## Superintendent's Corner

Chuck Hughes, Superintendent

 @hartlandschools

As we return from a long and relaxing Spring Break, the final two months of the school year will move quickly. Our senior class will enjoy prom and graduation activities. Parents, family, and friends, please help Hartland enjoy a safe end of the year by engaging in conversations with students, emphasizing smart and safe decision-making. The hope is that the students finish the year and their education in a positive manner.

Hartland High School, LEGACY and Hartland Virtual Academy Graduation will be held on May 31st, 2024 at Easter Michigan University at 7 PM. The community is welcome to attend and no tickets necessary.

Spring is also the time for students to demonstrate what they have learned during the year. The state assessments are essential checkpoints for our district. Please help us by ensuring that your children get a good night's sleep and eat a healthy breakfast before each testing day. Specific testing windows will be shared by each building principal. The general windows will be as follows:

Spring testing schedule:	
<b>MSTEP 3rd-11th Grade:</b>	April 8th through May 17th
<b>PSAT 8:</b>	April 17th
<b>PSAT 10th Grade:</b>	April 9th
<b>PSAT 9th Grade:</b>	April 9th
<b>SAT 11th Grade:</b>	April 9th
<b>Work Keys 11th Grade:</b>	April 11th

### Board of Education Happenings

Back row, left to right: Greg Keller, Chris Costa and Glenn Gogoleski. Front row, left to right: Meghan Glabach, Kristin Coleman, Cindy Shaw and Michelle Blondeel.

The Hartland School Board is committed to providing an engaging and safe environment for every child. In the past year, we have added school safety personnel in the form of two Livingston County Sheriff Deputies or School Resource Officers and four School Safety Officers to monitor our school buildings and build relationships with students and staff. We have been working to address all school safety recommendations made to us through a third-party school safety assessment company and continue to collaborate with the Hartland Deerfield Fire Authority to monitor school safety drills and procedures. Secure entries and the new background check software ensures that individuals entering our buildings during the school day are screened before access is granted. We are proud of this work as we focus on the safety of students and staff.

### April 2024 Person of the Month: Rachel Camilleri

I attended the University of Michigan, Dearborn and graduated with a Bachelor of Arts in Education in 2003. I then went back and received my master's degree in the Art of Teaching from Marygrove College in 2008.

I began my teaching career in the Plymouth-Canton Community School district and taught there for 13 years. When my oldest daughter started kindergarten at Round Elementary, I decided I wanted to teach where I saw and experienced such great things happening in Hartland Schools. I began my Hartland teaching career in 2017, when I was hired at Village Elementary. This is my 20th year of teaching and my 7th year at Village.

My husband, Eric, and I moved to Hartland in 2005 to be closer to family. We have two daughters who attend Hartland Schools. Lillian is a 7th grader at Ore Creek and Victoria is a 4th grader at Round. With my daughters attending Hartland schools and my decision to teach in Hartland, I have been very fortunate to be actively involved in the community. I have been a Girl Scout Leader, HAYAA cheerleading coach, and the director for the summer Camp Invention program. It has been so wonderful that I am able to be involved in the many after school events for my daughters because I teach in the amazing community that I live in. I love seeing current and former students and families at all of the different school, music, and sporting events around Hartland.

### Congrats to the Optimist Oratorical winners!

On March 6th we had twelve amazing contestants for our annual Optimist Oratorical contest. The top three winners were: first place, Nick Yegge; second place, Tily VanderMeulen and third place, Lea Schmanski.

Nick and Tily are now qualified for the Area Competition in April and Lea is an alternate. Congratulations to all of the students, because by conquering the topic "How to Change the World with Optimism" and presenting their speeches in a public setting, they are all winners! Thank you to the judges, club members, HCS staff, students and families that made this annual event possible!

## Hartland Audubon Nature Club

Hartland Audubon Nature Club looks forward to Bob Kramer's presentation of the flora and fauna of South Africa and Botswana on April 2nd at 7 PM. Bob, a long-time member of the Nature Club, is a world-traveler with well-honed bird identification skills. He will amuse us with riveting stories of his adventures in the Kalahari Desert and wilderness of Southern Africa, home to the colorful rollers and the world's largest land birds. Come join us at Hartland Education Support Service Center, 9525 E. Highland Rd., Howell MI 48843. Use the west entrance and look for our sign in the hall.

Meetings are free and open to the public. For more information: <https://hartlandaudubon.weebly.com/>.

*Continued from cover*

My most memorable moment in Hartland schools happens every month at Village. Each month, the whole school gathers for a Village victory circle lead by Mr. Reck, our principal, to celebrate all the great things happening at Village. One of the highlights of this assembly is that student of the month awards are given to one student in each classroom and for each specials class. The energy and excitement the students have, cheering for their friends who earned the student-of-the-month awards for showing Reason, Respect, and Responsibility, is the highlight of every month.

I love teaching first grade! It is truly a pivotal year in which I have the opportunity to teach students so many of the important foundational skills for reading, writing, and math. To see the excitement and smiles when students master skills is the best part.

Working in Hartland Schools has been such a rewarding experience. I truly feel part of an incredible team of educators who work together to help each and every student grow and succeed. Each day brings new challenges, but also lots of fun and laughter along the way.

I am truly lucky to be a part of Village Elementary and HCS.

## Happenings in Legacy High school...

Legacy believes in the power of positive mentorship. Every student at Legacy is enrolled in an Enrichment class whose curriculum is rooted in mentorship.

During the small group, daily meeting time students participate in a range of activities outside of core academics like Multi-Tiered Systems of Support learning, career soft skills, clubs and volunteerism.

Part of enrichment is dedicated to clubs, and every student chooses quarterly what they are interested in learning more about. Legacy's clubs include a range of activities from sports teams, to cooking, to crafting and more.

Science club builds bridges, dissects sharks and erupts volcanoes in their weekly adventure into the world of science.

The HMS Unified Basketball team has been doing a great job this season! Go Eagles!

Our 8th graders recently visited the Detroit Institute of Arts! They are studying narrative poetry and figurative language. One objective of this trip was to have students convey the importance of literature, poetry and history as they relate to works of art, another was for students to find a piece of art that inspired them to write their own narrative poetry.

The HMS choirs had a great performance this March. Thank you Mrs. Letovsky and students!

HMS had 12 students compete in the local competition. Advancing to the regional competition was 1st place winner Nick Yegge and 2nd place Tilly Vandermeulen. A special congratulations goes out to Lea Schmanski who took 3rd place.

HMS had 17 students with a work of art displayed at the Howell Opera House for the Livingston County Arts Council Got Art Student Art Exhibit. Great job student artists!

## Transportation Information for the 2024–2025 School Year

It's time to start thinking about busing for the new school year. For your convenience, forms are now being accepted to ensure room on every bus to accommodate your transportation needs for the first day of school.

**All transportation forms (Alternate Destination, Joint Custody, and School of Choice forms) will expire at the end of the 23/24 school year.** If new forms are not submitted, in-district students will automatically be assigned to the closest bus stop to their home address and non-resident students will not receive a bus assignment.

**The deadline for submitting forms to the Transportation Office to request a bus assignment other than the home address is June 15, 2024. Late transportation requests will not be considered until after the first two weeks of school.**

The Transportation and Central Office staff will be available throughout the summer months if you should have any questions or need assistance. Post cards with your student's bus information should arrive a week before the first day of school. If you have any questions feel free to call us at 810-626-2175.

**Forms are now available on the district web site.**

**If you have questions or concerns, call Hartland Transportation at 810-626-2175.**

# Teen Center News

As the weather warms up, teens have been enjoying outdoor activities like kickball and football. Some of their favorite Spring crafts include painting sneakers and making jewelry. Students have been helping in the greenhouse and preparing for the yearly seedling sale.

The teen center would like to thank the Boyd family for donating a full sized electric keyboard to the music area.

The music area is now complete with all the instruments needed for bands to practice together after school, as well as a karaoke machine and games galore. The Hartland Hero Teen center is the only free space available to teens in Livingston County. For more information on the teen center, or to make a donation, please contact Lori Clarke at [loric@atsedu.net](mailto:loric@atsedu.net).

## HARTLAND CEMETERY CLEAN-UP

### Notice for Hartland Residents

All Hartland Cemeteries will be having a spring cleanup day on April 12th, 2024. Families wishing to keep memorial flowers, wreaths, artificial flowers or grave blankets must remove them by April 12th for the annual spring cleanup. Anything left will be discarded by the Public Works Department.

The service of cleaning grave sites is provided annually. Many items are left over the winter from Holidays and other occasions for their loved ones and we will be providing the removal and disposal as a service to keep the Cemetery clean and ready for lawn care maintenance.
