### Good News! The Hartland Consolidated School District Continues to Earn High Rankings:

The data to the right supports what I continuously report regarding HCS being a top-rated school district in the State of Michigan. If you include the Michigan Department of Education's 2021-22 outstanding Report Card results and Reward School status, it becomes clear that the district is a top performer.

Congratulations staff and students as your effort to achieve success if paying off! Thank you, parents and community members, for your continued support of all the fantastic learning going on in the district.

### An Independent Audit of School Safety in the School District Earns Glowing Remarks:

The district hired an independent school safety assessment firm called Secure Education Consultants (SEC) to determine how we are doing with securing our learning environments and where we can get better. The summary of this audit was extremely favorable to the district's efforts over the past few years, see below:

*SEC believes that Hartland Consolidated Schools has done a remarkable job in developing and executing extremely comprehensive safety and security plans, and it currently provides very safe and secure environments for its staff and students. It was obvious to SEC that there has been a significant amount of thought and effort put in to successfully integrating sound physical design features with comprehensive policies and procedures. It was evident during the site visits, HCS has developed a strong and productive working relationship with its local police partners that has enhanced the ability to prevent or respond to emergency situations. SEC commends Hartland Consolidated Schools on its strategy to enhance existing physical security measures and to expand on both safety and security related equipment and emergency protocol training regimens. SEC appreciates the opportunity to work with the Hartland Consolidated Schools and hopes the recommendations found within this document contribute to these schools' safety and security initiatives.*

## HCS Continues to Earn High Rankings

### Latest [www.Schooldigger.com](http://www.Schooldigger.com)\* ranking:

For the 2021-22 school year, HCS was ranked 54th out of 544 ranked districts, or in the top 10%.

### How does this compare to [www.Niche.com](http://www.Niche.com) in their latest rankings?

For the 2022-23 school year, HCS was ranked 46th out of 557 ranked districts, or in the top 8% and assigned an "A" grade.

## Board of Education Happenings

Back row, left to right: Greg Keller, Chris Costa and Glenn Gogoleski. Front row, left to right: Meghan Glabach, Kristin Coleman, Cindy Shaw and Michelle Blondeel.

Mark your calendar to vote May 2, 2023 on the Non-Homestead Millage Renewal! On May 2, 2023, voters in the Hartland Consolidated School District will be asked to vote on a proposal to renew and restore the 18-mill non-homestead tax levy. There will be no increase or decrease in your primary residence property taxes related to this millage. However, every property owner is encouraged to vote.

The district receives approximately \$5.5 million dollars from the non-homestead millage to support operations including instructional resources, classroom supplies, and teachers. Should the millage not pass, the State will not reimburse the district and those dollars will be lost, which will have a detrimental effect on our operating budget.

The non-homestead tax does not apply to principal residences and other property exempted by law. Non-homestead property refers to industrial, commercial, rental and vacation property. It does not include a family's primary residence.

For more information, please see the center section of this publication or visit our website [www.hartlandschools.us](http://www.hartlandschools.us).

Board of Education meetings are recorded for the community to access. The recordings can be found on the district website in the Board of Education tab or at <https://www.hartlandschools.us/Board-of-Education/Meeting-Information/index.html>.

## April 2023 Person of the Month: Deb Whitson

As a parent, my children have been with Hartland Schools for almost twenty years. My husband would say that I have "worked/volunteered" for that long!

I have a Master of Education from Oakland University. Officially, I have worked for the district for five years. First, as a

Media Para at Round and Village Elementaries. Then I was blessed to work as a full-time, independence facilitator (para) in the ERP classrooms at Village and Creekside. Those kiddos have a special place in my heart! I was then hired as a secretary at Lakes Elementary in 2019. I have found my home at Lakes, working with Tony Howerton, Tami Tracht and the

amazing staff, students and families there. I couldn't ask for a better place to work!

I am married to my amazing husband, Bob. Together, we have three children that have all attended Hartland schools. We moved here in 2006, when our oldest, Josh, started at Hartland Middle School. He graduated in 2011 and went on to MSU for his undergrad program in theater. He is now at Wayne State's School of Law on a full scholarship and is happily married to his husband, Jason. My daughter, Ella, is a freshman at Hartland High School. She is a swimmer, a softball player and attended the State DECA Conference this year. Our youngest, Alex, is on Hartland's Archery Team and plays softball with the Eagles Fastpitch 13U team. We are very proud parents and love spending time watching our kids at the pool, the ball fields and archery meets!

There are so many memorable moments that I could mention, but my favorites are working individually with students in our district. Picking out favorite books with students at Round, doing art projects and attending music class with students at Village, playing with scooters in the gym at Creekside, comforting students who are hurt at Lakes (ice and Band-Aids are magic); these are my favorites! We have amazing kids here in Hartland and they are all such a joy to me.

While we've all struggled to overcome the challenges Covid brought in the past few years, I am so glad to have had the support of the schools and the community here. There is something really special about the administration and staff at Hartland Schools. I've worked at every elementary school in the district. My kids have attended Round Elementary, Farms Intermediate, Hartland Middle and Hartland High School. In every school that we have attended or worked at, our family has found the most kind, dedicated, professional and heartfelt staff. They have fully supported my kids through ALL of their ups and downs—celebrating their accomplishments and supporting their struggles. Every step of the way, I have loved working for Hartland Schools. We are so proud to be Eagles and to call Hartland our home!

I look forward to watching our district learn and grow while supporting students as we always have and will continue to do. I hope that we can all support our students and our hard-working staff in every way possible—working together. That has always been the Hartland way.

## Transportation Information for the 2023–2024 School Year

It's time to start thinking about busing for the new school year. For your convenience, forms are now being accepted to ensure room on every bus to accommodate your transportation needs for the first day of school.

All transportation forms (Alternate Destination, Joint Custody, and School of Choice forms) will expire at the end of the 22/23 school year. If new forms are not submitted, in-district students will automatically be assigned to the closest bus stop to their home address, and non-resident students will not receive a bus assignment.

The deadline for submitting forms to the Transportation Office to request a bus assignment other than the home address is June 15, 2023. Late transportation requests will not be considered until after the first 2 weeks of school.

The Transportation and Central Office staff will be available throughout the summer months if you should have any questions or need assistance. Post cards with your student's bus information should arrive a week before the first day of school. If you have any questions feel free to call us at 810-626-2175.

Forms are now available on the district web site.

If you have questions or concerns, call Hartland Transportation at 810-626-2175.

## **Hartland Consolidated Schools Non-Homestead Millage Renewal and Restoration Proposal Vote on Tuesday, May 2nd, 2023**

**On Tuesday, May 2nd, 2023, voters in the Hartland Consolidated School District will be asked to renew and restore the full 18 mills on non-homestead properties for the school's operating budget through 2028. This millage has been in existence since Proposal A went into effect in 1994 and was last approved by voters in 2018. For residential homestead property owners, this millage will cost you nothing other than your time to vote.**

### **Important Facts:**

- ➔ **This proposal has no impact on residential or most agricultural property**
- ➔ **This is a renewal and restoration of the current 18 mills that voters last approved in May 2018**
- ➔ **This is NOT a new tax. It is an existing levy on commercial, business, and rental properties within our district.**
- ➔ **Generates approximately \$5.5M annually for district operations**
- ➔ **Funds cannot be replaced by other sources**

### **What the ballot language will look like:**

"Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Hartland Consolidated Schools, Livingston County, Michigan, be renewed by 17.8939 mills (\$17.8939 on each \$1,000 of taxable valuation) for a period of 5 years, 2024 to 2028, inclusive, and also be increased by .1061 mill (\$0.1061 on each \$1,000 of taxable valuation) for a period of 6 years, 2023 to 2028, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2024 is approximately \$5,529,032 (this is a renewal of millage that will expire with the 2023 levy and a restoration of millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?"

**Remember to Vote on May 2nd, 2023!**

## Questions and Answers

### What is Non-Homestead property?

Non-homestead property refers to commercial, industrial, rental and vacation property. It does not include a family's primary residence.

### Is this a new tax?

**NO!** This levy has been in place since 1995. This is a renewal and restoration of the 18 mills last approved by voters back in May 2018.

### Will my residential school taxes increase?

If the only property you own in the Hartland Consolidated School District is your primary residence, **this millage will not cost you anything.** The tax is levied on non-homestead properties only.

### Where can I vote?

In general, residents of the Hartland Consolidated Schools district will vote in the same location for the school election as when voting in a general election. If you are unsure of your voting location or have questions about absentee voting, please contact your township clerk, or visit the Michigan Voter Information Center at <https://mVIC.sos.state.mi.us/>.

### What happens if the millage doesn't pass?

The 18 mills assessed on non-homestead properties amounts to approximately \$5.5 million annually to support operations including instructional resources, classroom supplies, and teachers. This funding is essential to maintaining the current programs offered by the district. **Should the millage not be approved, the district cannot replace this funding with any other source, and those revenues would be lost. Hartland Consolidated Schools would be required to reduce or cut programs to offset the loss.**

### Why does the ballot language mention an increase?

The Michigan Constitution requires that millage rates be "rolled back" if taxable values increase more than the rate of inflation. As a result of this roll-back provision, the district is currently only able to levy 17.8939 mills instead of the full 18 mills. The ballot is asking voters to renew the 17.8939 mills, and increase the .1061 mills in order to restore the millage rate back to the full 18 mills beginning with the 2023 levy.

### We would like to hear from you...

If you have any additional questions about the non-homestead millage renewal election, please contact Chuck Hughes, Superintendent or Rachel Bois, Chief Financial Officer at 810-626-2100. # Welcome to Hartland Preschool!

Preschool teachers and families enjoyed a special VIP night event. Students came to class in the evening with their special person. Together they explored our classrooms and worked on craft projects. It is such a wonderful experience for young students to share the excitement of their classroom with their special adult!

The next word in our preschool terminology series is “brain break.” Preschoolers’ bodies aren’t meant to sit still for too long. Their bodies need to move so that they

can explore new things, try new movements and skills and help their brain develop in a positive way. Our preschool classes take “brain breaks” where we incorporate movement and music into our day. This is usually done through preschool centered videos on the interactive whiteboard to follow a dance to a song or try a new kid yoga move. It’s simply a way to give our brains some movement to help have a successful learning experience.

### Updates from the Childcare Center

As the snow slowly comes to an end and we look forward to warmer days, students have been busy with so many fun events. Adopt a pet day was so much fun! Students picked out a new animal, named it, chose a blanket for their pet and some even made them a collar. Learning how to care for a pet is such a fun experience for students. We also celebrated March is reading month with a book fair, special guest readers and Dr. Seuss's birthday.

### We offer before and after care.

Please contact us if you are interested in setting up a tour or getting more information about our programs. We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the Lakes or Farms may enroll at the School Street center or take advantage of the school-age program at Lakes School. The School Street Center is open from 6 AM–6 PM. Lakes location is open from 6:30 AM–6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the “No School” days or snow days! Our center is almost always open!

# Your Hartland Estate Planning Lawyer: When Should You Make an Estate Plan?

Determining the right time to make an estate plan is a serious task. When you visit Chris at Castle Wealth group, there are some factors he will look at, such as your current family, medical, and financial situation, to see what kind of estate plan will fit you the best. Here are some of the ways these factors can impact the estate planning process:

Christopher J. Berry, Esq., CFP, CELA

## 1. Family Situation

Your current family situation can make a huge impact on your estate planning decisions. For example, your marital status needs to come into account when considering who you name as agents and executors on your Power of Attorney, Living Will, and Last Will and Testament. In addition, whether or not you have underage children or other relatives may affect how you plan out beneficiaries and distributions. At Castle Wealth Group, we look at your family situation and help you determine who would serve best as your agents in case of incapacitation and the most efficient way your assets can be distributed to your beneficiaries according to your wishes.

## 2. Medical Situation

When making your estate plan, your current medical situation must come into account. If you are facing a medical crisis at the time that will make it difficult to handle your affairs, you will want to have your documents drawn up in such a way that allows your agents to make difficult decisions as easily as possible. Make sure you discuss your medical situation with us so all of your options can be considered and the best possible decisions can be made.

## 3. Financial Situation

Finances always play a key role in determining how to shape your estate plan. For example, many people think estate plans are reserved only for the super rich; however, if own your own home in addition to having other financial assets, you'll want to have a responsible way to pass those things down to loved ones. You will also want to keep track of how your bank accounts are set up, especially in terms of joint ownership and beneficiary designations.

Making an estate plan is a large step for anyone, but it is important to know that you will be protected no matter what happens. If you have questions about how an estate plan will impact your current situation, please contact our office to set up a consultation with Chris today.

Join us every Wednesday at 1:00pm where we answer your questions in an informal setting.

## Teen Center News

Some favorite things to do at the Teen Center lately: Perler fuse beads, making hats out of yarn, and birthday cake. At the HERO Hartland Teen Center, teens can look forward to sharing birthday cakes, playing games together, listening to music, playing music together, doing crafts, and most of all building relationships. Plans are underway for 8 weeks of summer programming that will include more of these activities, as well as scheduled field trips. As always, all activities are free, and the only requirement is an up to date permission slip. For more information about summer programs, please e-mail Lori Clarke at [loric@atsedu.net](mailto:loric@atsedu.net).

**Friends of Cromaine**

As most of you know, the Friends of Cromaine donate all funds derived from events such as book and pie sales to the library staff to enhance and develop new programs for our library. The staff presents the Friends with a wish list.

This year the Friends will donate \$13,850 to items from the wish list. These donations are made possible because patrons have continued to support our various efforts. \$3,500 will be donated to purchase new youth tables. Tables currently in use have been recycled from the Crossroads branch and are 20 years old. They are falling apart and are not the appropriate size for young children. The newly requested tables have rounded edges for safety and can be raised or lowered depending on the persons height.

This is just the beginning. I will continue to keep you posted.  
Thank you from the Friends. Know that you are helping to make the Cromaine Library a very special place.
