The County Board of Commissioners Support Schools:

Recently, the Livingston County Board of Commissioners set aside a substantial amount of money to support Reaching Higher in all five public school districts within Livingston County. This approach to social-emotional learning is an important intervention for students. Positive outcomes from completing Reaching Higher can manifest in academic and behavioral goal setting and improvement. Leadership qualities are also developed over the approximately nine-week experience. To learn more about Reaching Higher, or to support the approach, please visit: <https://reachinghigherinc.org/our-programs/rh4youth>. The work we do together to ensure that all children are successful learners is important.

Bond Projects for 2023:

Bond projects for this summer will include reconfiguring the Farms Intermediate, middle school, and high school media centers into collaboration centers. We will be adding a Science, Technology, Engineering and Math (STEM) center at Farms Intermediate, upgrading the main high school stadium, soccer, softball and baseball facilities, resurfacing the high school parking lots (main staff, pool, and bus/band) and other projects. This will be an extremely aggressive bond season which may result in road and building closures. Please be cautious and follow all signage so that we can ensure that the projects get done before the fall semester starts. You can follow the bond process by visiting: <https://www.hartlandschools.us/2020-Bond/index.html>.

March 2023 Person of the Month: Jamie Riley

I am the Marketing Teacher/DECA Advisor at Hartland High School. I have a B.S. in Education with a double major in marketing and data processing with a minor in general business from Central Michigan University. I have 33 graduate credit hours in the Master of Business Education program through CMU, Western Michigan and Michigan State University. I am married to my wife Phyllis, and have two boys, Jacob age 31 and Nathan age 28. This is my 23rd year in Hartland.

Please mark your calendars for Tuesday, May 2, 2023. The voters living within the Hartland Consolidated School District will be asked to vote on the Non-Homestead Tax Levy, sometimes referred to as the Operational Millage. Below you will find key frequently asked questions. Please see the center pages of this Community Life for more information, or visit www.hartlandschools.us.

What is Non-Homestead property?

Non-homestead property refers to commercial, industrial, rental and vacation property. It does not include a family's primary residence.

Is this a new tax?

NO! This levy has been in place since 1995. This is a renewal and restoration of the 18 mills last approved by voters back in May 2018.

Will my residential school taxes increase?

If the only property you own in the Hartland Consolidated School District is your primary residence, **this millage will not cost you anything**. The tax is levied on non-homestead properties only. However, every eligible voter can vote on this operational tax levy.

What happens if the millage doesn't pass?

The 18 mills assessed on non-homestead properties amounts to approximately \$5.5 million annually to support operations including instructional resources, classroom supplies, and teachers. This funding is essential to maintaining the current programs offered by the district. Should the millage not be approved, the district cannot replace this funding with any other source, and those revenues will be lost. Hartland Consolidated Schools would be required to reduce or cut programs to offset the loss.

Kindergarten Enrollment for 2023-24

Online enrollment open via the website www.hartlandschools.us

The online enrollment process allows for the following **required** documents to be uploaded:

- Birth certificate
- Immunization records with proof of DTP, Polio, MMR, Hepatitis B and Chicken Pox vaccines (or proof of having illness) and a vision screening
- Proof of residency using one of the following: certificate of occupancy, purchase agreement, builder's permit, rent receipt or agreement, mortgage statement/receipt, voter registration card, utility bill or driver's license

Children are eligible for enrollment in kindergarten in August 2023 if they will have their fifth (5th) birthday on or before September 1st, 2023. A child who turns five after September 1st and before December 1st, 2023 may enroll if parent/legal guardian signs a waiver that is supported by the school district.

A full-day Junior Kindergarten program may be offered. A minimum number of students are required for the program to be made available. Parents may need to provide transportation in order to participate. The age requirements for Junior Kindergarten are the same as for the regular Kindergarten program. You may contact any of the following personnel with questions:

Person of the Month continued from cover

I have been involved with DECA for 31 years, but the best 23 were here in Hartland. I am also involved with Muscular Dystrophy Association fundraisers, support for our Gold Out games by purchasing football jerseys, ringing bells for our Salvation Army drives and I have participated in the Adopt-A-Family program for years.

My most memorable HCS moment is a very hard thing to answer because there is not just one memorable moment. There have been so many in DECA. One was watching Kendra Rocha get mobbed by our students when she took 2nd place at the DECA International Conference, then the next year she took 1st. Another was when students gave me an award for Best Mom because I was the one always cheering them on, had a Band-aid when they needed one or was able to sew things for them at the international conference. Another was the picture book that I received from our two state officers, Kyle and Jordan, after we did a photo shoot for their senior pictures. And of course, I will never forget the outpouring of support from the district and community during a nearly three months stay in the hospital that almost took my life. I could go on, but it seems each year always presents another memorable moment or two.

I just love the district; it's been family to me. The students have always been great to have in class and it's always exciting to see their successes in DECA. They make me proud to be an educator and it keeps me young! It's an awesome place for kids to come and get an excellent educational experience. We offer so much for our students to be able to excel whether it's academics, sports, Career Technology Education (CTE), the Arts or the many extracurricular activities we have available—especially DECA.

It is the policy of Hartland Consolidated Schools that no person shall, on the basis of race, color, national origin, gender (including sexual orientation and gender identity), disability, age, religion, height, weight, marital or family status, ancestry, genetic information or any other legally protected category, (collectively, "protected classes"), be excluded from participation in, be denied the benefits of, or be subject to discrimination in employment or any of its programs or activities.

School Bus Safety Running Late to the Bus

To continue to provide the safest possible transportation for your child we'd like to share the required protocol when running late to the bus in the morning. It is required that you should either:

- Call Transportation at 810-626-2175 so they can communicate with the driver, and determine a stop location where you can meet the bus
- Or, transport your student to school

Communication with the bus driver is critical in this situation. The "danger zone" surrounding the bus should never be entered without the driver expecting it. There is just too much at risk to leave anything up to assumption.

Following is an excerpt from the Student/Parent Handbook/Bus Responsibilities of Parents:

"To ascertain and insure that their children arrive at the bus stop 5 minutes prior to the bus arrival in the morning. Once the alternating lights are deactivated on the bus, they may not be reactivated and it is the parents' responsibility to transport their student to school, not another bus stop. Students or parents should never try to catch the bus once the lights have been cancelled."

If you have questions or concerns, call Hartland Transportation at 810-626-2175.

SOUP Update

SOUP was happy to return to Hartland Winterfest on February 11th. We had four groups present: Hartland HS Football, Livingston County Alano Club, The Riley Kathryn Foundation, and Hartland Drama Club. The winner of a \$1,100 grant was Hartland Drama Club as they prepare for their spring musical Fiddler on the Roof! Thanks to our matching anonymous donor (that matches what we bring in at the door) the other three groups each received \$200. Thank you to All Saints Lutheran Church for the donation of their space, volunteers, and food, plus the Detroit Polo Club for being the salad sponsor, to ensure each \$5 donation for the meal went completely to the SOUP presenters. We would also like to thank The Heartland Foundation for once again providing a \$500 starting grant. Want to apply for the next SOUP at the end of April? Fill out the proposal at: bit.ly/SOUPproposalApril23. (Date to be confirmed very soon!) To stay up to date on future events, follow us on Facebook @HartlandSOUP. Keep making those plans and brainstorming ways to make Hartland an even better community!

Hartland Consolidated Schools Non-Homestead Millage Renewal and Restoration Proposal Vote on Tuesday, May 2nd, 2023

On Tuesday, May 2nd, 2023, voters in the Hartland Consolidated School District will be asked to renew and restore the full 18 mills on non-homestead properties for the school's operating budget through 2028. This millage has been in existence since Proposal A went into effect in 1994 and was last approved by voters in 2018. For residential homestead property owners, this millage will cost you nothing other than your time to vote.

Important Facts:

- ➔ **This proposal has no impact on residential or most agricultural property**
- ➔ **This is a renewal and restoration of the current 18 mills that voters last approved in May 2018**
- ➔ **This is NOT a new tax. It is an existing levy on commercial, business, and rental properties within our district.**
- ➔ **Generates approximately \$5.5M annually for district operations**
- ➔ **Funds cannot be replaced by other sources**

What the ballot language will look like:

“Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Hartland Consolidated Schools, Livingston County, Michigan, be renewed by 17.8939 mills (\$17.8939 on each \$1,000 of taxable valuation) for a period of 5 years, 2024 to 2028, inclusive, and also be increased by .1061 mill (\$0.1061 on each \$1,000 of taxable valuation) for a period of 6 years, 2023 to 2028, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2024 is approximately \$5,529,032 (this is a renewal of millage that will expire with the 2023 levy and a restoration of millage lost as a result of the reduction required by the “Headlee” amendment to the Michigan Constitution of 1963)?”

Remember to Vote on May 2nd, 2023!

Questions and Answers

What is Non-Homestead property?

Non-homestead property refers to commercial, industrial, rental and vacation property. It does not include a family's primary residence.

Is this a new tax?

NO! This levy has been in place since 1995. This is a renewal and restoration of the 18 mills last approved by voters back in May 2018.

Will my residential school taxes increase?

If the only property you own in the Hartland Consolidated School District is your primary residence, **this millage will not cost you anything.** The tax is levied on non-homestead properties only.

Where can I vote?

In general, residents of the Hartland Consolidated Schools district will vote in the same location for the school election as when voting in a general election. If you are unsure of your voting location or have questions about absentee voting, please contact your township clerk, or visit the Michigan Voter Information Center at <https://mVIC.sos.state.mi.us/>.

What happens if the millage doesn't pass?

The 18 mills assessed on non-homestead properties amounts to approximately \$5.5 million annually to support operations including instructional resources, classroom supplies, and teachers. This funding is essential to maintaining the current programs offered by the district. **Should the millage not be approved, the district cannot replace this funding with any other source, and those revenues would be lost. Hartland Consolidated Schools would be required to reduce or cut programs to offset the loss.**

Why does the ballot language mention an increase?

The Michigan Constitution requires that millage rates be "rolled back" if taxable values increase more than the rate of inflation. As a result of this roll-back provision, the district is currently only able to levy 17.8939 mills instead of the full 18 mills. The ballot is asking voters to renew the 17.8939 mills, and increase the 1.061 mills in order to restore the millage rate back to the full 18 mills beginning with the 2023 levy.

We would like to hear from you...

If you have any additional questions about the non-homestead millage renewal election, please contact Chuck Hughes, Superintendent or Rachel Bois, Chief Financial Officer at 810-626-2100. Welcome to Hartland Preschool!

It is not uncommon for parents to be overwhelmed by the choices associated with preschool enrollment. There are many great programs in our area that offer wonderful experiences for their little ones. As part of the Hartland Consolidated Schools Preschool program, our team works closely with the elementary schools, kindergarten teachers and curriculum coaches in the district to ensure that our curriculum aligns with what our preschoolers will experience in kindergarten. We are also fortunate to have the LESA team to provide extra support for students

and teachers. Our preschool program follows a traditional approach that gives the classroom experience in preparation for the kindergarten classroom. Within this framework, our teachers keep the activities at an age appropriate level and keep them moving and interacting to keep the day fun and exciting while they are learning. Registration for the 2023/2024 school year has already begun and classes are filling fast! Call us today 810-626-2780.

Updates from the Childcare Center

We are having so much fun at the Childcare Center with our parties and themed learning! Our Winterfest was full of music, games and a winter wonderland of fun for all ages! Our Busy Bee classroom read the book “Mae among the stars” during black history month and learned about space travel! We have a stuffed animal “pet adoption” coming up soon that is sure to be a big hit with all of our classrooms and show children that learning is fun!

We offer before and after care.

Please contact us if you are interested in setting up a tour or getting more information about our programs. We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the Lakes or Farms may enroll at the School Street center or take advantage of the school-age program at Lakes School. The School Street Center is open from 6 AM–6 PM. Lakes location is open from 6:30 AM–6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the “No School” days or snow days! Our center is almost always open!

Limited Childcare Center spots available. Please call today!

The Dangers of DIY Planning

With today's technology, access to information is literally in the palm of our hands. From your cell phone, you can download manuals to repair a washing machine that's thirty years old or watch step-by-step video tutorials that will teach you how to do anything from knitting a sweater to playing an instrument without taking a single professional lesson.

However, just because you can do something yourself doesn't always mean you should. Much like botching a DIY kitchen remodel, mistakes in planning can be expensive to fix. Ultimately, do-it-yourself legal planning could end up costing you or your family more than if you had just hired a professional from the start. Here are a few reasons why:

Christopher J. Berry, Esq., CFP, CELA

Lack of Advice - An online service can't provide you with personalized, professional legal advice on what's best for your situation and based on your child's unique needs. Sure, it can ask you a few questions and an algorithm can come up with some suggestions based on your responses, but it's not going to be able to ask every question that needs to be asked or answer any questions that you may have. An Estate Planning attorney, however, can sit down and have a discussion with you about your family situation, your financial status, your short and long-term wishes for your children, any conflicts that could arise from your DIY planning and other important issues that need to be considered when drawing up your documents.

Addressing State Laws - There is not one set of laws that apply to children and adults with special needs. In fact, programs such as Medicaid (which is the health insurance program utilized by many individuals with special needs) is a federal program that is administered differently by each state. Benefits that you may have heard are available to children in other parts of the country may not apply in your state and vice versa. There may also be programs for individuals with special needs available on the county level. Online programs or "DIY planning kits" are not equipped to understand the nuances of each program and their eligibility requirements. As such, any decisions you make in your planning could have repercussions when it comes to accessing these different benefits—or you may miss out on benefits all together because the DIY program does not offer counseling and information on what's ultimately available for your family.

Being Your Voice - When you hire an Estate Planning attorney, you'll get the personal service that a website cannot offer. They're not going to just sit behind a desk and plug in names and dollar amounts as if it's a game of legal Mad Libs. Instead, your attorney will help you explore your options and discuss your wishes thoroughly. Likewise, some elements of special needs planning require court involvement, such as petitioning for a Guardianship when the individual turns 18. These proceedings can be complicated and once again, your attorney will be by your side to ensure the best outcome.

Even if you think your personal situation is simple enough that documents such as your Trust can be done using a form or template on a website, at least look into an appointment with Chris or Ryan at Castle Wealth Group. There's a good chance that it will be less expensive than you thought. With that said, if you'd like to meet with one of our attorneys to discuss your options, simply call **844-885-4200** to schedule an appointment.

Join us every Wednesday at 1:00pm where we answer your questions in an informal setting.

Teen Center News

Teens served hundreds of guests at the 2023 Hartland Winterfest, at Heritage Park. Several area businesses and the HERO Hartland Teen Center Board of Directors donated food and food service items to the teen-run concession stand. The list of donors included: The Majestic, Mackles, Tony Sacco's, Culvers, Hartland Pizza Grill and General Store, Starbucks, Beauchamp's Water and Biggby Coffee. Parents donated baked goods for the bake sale, and the teens also participated in baking and decorating cookies for the event. All of the donations made by the crowd went directly to the teen center. The HERO Hartland Teen center is free to the teens of the Hartland School district and is made possible by fund raising events such as these.

Community Council Update Seeking Memorial Day Parade Grand Marshal nominations

The Hartland Area Community Council is busy preparing for Memorial Day 2023! Do you know someone that has provided leadership and community service to the Hartland area over the years? What better way to honor an unsung community leader than to nominate them to be the Memorial Day Parade 2023 Grand Marshal. Past Grand Marshals have been veterans, educators, librarians, church ushers and individuals from the local business community.

To make a nomination, please provide the name and contact information of the person you wish to honor and the reasons you believe that this individual deserves the recognition. You can nominate them at bit.ly/GrandMarshal2023 or mail it to the Hartland Area Community Council, P.O. Box 113, Hartland, MI 48353. Nominations must be received no later than 5 PM on March 22nd, 2023. Join the next Hartland Area Community Council meeting—which all are welcome to attend—on March 6th at 6:30 PM in Room 33 at the HESSC on M-59. Finally, forms for Parade Entries, Epley Park Vendors, and Ads for the Memorial Day Booklet are on the HACC website at <http://hartlandcommunitycouncil.org/memorial-day-activities.html>.
