immediately excited to find a DJ, glow sticks, and fun under the pavilion. They can then walk around the front of the building and find all the cars ready and waiting for trick or treaters.

Things you may want to bring to the event:

- Money for food trucks on site to purchase goodies (more information to come).
- Blankets or Camp Chairs to enjoy yourself while your kiddos play and dance.
- A wagon or large bag to store the candy while the fun continues.

We are so excited to bring this RAIN OR SHINE event to our Village community.

Our Kinder students are off to a great start. Students are learning procedures, names, locations around the building and what it means to be a Villager. Our Kinder students are already starting to identify feelings and write letters. It is always amazing to watch their growth throughout the year. The students have already started to complete their Early Literacy Benchmark assessments on our Chromebooks. I am sure you have seen many changes and growth already at home. Make sure your kiddo gets healthy foods and lots of rest as their brain is growing and expanding each day.

Small School Feel Big District Opportunities

COMMUNITY MATTERS: Legacy High School is located in the Hartland Educational Support Services Center. The central hub of our school district, the HESSC Building, is also home to many essential community connections like the Hartland Chamber of Commerce, Hartland Senior Center and Washtenaw Community College. Legacy students capitalize on being in the ♥ of Hartland by networking, volunteering and interning with the amazing opportunities these 17+ organizations provide all while benefiting from the individualization and connectedness that a small population can provide.

Looking for a best fit? Legacy opens our doors and students and staff open their hearts to all those who want connected school experiences and academic success!

#HartlandStrong

Legacy students greet one another and staff at the opening day festivities!

What Does LEGACY/HVA Have To Offer?

HCS is the ONLY public school district, in Livingston County, that offers both a physical location, brick and mortar school, as well as an online academy within its alternative education umbrella. Both schools, LEGACY High School and Hartland Virtual Academy are part of the “best fit” learning options for students and part of Hartland’s heritage of academic excellence!

The reasons for seeking non-traditional paths are as unique and varied as the students enrolled on the campuses. From a desire to advance through classes to personal difficulties that make traditional high school seem overwhelming, HCS Alternative Education has helped hundreds of students find success. Whether it is the lure of autonomy, flexibility for personal interests, or desire for a smaller learning community, LEGACY or HVA could be your best fit as well.

Welcome to Hartland Preschool!

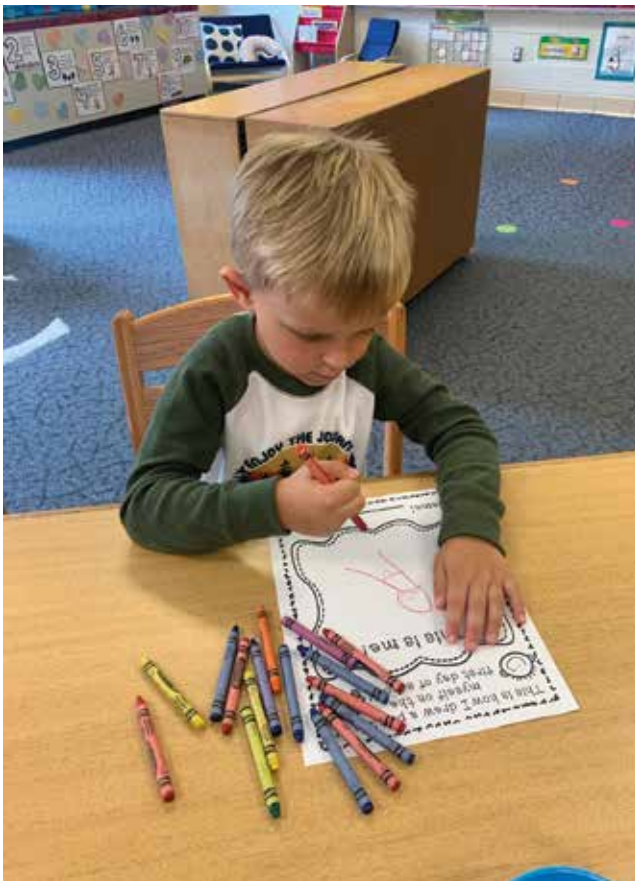

Our preschool classrooms welcomed all of our 3 and 4 year old preschoolers for their first days of school during September! There were lots of smiles, new routines to learn, new friends to be made and so much more!

Our preschool program focuses on social emotional development throughout the learning day, as well as preparing for kindergarten and beyond with a focus on letters, numbers and shapes. All of these skills look different at the preschool level

as our little ones learn not only with traditional learning activities but also through sensory, dramatic play and exploring their environment with their friends. Through all of these activities, our preschoolers are beginning to learn how to problem-solve and experience the world around them to continue their learning and development.

We are excited to see where this school year takes us!

We had such a great summer, enjoying many special events, ice cream days and special guests but we are ready for pumpkins, falling leaves and cooler mornings!

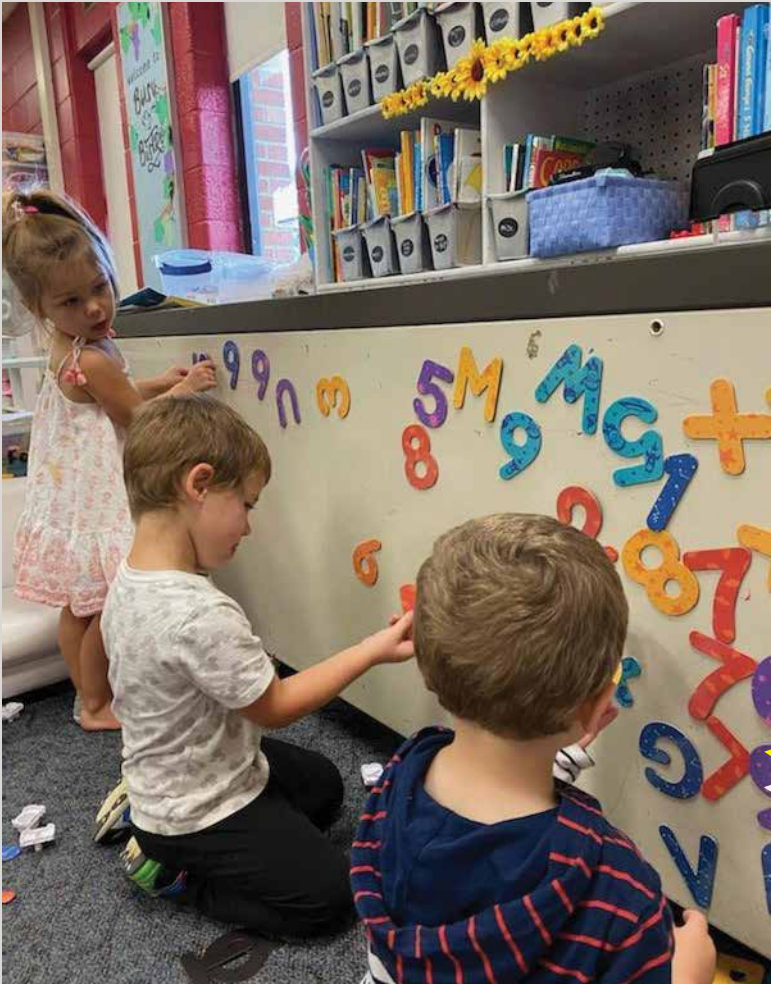

We have limited openings but we would love for your family to join us if we have availability depending on your child's age. We serve children ages 6 weeks to 12 years old through our child care, preschool, latchkey and summer camp programs. We are open year round from 6 AM to 6 PM, Monday-Friday. Our programs are filled with daily lessons, fun interaction and active play and learning.

We offer part time and full time care. Full time families do receive a discount for multiple children.

Please give us a call or send an email if you are interested in setting up a tour or getting more information about our programs. childcarecenter@hartlandschools.us or 810-626-2780.

We offer before and after care.

We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. Lakes is open from 6:30 AM–6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the “No School” days or snow days! Our center is almost always open!

Can You Find Your Child in this Checklist?

- ☒ Rita, age 11, used to be confident...ready to take on the world. But after starting middle school, she seems like a different person—hesitant and unsure of herself.
- ☒ Ryan's mom, Becky, worries because Ryan is so easily wounded. Things said to him by the other kids at school hurt his feelings so easily. Ryan's hypersensitivity is a constant source of stress for Becky.
- ☒ The peace of the household is frequently disturbed. Everything is a battle: getting ready for school; dinner time; homework; even things that used to be enjoyable family activities are now potential battles. Screaming matches occur on a regular basis.
- ☒ Paula is so concerned about being popular. Her parents, Mr. and Mrs. Wilson, worry that this will make her an easy target for negative peer pressure.
- ☒ Tyler, age 4, does great when he gets it right the first time when learning something new. When he doesn't get it on the first try, though, he becomes totally frustrated and says "I'll never be able to do it!"
- ☒ Mr. and Mrs. Hall are frustrated at the level of disrespect demonstrated by their children. The kids never used to talk like this before! The Halls think, "If I had talked like that when I was a kid, I would have gotten clobbered!"
- ☒ Suzanne is constantly down on herself, often saying, "I'm not as pretty as Elizabeth," or "I'll never be popular like Marta".
- ☒ Scott used to be a nice, kind child. Lately, though, he has become increasingly aggressive. His parents, Vern and Becky, are concerned. They've already had two calls from the school about Scott's bullying of younger children.
- ☒ The teachers say that Charlie can't focus in school, and might need to be medicated. Nicole and Bryan, his parents, hate that idea. They feel that Charlie just needs to learn listening and focus skills. They are frustrated. How can they build the skills Charlie really needs?

If you've "found" your child on the checklist (and most people do!), read on. You just might find the big BREAKTHROUGH you've been seeking for your child!

Dear Fellow Parents,

You're probably thinking "come on...how can punching and kicking improve my child's self confidence, focus and self control?" Well, I'm here to tell you, in many more ways than you can begin to imagine.

I am Sam Larioza, a resident of Fowlerville and father of two wonderful kids. I've spent much of my life teaching and mentoring young people. I've worked with thousands of kids (just like yours!) over the last 25 years.

So, back to the question "How can karate do all this?"

Look at it this way. Your child's first and biggest challenge comes not from "fighting for his rights on the street", or "beating up the neighborhood bully." It comes, instead, from battling more sinister forces. Your child's own fears and self doubts! "I'm not as smart as John." "I'm just not good at math." "I wish I was as (strong, pretty, popular) as Sally." "Why does Jim keep picking on me?"

Well here is the secret: Karate is less about your child learning to fight others, and more about fighting...himself. His innermost fears and self doubts. Conquer them, and your child unleashes within himself a powerful, unstoppable force. A force that gives him the strength to kick down the doors of his own self doubts, a force that opens your child to the exalting power of values and the ability to reach his full potential.

For more information go to www.ohanakarate.com or just give me a call at (517) 586-1001.

Yours for Rock Solid Kids,
Sensei Sam Larioza

We are off to a great start to the school year and have been averaging about 40 teens a day! On the last home football game day we had 52 teens at the Teen Center! While the teens this year are awesome—helpful, respectful, and fun to be around—with so many we can use a little help with food. Please consider donating a Meijer gift card to help us make sure all the teens are well fed! As always, thank you to Pastor Russ Greer and the Hartland Community Chapel for your generous support by donating monthly Meijer gift cards to be used for food.

Remember that the HERO Hartland Teen Center is a free, safe

place for Hartland Middle School and high school students to be. We are open every school day after school until 6 PM. We provide free food, but donations are always welcome. Please make sure you and your teen complete an enrollment form so we have all emergency information in place. HERO Hartland Teen Center enrollment forms are available at the middle school office, the Teen Center and on our Facebook page. We follow the same COVID-19 safety measures that are in place with Hartland Consolidated Schools. Message us through our Facebook page <https://www.facebook.com/NextDoorHartland-TeenCenter> with any questions.

Congratulations Danny!

Thank you and congratulations to Teen Center director Danny Livingway! He has accepted a new position that will help him better support his young family. Danny has helped to make the Teen Center fun and full of positive energy. He relates so well with the teens (he is pretty much a 12-year-old at heart!) and we will miss him as he moves into his new job.

Teen Center director Dalia Martinez smiles as Elizabeth cuts her birthday cake to share with everyone.

Dalia and Ella watch from the background as Dawson, Sawyer, Abby, Luke, Sawyer (yes another one!) and Chase play Xbox.

Newer Teen Center director, Judge, plays the card game Magic with Dean.

Teen Center volunteer and HERO Board member Lori Clarke shows Elizabeth how to throw a clay pot. Lori regularly donates food, supplies and her time and knowledge to our teens. We cannot thank her enough for everything she does!

It's time for a **NEWyou.**

Volunteers needed for Christmas wreaths

The Hartland Area Community Council is seeking volunteers to place Christmas wreaths and flags on all 145 veteran grave sites in Hartland Cemetery on the Saturday after Thanksgiving (November 27th). Volunteers are also needed to place wreaths at the gates at the other Hartland area cemeteries that day.

We are looking for volunteers to remove the wreaths from both cemeteries on January 9th, 2022 as well.

It’s never too early to save for college.
