## Superintendent's Corner

Chuck Hughes, Superintendent

 @hartlandschools

August 17, 2022 is just about here. Our students will return to refreshed facilities at Round Elementary, Hartland Middle School, and updated technology across the district. The new Robotics Center and Auxiliary Athletic Field will also be ready for use. I once again wish to thank the community for generously supporting these projects and for putting

students first.

With the new school year, the district has set a priority to continue building the best intervention-based programs in the State of Michigan. We are committed to "Give to All, Gains for All" which equates to strategic classroom intervention, JK-12. This will be done through high level best practice instruction and teacher support from the district instructional coaches. As a school district, we approach academics and behavior from an intervention-based approach to ensure that every student can learn and grow. If you ask any Board of Education member, administrator, or teacher what our core priority is, I am confident that the answer will be "student success." In order to accomplish this, we must provide a safe and welcoming environment for all, and build relationships that encourage students and staff to collaborate on the learning experience. To accomplish this, we need students attending school regularly. During the 2021-22 school year, roughly 55% of our students were classified as chronically absent or missing 15 or more school days. We understand that this was due to directives from me and the staff regarding staying home if sick. This year we will refocus our efforts at regular attendance and work with each student and parent if we find attendance is becoming an issue. This will be done on a case-by-case basis with intervention if needed.

**Employees Needed:** We have employment opportunities available for exceptional individuals as teachers, bus drivers, substitute teachers, substitute paraeducators, student nutrition food service providers, maintenance, community education positions, and custodians. If you are interested, please contact 810-626-2106 to inquire or visit <http://www.hartlandschools.us/Departments/Human-Resources/Job-Openings/index.html>. If you know someone that might be interested, please forward them this information.

## Board of Education Happenings

**Back row:** Thom Dumond, Chris Costa, Bill Gatewood and Victor Bugni. **Front row:** Meghan Glabach, Kristin Coleman and Michelle Hemeyer.

Welcome back to another promising school year. As a Board of Education, we look forward to supporting a more normal educational environment absent of the challenging issues we have all had to work through over the past few years. Our facilities and grounds will be ready for students to return while our staff is excited to welcome them back. Please feel free to reach out to any one of us with questions or concerns that you may have as the year progresses. We want nothing more than to have the best school district in the state and to remain a Premier School District of Choice for those moving to Hartland or choosing to send their children to HCS.

## Two Way Communication Reminder:

Every year I remind you that Hartland Schools seeks to provide flexible opportunities for parents and teachers by providing options for communication. Parent/teacher meetings can always be scheduled when needed. To better understand how this can be accomplished, please plan to attend your child's Open House, Back-to-School Night or Curriculum Night at the start of the new school year.

- Teachers and administrators are committed to providing many opportunities for performance feedback and communication. Some ways in which this can be done include:
- Parent Connect access to grades, assignments, attendance, and food service information
- Online Report Cards and Progress Reports
- Open House, Back-to-School Night, Curriculum Night
- Attendance letters
- Building and classroom newsletters
- Staff email
- Phone call
- Parent /teacher meetings available upon request
- District, School, and Teacher websites

Teachers, counselors, and administrators should be contacted to set up meetings or discussions. We encourage you to do so if you have any questions or concerns about your child's education.

### August 2022 Person Of The Month: David Allward

I am currently a Network Administrator for Hartland Schools and have been with the district for 9 years. I went to a small Computer Tech school in Livonia to study computer networking for Microsoft and Cisco Systems. I enjoy finding professional development opportunities to learn more about our Google infrastructure or Microsoft configuration at events like Michigan Association of Educational Data Systems (MAEDS).

My family likes to get together a few times a year for cook outs. My brother and I like to catch concerts whenever we can. I like to tinker on my car and go for a drive when the weather is nice.

One of my most memorable HCS moments was a time we carpooled to get some lunch. As we went to hop into Dave Larson's car, one of the seats was occupied with his kid's booster seat. So, Stacie Motz decided to sit in the booster seat.

I am still at HCS because I really enjoy the people I work with and all the opportunities I have had to learn new skills. We have a great staff at HCS. Everyone is always working hard to make sure we try to meet everyone's needs, whether it be other staff or the students.

Welcome Back from Hartland Transportation!

The 2022/2023 school year is quickly approaching, and we are looking forward to another great year! As always, we strive to make your child’s bus ride a positive part of their educational experience. Here are a few important informational points for review:

- Your student must be waiting at the bus stop 5 minutes prior to the scheduled arrival of the bus. Once the alternating lights of the bus are deactivated, the bus driver cannot legally reactivate them and it is then the parent’s responsibility to transport their student to school.
- Students and Parents should never try to catch the bus once the lights have been canceled. Please do not go to another bus stop without contacting the Transportation Office; the bus driver must be notified.
- If possible, your house number should be visible from the traveled roadway; mailbox numbers are acceptable but should be large enough and clearly visible on both sides.
- The expected behavior of the student rider is found in the Parent-Student Handbook. We encourage parents to review these responsibilities with their children to ensure their privilege of riding is not lost. The handbook can be found by going to the district website at [www.hartlandschools.us](http://www.hartlandschools.us), then clicking on Parents & Students, and then Handbooks.
- Postcards will be mailed home a week before school starts with your student’s bus information. The computerized postcard will only list one stop address but your student should **wait on the same side of the road they reside on until the bus is in place** with red lights activated and the bus driver crosses them.
- **Students should never cross the road prior to the arrival of the bus.**

If you have any questions or concerns we would be happy to talk with you.  
Please contact Hartland Transportation at 810.626.2175.

## Welcome back to Hartland High School!

We are excited to welcome students back for the 2022-2023 school year. We are looking forward to working together, building community and achieving goals. We want to remind all of our students that you have a safe place within Hartland High School, and emphasize the importance of leading with kindness.

School year registration is quickly approaching! Online student re-enrollment is required this year in an effort to again go paperless. Please ensure that your email address is updated in the Parent Portal, as detailed directions will be sent out to complete the online registration process. Online registration will be completed through the Parent Portal.

- Student schedules for grades 10-12 will be available online through their student portal on the morning of Thursday, August 4th. A parent/guardian must complete the re-enrollment process online for the schedule to be viewed.
- On Thursday August 4th, Grades 10-12 can walk their schedule during an open-house style registration. Students will have their school picture taken, pick up their parking pass, and

get their school ID card. Students can come in at their convenience between 8–11 AM and again from 12–3 PM.

- On Monday, August 8th, 9th grade students will have Freshman Orientation. Students will get their schedules, get a building tour, get their pictures taken, have their ID card printed, and have the chance to ask upperclassmen questions about high school life.
- Make-up registration for all students will be held from 12-2 PM on Monday, August 8th.
- 11th and 12th grade students who would like to park on campus MUST register for a parking spot BEFORE registration! The link to register can be found on the high school website. The \$75 fee must be paid to receive a parking hang-tag registration. You can also pay and pick up the hang-tag from the main office any day after August 4th. Students must show a valid driver's license at the time of pick up. In order for a student to receive their parking hang-tag, they cannot have any outstanding fines or fees.
- Please check Parent Connect to make sure your student does not have a negative lunch account to start the year.

Band and choir concerts showcased incredible student talent!

Congratulations to the Hartland High Class of 2022! Graduation was held on June 10th at Eastern Michigan University. It was a great night celebrating with our students and families.

Riley Burns, Adriana Lippolis and Ashlynn Mulk represented our Hartland Women in Technology Team in the Square Ones Autonomous IVD competition at Kettering University in May. They were the only all female team and were incredibly successful earning: first place presentation, first place ambassadorship, overall Square One award for Autonomous, and third place performance. Way to go ladies!

HHS Women in Technology Club members utilized the new STEM labs and led elementary students in STEM workshops.

Ms. Hasseld's computer science classes enjoyed a presentation by HHS grad Kyle Redies about career opportunities in the field.

Mr. Ureche got in on some SpikeBall fun in the courtyard at lunch.

The annual CAD Engineering & Design Boat Float was a huge (and fun!) success; all of the boats were designed and built by the engineering students.

Ms. Simpson's chemistry classes participated in an ice cream lab, making ice cream as a part of their Solutions unit.

Parents should check Parent Connect regularly to monitor their student’s academic progress. Please reach out to your student’s teacher or the administration if you have concerns or questions.

## Parking Lot Safety

The morning “drop off” time before school and afternoon “pick up” time after school means that students who are being driven to and from school must negotiate a very busy parking lot. **PLEASE DRIVE SLOWLY AND CAUTIOUSLY** and put the safety of our students ahead of time issues.

## Middle School Athletics

Cross Country and Girls Volleyball seasons start at the beginning of the school year. Students planning on participating in any school sports team must have a current physical on file in the Middle School office in order to participate (this includes open gyms, tryouts and participation). Forms are available in the Middle School office and on our school website. There is a participation fee for interscholastic sports (\$100) and school sponsored clubs (\$40). If a student participates in multiple sports or clubs, the total fee for the entire school year is \$100. Please note that some teams do require additional “team” fees for their season.

## New Faces At Hartland Middle School

We would like to welcome Alyson Wilson to HMS as a new hire for the 2022-23 school year. Mrs. Wilson is a proud HCS parent and longtime volunteer and substitute teacher in the district. She will be teaching 7th grade science and computers at HMS. We are very excited to officially welcome her to our building!

## Welcome back to Hartland Middle School!

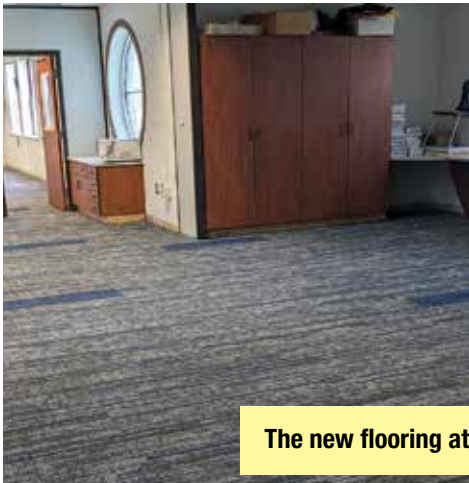

We hope you all had an amazing, relaxing summer! We are looking forward to a great new year of growth and learning with our students! HMS will definitely have a different look this year, with new carpet, windows, technology infrastructure and a terrific new auxiliary sports field and facility. Thank you to our community for continuing to support our schools. As you prepare for the new school year, here are a few dates and reminders:

## Congratulations to the 2021-22 HMS Heart & Pride Winners!

## 2022-2023: Hartland Virtual Academy!

Flexible on time, place and pace, but never on academic rigor.

Hartland Virtual Academy has served Hartland students for the past decade. We take pride in delivering quality academic opportunities with the same care and support families recognize as the Hartland way to educate.

Our academics carry the same level of rigor and

preparation as traditional model learning, and it is the Hartland Promise that sets us apart from other virtual academies. As Hartland educators, we know relationships are what make the difference. At HVA, not only do students have highly qualified educators leading instruction, but they have a lab open every day of the school week, one-on-one mentors for building connectedness and accountability, and access to Hartland teachers of all certifications for immediate help!

# Parents of graduating seniors!

Your “baby” is now an adult and will soon leave the nest for the first time. It’s time to make sure you have the right documents in place for everyone’s protection and peace of mind!

Christopher J. Berry, Esq., CFP, CELA

✗ If your teen gets into an accident or gets sick without having a signed Healthcare Directive or Power of Attorney in place, mom or dad could be barred from speaking with doctors and financial institutions because of privacy laws!

✗ If you don’t update your OWN plan, your “now adult” child will receive their inheritance **\*\*outright\*\*** without any speedbumps or guardrails if something happens to you. Think of what you would have done with a large sum of cash without restrictions at age 18.

The good news is that a few simple legal documents can help your family avoid a catastrophe.

## **Your TEEN Needs:**

✓ Power of Attorney, Healthcare Directive, HIPAA Form

## **Mom and Dad Need:**

✓ Updated Will, Living Trust, Designation Documents, Updated Beneficiary Designations

Need help creating these documents? As a graduation special, we will meet with you **FREE OF CHARGE** to start the process of getting your affairs in order. By the end of the time together, you’ll be clear on the documents YOUR family needs and you’ll have a blueprint for a safe and secure future. There is no obligation to work with us or purchase legal services!

**Call the office at 844.885.4200 to schedule!**

Join us every Wednesday at 1:00pm where we answer your questions in an informal setting.

# Friends of Cromaine

Happy Summertime! The Friends of the Cromaine Library hope everyone is enjoying this beautiful Michigan summer.

We are accepting used book donations at the Library...please remember no textbooks, nothing torn, dirty or musty.

We were happy to have Sandra Scherba (Novacek) visit us from her home in downtown Detroit. Sandy was our library director from 1975 to 1996—our longest reigning director. We entertained Sandy with a tea under the canopy at the library. We were so pleased to hear about her experiences as our leader. She was awarded a plaque donated by The Friends of Cromaine Library. In addition to her active life in Detroit, Sandy has written a beautiful children’s book, *Charles’s Bridge*.

The Friends are looking forward to our September used book sale and we hope you are too. (Details to come in the September issue of Community Life.)

# Donations needed for Christmas wreaths

Hartland Area Community Council is seeking funding to furnish 220 holiday wreaths for veteran headstones in all four Hartland area cemeteries. The wreaths will be placed on the headstones on the Saturday after Thanksgiving, by volunteers. Funding of \$600 has already been procured but additional funds are needed. Thank you in advance for all who donate for this project.

Contributions (cash/checks) can be mailed to Barbara Wait Krueger at 13038 Deer Track Lane, Hartland, MI 48353. Please contact Barbara at 248-887-1283 or bek4450@aol.com for more information.

# SOUP Update

For the first time since 2019, SOUP returned to Settlers Park Pavilion for a picnic with a box dinner from Tony Sacco’s Hartland. The Hartland Optimist Club presented for their Adopt-A-Family program and the Tyrone Township Historical Society presented for their Town House Project. Thanks to a starting grant of \$500 from The Heartland Foundation, and \$345 brought in at the door, the Tyrone Township Historical Society won \$845 for their project! They are in the process of trying to raise \$50,000 to move the historic Tyrone Township Hall to the new hall’s location on Runyan Lake Road. Thanks to a donor that matches what is brought in at the door, Adopt-A-Family received \$345. To stay up to date on future events, follow us on Facebook @HartlandSOUP. Keep making those plans and brainstorming ways to make Hartland an even better community!

Notification of Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. They are:

- 1) The right to inspect and review the student’s education records within 45 days of the day the District receives a request for access.
  - a. Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- 2) The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading.
  - a. Parents or eligible students may ask Hartland Consolidated School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.
  - b. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- 3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
  - a. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

- b. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
- c. Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the student of the records request unless it states in its annual notification that it intends to forward records on request.]

- 4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office; U.S. Department of Education; 600 Independence Avenue, SW; Washington, DC 20202-4605

HCS ASBESTOS HAZARD EMERGENCY RESPONSE ACT (AHERA) 2022 NOTIFICATION

The Environmental Protection Agency (EPA) requires that each year, district workers and building occupants receive notification about asbestos activities such as response actions and inspections. The purpose of this correspondence is to meet those requirements and familiarize you with the asbestos related activities that have been conducted in Hartland Consolidated Schools during the last year.

**MANAGEMENT PLANS:** In 1988, Hartland Consolidated Schools contracted with Trust Thermal Systems, to conduct inspections for asbestos containing material (ACM) within all district owned buildings. These Management Plans are available for review in

the administrative office of each building. An electronic copy of each building management plan is also located in the Maintenance and Operations office.

**SURVEILLANCE ACTIVITIES:** The AHERA regulation requires surveillance of the condition of ACM every six months and Reinspections every three years. The Three-Year Reinspection within each of our buildings was conducted in June of 2022. The next Reinspection will be conducted in November of 2025. The last periodic surveillance was conducted in October 2021 . All of these surveillance activities will be included as part of the building’s Management Plans.

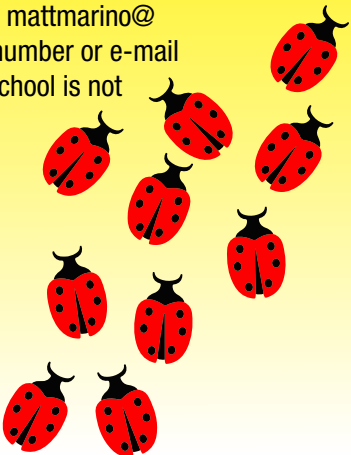

**ASBESTOS ABATEMENT:** During the past year there were minor abatement at various buildings in the district. All documentation regarding past and future asbestos abatement projects are available to be viewed electronically, for access please contact the designated person at the Maintenance and Operations Office. Air tests will be conducted throughout all phases of the future asbestos removal projects at each building. The air samples will be collected and analyzed in accordance with all regulatory agency requirements.

Advisory To All Parents Regarding Integrated Pest Management

Hartland Consolidated Schools has adopted an Integrated Pest Management program. Inherent with this are the District’s efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, these will only be used as a last resort. This program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pest from becoming a problem. You will receive advanced notice of the application of a pesticide, other than bait or gel formulations at your child’s school. This advance notice of the application will be given 48 hours before the application. The law requires us to do this notification by using two methods. The first method required by the law is the

posting at the primary entrances to your child’s school. The entrances that will be posted are those entrances that have a sidewalk that leads directly to a parking lot. The second method we are going to use is the posting in a common area located by the main office of the school. Parents are also entitled to receive this notice by first-class United States mail postmarked at least 3 days before the application. If you would like to be notified by mail or e-mail please contact the Operations Department at (810) 626-2185. Please give the office your name, mailing address and what school your child attends. In an emergency (for example, bees nest), pesticides may be applied without prior notice, but you will be provided notice following any such application. You may review our IPM program or pesticide application

records for your child’s school by calling or e-mailing Matt Marino the District’s Director of Operations at (810) 626-2185 e-mail at mattmarino@hartlandschools.us. This number or e-mail may also be used when school is not in regular session.
