Superintendent's Corner

Chuck Hughes, Superintendent

 @hartlandschools

The first day of school is just around the corner. Hopefully, everyone had a great summer with work, leisure, and rest. Throughout the summer, I noticed many of our high school students working in local businesses and even some students working for the district. Thank you for helping the community by taking on these jobs.

Bond projects are all on track to be completed for opening day, where essential. Some work such as the softball and baseball fields at the high school will continue into the fall. The district remains thankful to the community for supporting public education and providing the academic spaces and athletic fields necessary for success. Please check out our website at www.hartlandschools.us and click on the 2020 Bond link to learn more about what has been happening.

We are happy to share that our partnership with Hartland Township, Charyl Stockwell Academy and the Livingston County Sheriff Office to support law enforcement patrols in the district will resume in 2023-24. I would like to remind parents and student drivers that failure to follow safe driving habits could earn you a stop by our partners. We also welcome new School Resource Officers and School Safety Officers to cover our school buildings in the fall. The focus will be on building relationships while ensuring that each building remains a safe place to learn.

The district will remain vigilant in 2023-24 in following our motto of "Give to All, Gains for All." This approach requires all employees to assess and provide intervention for students in need, Pre-K – 12. Student success with meeting high standards is an expectation in HCS. Staff will work with students to intervene with academic, behavior, and attendance concerns. Parent partnerships are essential in this work.

We Need You: We have employment opportunities available for exceptional individuals as teachers, bus drivers, substitute teachers, substitute paraeducators, student nutrition food service providers, maintenance, community education positions, custodians, and coaches. If you are interested, please contact 810-626-2106 to inquire or visit <http://www.hartlandschools.us/Departments/Human-Resources/Job-Openings/index.html>. If you know someone that might be interested, please forward them this information.

Board of Education Happenings

Back row, left to right: Greg Keller, Chris Costa and Glenn Gogoleski. Front row, left to right: Meghan Glabach, Kristin Coleman, Cindy Shaw and Michelle Blondeel.

Welcome to the 2023-24 school year. As a Board of Education, our role is to support the staff in providing a safe and enriching educational environment. Student success remains the primary focus of the district and Board of Education. We are pleased with the progress being made with the 2020 Bond program. Sinking fund dollars continue to support additional work necessary to maintain our facilities. Please feel free to reach out to any one of us with questions or concerns that you may have as the year progresses. Hartland Consolidated Schools remains a Premier School District of Choice due to the efforts of everyone, including parents and community businesses that support our programs. Have a successful year.

Two Way Communication Reminder:

Every year, I remind the community that Hartland Schools seeks to provide flexible opportunities for parents and teachers by providing options for communication. Parent/teacher meetings can always be scheduled when needed. To better understand how this can be accomplished, please plan to attend your child's Open House, Back-to-School Night, or Curriculum Night at the start of the new school year.

Teachers and administrators are committed to providing many opportunities for performance feedback and communication. Some ways in which this can be done include:

- Parent Connect access to grades, assignments, attendance, and food service information
- Online Report Cards and Progress Reports
- Open House, Back-to-School Night, Curriculum Night
- Attendance letters
- Building and classroom newsletters
- Staff email
- Phone call
- Parent /teacher meetings available upon request
- District, School, and Teacher websites

Teachers, counselors, and administrators should be contacted to set up meetings or discussions. We encourage you to do so if you have any questions or concerns about your child's education.

Continued from cover

Because he is a strong family man, his fondest memories are those of nieces, nephews, extended family and his two sons attending and graduating from Hartland Consolidated Schools. And, in remembrance of his parents, it was a memorable day and a proud moment when his family participated in the grand opening of the “new” Hartland High School in 2003.

He says it’s a blessing for his family to live in Hartland. He is honored to serve the community in his role as an educator/school administrator, and he doesn’t take

for granted the responsibility and reward for leading a premier school district

The foundation of our school district and community is strong and thrives today in part due to our past. John Robert Crouse, Sr. (1874 – 1946) known as “The Father of Cooperation,” encouraged collaboration and whole-hearted service. Moreover, he and others from our Hartland past allowed us to carry forward a culture of Reason, Respect and Responsibility, while demonstrating civility, integrity, empathy, and courage. Scott says he is encouraged about the future of our school district with every new hire and the dedication of those who continue to serve.

Welcome Back from Hartland Transportation!

The 2023/2024 school year is quickly approaching, and we are looking forward to another great year! As always, we strive to make your child's bus ride a positive part of their educational experience. Here are a few important informational points for review:

- Your student must be waiting at the bus stop 5 minutes prior to the scheduled arrival of the bus. Once the alternating lights of the bus are deactivated, the bus driver cannot legally reactivate them and it is then the parent's responsibility to transport their student to school.
- Students and Parents should never try to catch the bus once the lights have been canceled. Please do not go to another bus stop without contacting the Transportation Office. The bus driver must be notified.
- If possible, your house number should be visible from the traveled roadway; mailbox numbers are acceptable but should be large enough and clearly visible on both sides.
- The expected behavior of the student rider is found in the Parent-Student Handbook. We encourage parents to review these responsibilities with their children to ensure their privilege of riding is not lost. The handbook can be found by going to the district website at www.hartlandschools.us, then clicking on Parents & Students, and then Handbooks.
- Postcards will be mailed home a week before school starts with your student's bus information. The computerized postcard will only list one stop address but your student should **wait on the same side of the road they reside on until the bus is in place** with red lights activated and the bus driver crosses them.
- **Students should never cross the road prior to the arrival of the bus.**

If you have any questions or concerns we would be happy to talk with you.
Please contact Hartland Transportation at 810.626.2175.

- On Thursday August 3rd, Grades 10-12 can walk their schedule during an open-house style registration. Students will have their school picture taken, pick up their parking pass, and get their school ID card. Students can come in at their convenience between 8–11 AM and again from 12–3 PM.

- On Monday, August 7th, 9th grade students will have Freshman Orientation from 8–11 AM. Students will get their schedules, get a building tour, get their pictures taken, have their ID card printed, and have the chance to ask upperclassmen questions about high school life.
- Make-up registration for all students will be held from 12–2 PM on Monday, August 7th.
- 11th and 12th grade students who would like to park on campus MUST register for a parking spot BEFORE registration! The link to register can be found on the high school website. The \$75 fee must be paid to receive a parking hang-tag registration. You can also pay and pick up the hang-tag from the main office any day after August 3rd. Students must show a valid driver's license at the time of pick up. In order for a student to receive their parking hang-tag, they cannot have any outstanding fines or fees.
- Please check Parent Connect to make sure your student does not have a negative lunch account to start the year.

We are excited to welcome students back for the 2023-2024 school year. We are looking forward to working together, building community and achieving goals. We want to remind all of our students that you have a safe place within Hartland High School, and emphasize the importance of leading with kindness.

The following are highlights from the end of the 2022-23 school year:

HHS has sponsored a voter registration drive for the past 15 years, averaging 60% of eligible students registering to vote. Our spring drive was led by MIVote Matters Team Captains Asher Smith, Paityn De Wolf, Ava Justice and Carolyn Phillips.

Spring Chemistry labs on neutrality, half-life and titration.

The HHS CAD Mechanical Engineering students designed and built boats that they launched on the mighty Ore Creek.

Graduation was held at EMU in June. Congratulations to the class of 2023!

The Spring Band and Choir concerts showcased our amazing musicians.

Back to School Registration

Back to school registration forms can be accessed through the Parent Portal found on the school website. Please be sure all forms are complete before coming to the assigned registration session. If needed, parents may use school computers to complete the registration/re-enrollment process at the time of registration, or anytime Monday through Friday from 8-4 PM starting July 31st. During registration students will receive their schedules, get their pictures taken and spend time walking the school.

- Last Names A through E on Wednesday, August 8 from 8-11 AM
- Last Names F through L on Wednesday, August 8 from 12-3 PM
- Last Names M through R on Thursday, August 9 from 8-11 AM
- Last Names S through Z on Thursday, August 9 from 12-3 PM

Parent Communication

We will be sending weekly parent emails with news and updates. Information shared in the emails will also be available on the school website. Parents should check Parent Connect regularly to monitor their student's academic progress. Please reach out to your student's teacher or the administration if you have concerns or questions.

Parking Lot Safety

The morning "drop off" time before school and afternoon "pick up" time after school means that students who are being driven to and from school must negotiate a very busy parking lot. **PLEASE DRIVE SLOWLY AND CAUTIOUSLY** and put the safety of our students ahead of time issues.

Middle School Athletics

Cross Country and Girls Volleyball seasons start at the beginning of the school year. Students planning on participating in any school sports team must have a current physical on file in the middle school office in order to participate (this includes open gyms, tryouts and participation). Forms are available in the middle school office and on our school website. There is a participation fee for interscholastic sports (\$100) and school sponsored clubs (\$40). If a student participates in multiple sports or clubs, the total fee for the entire school year is \$100. Please note that some teams do require additional "team" fees for their season.

New Faces At HMS

Updates from the Childcare Center

Summer sure didn't slow us down at the childcare center! Our childcare rooms enjoyed many fun activities such as scavenger hunts, story time at the library, science experiments, building forts, music assemblies, visits from Wildlife Safari and Carousel Acres and so much more! These activities provide new and exciting learning opportunities all summer long.

The school age summer campers have been on the go each week with fun on site activities and many field trips. Highlights included a trip to the University of Michigan big house stadium, Greenfield Village, Crossroads Village, the zoo, bowling, parks, museums and beaches.

Everyone has also enjoyed our ice cream and water days all summer! In the coming weeks students will move into their new room for the upcoming year and the fall routines will begin to take shape.

We offer before and after care.

Please contact us if you are interested in setting up a tour or getting more information about our programs. We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the Lakes or Farms may enroll at the School Street center or take advantage of the school-age program at Lakes School. The School Street Center is open from 6 AM-6 PM. Lakes location is open from 6:30 AM-6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the "No School" days or snow days! Our center is almost always open!

HARTLAND TOWNSHIP JUNIOR RANGER

Hartland Youth-NEW Settlers Park Activities

Here in Hartland Township we love our outdoor spaces and encourage residents to utilize public parks to their greatest extent. With this in mind, we have developed a quick and fun activity guide for kids to complete while they explore Settlers Park!

With the completion of a specific number of activities (a couple simple ones for younger kids and a few more for older kids), the guides can be turned in at the Township Hall (Monday- Thursday 8:30 AM- 5:30 PM) to receive a certificate of completion and a Hartland Township Junior Ranger patch.

So grab your crayons, colored pencils, or markers (and a clipboard if you have one!) and bring your kids, troop, or group down for a day of local fun at Settlers park. You can print your guides from our website, or pick them up from the Township Hall during business hours.

Print the PDF from our website here:
<https://www.hartlandtwp.com/communications/page/hartland-township-junior-ranger-program> or stop by the Township Hall to get started.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. They are:

- 1) *The right to inspect and review the student’s education records within 45 days of the day the District receives a request for access.*
 - a. *Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.*
- 2) *The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading.*
 - a. *Parents or eligible students may ask Hartland Consolidated School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.*
 - b. *If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.*
- 3) *The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.*
 - a. *One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.*

- c. *Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the student of the records request unless it states in its annual notification that it intends to forward records on request.]*

- 4) *The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office; U.S. Department of Education; 600 Independence Avenue, SW; Washington, DC 20202-4605*

HCS ASBESTOS HAZARD EMERGENCY RESPONSE ACT (AHERA) 2023 NOTIFICATION

The Environmental Protection Agency (EPA) requires that each year, district workers and building occupants receive notification about asbestos activities such as response actions and inspections. The purpose of this correspondence is to meet those requirements and familiarize you with the asbestos related activities that have been conducted in Hartland Consolidated Schools during the last year.

MANAGEMENT PLANS: In 1988, Hartland Consolidated Schools contracted with Trust Thermal Systems, to conduct inspections for asbestos containing material (ACM) within all district owned buildings. These Management Plans are available for review in

the administrative office of each building. An electronic copy of each building management plan is also located in the Maintenance and Operations office.

SURVEILLANCE ACTIVITIES: The AHERA regulation requires surveillance of the condition of ACM every six months and Reinspections every three years. The Three-Year Reinspection within each of our buildings was conducted in June of 2022. The next Reinspection will be conducted in June of 2025. The last periodic surveillance was conducted in May 2023. All of these surveillance activities will be included as part of the building’s Management Plans.

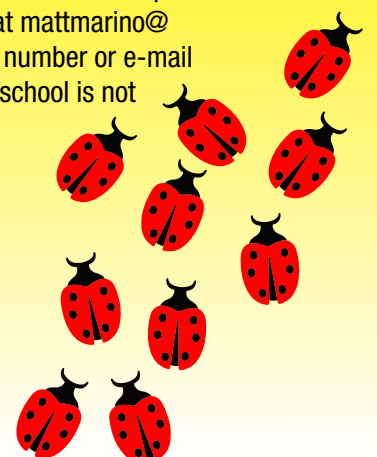

ASBESTOS ABATEMENT: During the past year there were minor abatement at various buildings in the district. All documentation regarding past and future asbestos abatement projects are available to be viewed, for access please contact the designated person at the Maintenance and Operations Office. Air tests will be conducted throughout all phases of the future asbestos removal projects at each building. The air samples will be collected and analyzed in accordance with all regulatory agency requirements.

Advisory To All Parents Regarding Integrated Pest Management

Hartland Consolidated Schools has adopted an Integrated Pest Management program. Inherent with this are the District’s efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, these will only be used as a last resort. This program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pest from becoming a problem. You will receive advanced notice of the application of a pesticide, other than bait or gel formulations at your child’s school. This advance notice of the application will be given 48 hours before the application. The law requires us to do this notification by using two methods. The first method required by the law is the

posting at the primary entrances to your child’s school. The entrances that will be posted are those entrances that have a sidewalk that leads directly to a parking lot. The second method we are going to use is the posting in a common area located by the main office of the school. Parents are also entitled to receive this notice by first-class United States mail postmarked at least 3 days before the application. If you would like to be notified by mail or e-mail please contact the Operations Department at (810) 626-2185. Please give the office your name, mailing address and what school your child attends. In an emergency (for example, bees nest), pesticides may be applied without prior notice, but you will be provided notice following any such application. You may review our IPM program or pesticide application

records for your child’s school by calling or e-mailing Matt Marino the District’s Director of Operations at (810) 626-2185 e-mail at mattmarino@hartlandschools.us. This number or e-mail may also be used when school is not in regular session.

Students in Hartland Schools, in grades seven through 12 are invited to attend. The center is open every school day, from the time school gets out, until 6 PM. If Hartland schools are closed, the center is also closed. There is a study room for students who need space to complete homework assignments, equipped with computers and office supplies. Snacks and drinks are made available to the teens free of charge, thanks to charitable donations made by members of our community, most notably Pastor Russ Greer and the Hartland Community Chapel.
