Board Appreciation Month:

The district would like to thank our Board of Education for their dedication to ensuring that all children and staff are supported and educated in the best educational facilities possible.

Michigan Department of Education School Grades Announced:

I am excited to share that our schools continue to receive stellar grades from the Michigan Department of Education. Look at what we have accomplished!

Grades for Assessment Performance (Proficiency):

Creekside Elementary	A and Reward School
Lakes Elementary	A and Reward School
Round Elementary	A and Reward School

LEGACY	

Compliant and Met Academic Progress (MDE changed how it handles Alternative High School grading to these two highest ratings.

I am extremely proud of the work being done in the district to ensure that our students are performing above state expectations. I am proud of our entire staff for all that they do to care for and teach the children of this community.

Board of Education Happenings

Back row, left to right: Greg Keller, Chris Costa and Glenn Gogoleski. Front row, left to right: Meghan Glabach, Kristin Coleman, Cindy Shaw and Michelle Blondeel.

As the new board members settle in, the entire Board of Education wishes to thank the community for continuing to support the education of children. As you can see in the grades presented by the Michigan Department of Education, HCS students continue to perform well on the required state assessments. This does not happen without continued effort by the staff and the support of our schools by the entire Hartland Community.

February 2023 Person of the Month: Lindsay Howe

I attended Western Michigan University where I received my Bachelor's Degree in Elementary Education with an endorsement in Early Childhood Development. I completed my master's with a focus in reading and math along with 30+ additional credit hours dedicated to continuing education courses.

I have taught Kindergarten for 17 years, 13 of which have been in Hartland at Creekside Elementary. I absolutely love what I do, and I hope that passion is passed along to my students daily. As a kindergarten teacher, I get to work with amazing children and witness firsthand as their minds and excitement for learning develop daily.

My husband Keith and I have been married for 11 and a half years and we are happy to live within the Hartland school district and be part of such a great community. We started our family here and now our two children attend Creekside Elementary as a first and third grader. As a family, we are involved in different sports and activities within the community. We enjoy meeting new families and supporting Hartland whenever possible.

One of my favorite parts of being in Hartland is the students. I recently had the pleasure of watching my first class of children grow from Kindergartners to seniors. What an awesome accomplishment. All of the families within the community have opened up their lives and welcomed me in, to which I am forever grateful and honored. Thank you, Hartland, for your continued support! Congratulations to my first Hartland Kindergartners—the graduating class of 2023!

I am proud to be a part of the Hartland community and schools. Getting to work each day with the students, families, and colleagues is truly rewarding. I am looking forward to many more years in Hartland.

A Kindergarten Orientation will be held on Saturday, February 18th, 2023 from 10 to 11:30 AM at the HESSC, 9525 Highland Road (former high school on M-59). The orientation will provide parents an opportunity to hear from kindergarten teachers and principals about a "typical" school day and the curriculum. The online process allows for the following **required** documents to be uploaded:

- Proof of residency using one of the following: certificate of occupancy, purchase agreement, builder's permit, rent receipt or agreement, mortgage statement/receipt, voter registration card, utility bill or driver's license

Children are eligible for enrollment in kindergarten in August 2023 if they will have their fifth (5th) birthday on or before September 1st, 2023. A child who turns five after September 1st and before December 1st, 2023 may enroll if parent/legal guardian signs a waiver that is supported by the school district.

A full-day Junior Kindergarten program may be offered. A minimum number of students are required for the program to be made available. Through this, we are supporting their brain development, social and language development, fine motor skills and problem solving. Incorporating different senses is HUGE for brain development!

Updates from the Childcare Center

We have been very fortunate at the Childcare Center to have received some grants in 2022, which enabled us to update our classrooms with many new items. It's been so nice to provide our students with new tables and chairs, lockers, light tables, toys, interactive boards and so many other classroom supplies. This spring we have some big plans for our playground too!

We offer before and after care.

Please contact us if you are interested in setting up a tour or getting more information about our programs. We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the Lakes or Farms may enroll at the School Street center or take advantage of the school-age program at Lakes School. The School Street Center is open from 6 AM–6 PM. Lakes location is open from 6:30 AM–6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the “No School” days or snow days! Our center is almost always open!

3 Most Common Mistakes that Cost Beneficiaries Thousands of Dollars

Making plans for your death and what comes after can be very difficult for a lot of people to get their heads around. There are also far too many people who are ignoring this issue and not taking steps to help them deal with the best way preparing for your death. This means you need to take steps to prepare your will and probate in advance, and this should not be something you overlook.

Christopher J. Berry, Esq., CFP, CELA

Once you pass away, your will must be legitimized in a court of law, and this is a process that can take some time. But, this is not something that will affect you at the time. You need to take steps that are going to help you improve this process in advance. Here are three of the most common mistakes that people make with wills and trusts that wind up costing beneficiaries thousands.

1. Not Having a Will at All

You would actually be surprised by how common this is, and there are a lot of factors that you need to keep in mind if you are serious about achieving this. You need to make sure you have some kind of will in place before you die, and putting it off is not a good thing because you never know when you might get sick or die. 60% of American adults are believed to have no estate plan or will written out, and this can be disastrous if they wind up dying, leaving their loved ones with nothing. You also need a current will, and you have to remember that, whether you're in Michigan or California, an out-of-state will can slow the process down significantly.

2. Improper Life Insurance

Life insurance needs to be meticulously arranged, and this is something you are going to need to make the most of while you can. You have to make sure you have a beneficiary named, but it also can't hurt to have a secondary beneficiary named in case something should happen to the first person. If your beneficiary dies and there is no alternate named then your family could really wind up missing out as a result.

3. Mistakes

Mistakes are commonplace in a lot of wills and trusts, and they can cause very serious problems. There are a lot of things that might play a big part in this, and you need to think about what you can do to make the right decisions here. Crafting a will with no mistakes that is updated and relevant is so important if you want to make sure the right beneficiaries are getting what they should be.

There are so many complexities involved in this process, and you need to try to do as much as possible to get this right. There are plenty of ideas you need to keep in mind when it comes to writing up the perfect will and testament, and this is something that you need to make sure you make the most of right now. Use these mistakes as guidance for things to avoid when it comes to shaping the perfect will and trust to ensure maximum benefit for those left behind.

Teen Center News

Thanks to Philip Hinson, our music area has been completely revamped and updated. We have a working sound system, new microphones, new stands, a new bass, the drums have been completely redone, and everything is tuned up and ready to go. Mr. Hinson has generously offered to give free lessons on the many different instruments we now have available. Teens are invited to sign up by letting one of the directors know that they are interested, and what days they are available. The teen center is open from after school, until 6 PM every school day.

We would also like to thank Pastor Russ Greer and the Hartland Community Chapel for their

ongoing financial support. The Hartland Community Chapel has been the driving force in our food program, which feeds between 20 and 50 teens after school. With the rising cost of food, and the increase in teens attending our center, we are asking for donations. A list can be found on our Facebook page, or a list can be requested by e-mailing parent representative Lori Clarke, at loric@atsedu.net.

Our teens will once again be serving refreshments at Winterfest on February 11th. Please stop by our snack bar. We will have baked goods as well as food donations from area businesses, hot cocoa and coffee. We do not have set prices, as we are asking for donations only. All the money we collect will go directly into our program at the HERO Hartland Teen Center.

Friends of Cromaine

It's a wonderful world we live in, and one big reason is our freedom to pick and choose what we wish to read! As opposed to some countries, we have libraries that offer a wide variety of material. No matter what you desire, Cromaine aims to please! If they don't have what you are looking for, they will track it down.

The average cost of one book is between \$20 and \$25. If you bought 4 books a month, your cost would be approximately \$80 to \$100. Wow—think of the savings you'd have by using the library!

Our "Book Nook" is sending you an invitation to visit. We feature books of all types, for all ages, at low prices. We also have books on tapes, trilogies and bundles of various books. Thanking everyone who participated in our January book sale.

Mary Lynn Thomson, Friends Secretary

It takes courage to be kind.

Community Council Update Seeking Memorial Day Parade Grand Marshal nominations

The Hartland Area Community Council is proud to announce the return of the Memorial Day Parade for 2023. It will once again be part of the Annual Memorial Day Commemoration that is back for the 88th year!

Do you know someone that has provided leadership and community service to the Hartland area over the years? Someone who worked or works tirelessly for the community and will not seek recognition for their community contributions? What better way to honor an unsung community leader than to nominate them to be the Memorial Day Parade 2023 Grand Marshal. Past Grand Marshals have been veterans, educators, librarians, church ushers and individuals from the local business community.

To make a nomination, please provide the name and contact information of the person you wish to honor and the reasons you believe that this individual deserves the recognition. You can nominate them at bit.ly/GrandMarshal2023 or mail it to the Hartland Area Community Council, P.O. Box 113, Hartland, MI 48353. Nominations must be received no later than 5 PM on March 22nd, 2023. The election of the Grand Marshal from your nominations will be conducted at the April 3, 2023 meeting of the Hartland Area Community Council—which all are welcome to attend at 6:30 PM in Room 33 at the HESSC on M-59.

Thank You From the Community Council

Recently Hartland Area Community Council was presented the 2022 Community Give-Back Award from the Hartland Area Chamber of Commerce.
