Kindergarten Registration/Orientation for 2024-25 is Fast Approaching: I am asking the community to spread the word that Kindergarten Registration/Orientation is being held on Saturday, February 3rd, 2024. The district will host Kindergarten Orientation at the Hartland Educational Support Service Center on M-59 at 10 AM in the Board of Education room. Information on what is needed to register can be found on our website at <https://www.hartlandschools.us/Parents--Students/Enrollment/index.html> or go to www.hartlandschools.us and click on the enrollment button.

Outstanding Achievement Continues: Congratulations to all our students and staff for earning outstanding achievement marks from the Michigan Department of Education (see the Board of Education article). The Hartland Consolidated School District continues to be a beacon of success.

Welcoming All: We welcome all students and families to our educational community with the goal of providing the instructional and healthy living supports necessary for each child to be successful. Without exception, we are here to provide the resources necessary to address any and all concerns. If you ever feel that your child is not being successful for any reason, please reach out to the teachers and administration, as it is difficult to provide intervention if we are not aware of a need. Together our partnership creates the outstanding environment needed to learn.

Board of Education Happenings

Back row, left to right: Greg Keller, Chris Costa and Glenn Gogoleski. Front row, left to right: Meghan Glabach, Kristin Coleman, Cindy Shaw and Michelle Blondeel.

Congratulations to all our schools for being recognized for outstanding student achievement. The newly established Michigan School Accountability Overview was created with the goal of identifying and supporting struggling schools. There are 4 categories that a school can fall into:

Comprehensive Support Improvement (CSI): The school must engage in partnership agreements with consultants to provide resources to help the school make gains.

Additional Targeted Supports (ATS): The school will receive state supported assistance and the school will be monitored.

Targeted Supports Improvement (TSI): The school will receive local support and become eligible for state provided support. The school determines their improvement plan and time frame.

Universal: The school meets all targets with no additional supports needed.

Every school building in HCS has been placed in the UNIVERSAL category.

The Michigan Department of Education also recently released grades for student achievement. All HCS school buildings received the highest possible marks.

Grade of "A" and REWARD School: Creekside Elementary, Lakes Elementary, Round Elementary, Village Elementary, Farms Intermediate, Hartland Middle School and Hartland High School

"Compliant and Met" the Best Possible Rating for Alternative Schools: LEGACY Alternative Education and Hartland Virtual Academy

Thank you to our amazing students, parents, staff, and administration for focusing on ensuring that every child has the supports necessary to be successful.

February 2024 Person of the Month: Colleen Waske

I received my teaching certification and bachelor's degree from Michigan State University with a major in French and a minor in English. I also have a Master's in Teaching from Marygrove College.

My first teaching job in Hartland was at Farms, in 1998, when it was the Middle School and housed grades 6-8. The following year, Hartland Middle School at Ore Creek opened, and I taught 7th grade English in that building until 2006. During that time, I was part of the curriculum development and school improvement teams, was the 7th grade cheerleading coach, and sponsored the Optimists' oratorical contest. I am currently the English and French teacher at Legacy Alternative High School, where I have been for the past ten years.

Beyond teaching, I have also been actively involved in the district as a parent, volunteering as a PTO board member and classroom helper

when my children went to Round, serving as a Girl Scout leader for 5 years, being part of the District Parent Advisory Committee, and enjoying many events as my children attended Hartland schools. When I was not teaching in Hartland, I worked as an adjunct professor at the International Academy of Design and Technology, a tap instructor, and a front-end assistant at Costco.

My family moved from Detroit to Hartland when my dad retired from the Detroit Police force. Traveling 23N to his new job, he saw a house for sale in this area. My mom told him that she wouldn't step one foot past 59, which is how we ended up in Hartland! I began school in Hartland in 1988 as a ninth grader. The building I teach in now is where I attended high school and where I met my husband of 25 years, Jess, who is the art teacher at Round Elementary. My children are also Hartland graduates: Claudia in 2021 and Jonathon in 2023. Outside of the classroom, I love reading, spending time with family and friends (and my dog), taking walks, paddle boarding, cheering for the Spartans, and visiting Claudia at CMU.

Mission Statement: The Hartland Consolidated Schools, in cooperation with the community, will provide a positive environment for the development of productive and caring individuals of all ages. We are teaching learning for life.

District Vision Statement for Hartland Consolidated Schools: A community of learners sharing successful tomorrows.

We are looking for alumni news!

Do you know of a Hartland graduate who is doing something special or outstanding? We know there are plenty of former students doing some amazing things and we want to hear about it. We are looking to highlight a Hartland High School graduate each month that we feel the community would love to hear about. Send nominations to editor Heather Calabrese at communitylife@hartlandschools.us and we will select one person to spotlight in each issue of Community Life.

Hartland SOUP

Need funding for a group, organization, or community project? Apply to present for a micro grant from Hartland SOUP at Winterfest on February 10th, 2024 at 1:30 PM! The winning proposal will receive \$500 plus the money collected at the door. A second \$500 grant will be divided between the other proposals—everyone wins some funding! Submit a proposal before Jan. 30th at bit.ly/SOUPproposalWinterfest24. If selected, present your idea over a soup dinner, and if selected by other SOUP diners, walk away with funding. SOUP slurpers welcome, too. \$5 for a soup lunch and a vote on a worthy project or organization in Hartland! Held at All Saints Lutheran Church, 12701 Highland Rd, Hartland, MI 48353. RSVP to attend at bit.ly/WinterfestSOUP2024. Follow us on Facebook @HartlandSOUP to get the most updated information.

Continued from cover

Collaborating with outstanding educators, those who understand their students, are compassionate about their success, and work to meet their needs, is the reason I am here. In a district this size, each person is important in achieving a common goal of educating individuals and helping them to be productive, responsible, and healthy. As both a parent and a teacher in the district, I have met people who are sincerely trying to do the best for their own children and the children in their classrooms.

In alternative education, working in such a small environment with people who genuinely care, I am privileged to see the impact my coworkers have every day. Their enthusiasm and expertise encourage me to find ways I can grow and learn, and to appreciate the difference we can make as a group.

Knowing the name of every student and finding new ways to connect with them is just one of the assets of our school. Every week we have a school-wide activity, where I don't hesitate to make a fool of myself trying pickleball, kickball, ping-pong and a variety of other team activities. I enjoy daily interactions with teenagers because they impress me, challenge me, and make me laugh! As a staff we try to recognize even the smallest wins and share these with each other. It is rewarding to see the personal and academic growth of our small population. I've been lucky to teach children of my former classmates, and more recently, children of students I taught in the past. The sense of accomplishment and pride when students gain confidence and believe in themselves, when they've overcome struggles and ultimately earn their Hartland Schools Diploma, these are the greatest victories in being an educator.

Kindergarten Enrollment for 2024-25

A Kindergarten Orientation will be held on Saturday, February 3rd, 2024 from 10 to 11:30 AM at the HESSC, 9525 Highland Road (former high school on M-59). The orientation will provide parents an opportunity to hear from kindergarten teachers about a “typical” school day and the kindergarten curriculum. In addition, administrators will be on hand to talk about school safety, bus transportation, school attendance areas, student nutrition, Latchkey, Junior Kindergarten, and answer all questions. The Hartland Lions Club will be sponsoring a free vision screen (Project KIDsight) and a school bus will be on sight for your child to experience.

Parents may begin the online pre-enrollment process beginning February 1st. The following documents are required and may be uploaded as part of the online process:

- Birth certificate- a copy for school records
- Immunization records with proof of DTP, Polio, MMR, Hepatitis B, Chicken Pox vaccines (or proof of having illness), and vision screening, plus copy of same for school records
- Proof of residency using one of the following: certificate of occupancy, purchase agreement, builder's permit, rent receipt or agreement, mortgage statement/receipt, voter registration card, utility bill, driver's license

Children are eligible to enroll in kindergarten if they will have their fifth (5th) birthday on or before September 1, 2024. A child who turns five after September 1st and before December 1, 2024 may enroll if parent/legal guardian signs a waiver that is supported by the school district. (Waiver is included in the online pre-enrollment documents.)

A full-day Junior Kindergarten program may be offered. A minimum number of students are required for the program to be made available. Parents may need to provide transportation in order to participate. The age requirement for Junior Kindergarten is the same as the traditional Kindergarten program. You may contact Scott VanEpps at 810-626-2111 or scottvanepps@hartlandschools.us for more information.

Happenings in Legacy High school...

Legacy believes in the power of positive mentorship. Every student at Legacy is enrolled in an enrichment class whose curriculum is rooted in mentorship. During the small group, daily meeting time students participate in a range of activities outside of core academics like social emotional learning, career soft skills, technology development and volunteerism. Studies from Mentor National, suggest mentorship benefits for youth include:

- Increased high school graduation rates and attendance
- Healthier relationships and lifestyle choices
- Better attitude about school
- Higher college enrollment rates and higher educational aspirations

Happenings in Hartland Virtual Academy...

From HVA Mentor Erin Dennis:

Celebrating 21st Century Academic Achievement

Hartland Virtual Academy offers students a flexible option to complete their education. Students can take care of school work from a location and time of their choosing. Like their in-person counterparts, our students have the same rigorous curriculum demands provided in the Michigan academic standards. In addition to this, our students have to navigate their learning asynchronously. This requires a lot of self-direction and independence.

Virtual learning helps students build skills that will benefit them when they join the workforce after graduation. They need to know how to communicate effectively via email when they reach out to their instructors. They have to problem-solve when things aren't working as planned. Because they don't have a class schedule or passing times to regulate their day, they need to be able to manage their workload and their time. They need to recognize when they are legitimately stuck and feel confident enough to advocate for themselves.

Communication, problem-solving, self-management and the ability to advocate are robust skills every adult needs to be successful in their career paths. It is also why we are extremely proud of our virtual eagles that capitalize on these skills while excelling in their learning. We congratulate them on their outstanding academic performance.

Tell Me About Becoming a Bus Driver

What if I don't have a CDL license? We prepare you to get your CDL license, while you earn, we provide quality hands on training to be road ready and have a high pass rate for our trainees.

What our drivers will tell you: "It's fun watching the kids grow, and to see their energy and new ideas." "We have flexible work schedules to give us holidays, weekends and summers off." "There's longevity because we enjoy the work and our co-workers." "We have great students in Hartland, and student management is much easier than you imagine." "The pay is very competitive."

What support will I have once I start? Our office staff has over 80 combined years of driving, student management and administrative experience, and will provide you with all the necessary tools and assistance to assure your success. Our mechanics have over 60 combined years of garage and driving experience, and keep our fleet of buses in top notch condition.

Talk to me about money: New drivers start working at \$19.87. Sign on bonus to new drivers is \$2,000. Once you have a route you'll be eligible for holiday pay, extra work and health benefits or \$5000 cash in lieu. Experienced school bus drivers currently driving in a school district may start working at \$20.41. Sub drivers are eligible for up to \$75.00/ week attendance incentive.

Winter is here! Stay connected in the event that we need to cancel school or activities due to inclement weather. Like us on Facebook or follow us on X (formerly Twitter) at @HartlandCommEd!

Happenings around the center:

We would like to take a moment and thank our very generous families, staff and community friends for helping our building support a local family this past Christmas! We were honored to be part of this program and thanks to the support from all of you, we plan to make this a tradition going forward. It was very heartwarming, not only to provide for a family in need, but to help give our young students the experience of giving back to others. The excitement and consideration as they selected a gift to purchase and the joy when they brought it in to donate was magical!

The new year means a new classroom for many of our childcare students as they reach new milestones and are ready for new challenges! Making new friends, exploring new environments and setting into routines has been exciting. We have so many fun things to learn about coming up, including dinosaurs, winter animals and opposites; and it wouldn't be winter without some fun with snowmen!

As our preschoolers return for the second semester, learning is back in full swing and the weeks are full of growth as students begin accomplishing more skills. Tasks like cutting with scissors, writing their name, spelling, zipping their own coat or opening an item in their lunch provide students with wonderful confidence-building skills. These are skills that will help build independence in our little ones as they continue to grow.

Preschool Registration for the 2024-2025 school year begins February 1st!

As we look ahead into our preschool offerings, we are excited to be able to offer a range of selections for our families so that you can choose the best fit for your preschooler and family. With the start of 2024-2025 school year, we will continue to offer our full day preschool setting within the Fox and Critter childcare classrooms, half day traditional preschool classes, and begin a new journey in offering our first GSRP (Great Start Readiness Program) class, in collaboration with LESA.

Each offering provides something different and allows families to make the selection that works best for their needs. All of our programs will continue to follow the same themes throughout the year, allowing for fun activities center-wide and collaboration between our classrooms. For those families looking for a traditional preschool setting with half day classes throughout the week, this will be available in different class options for both 3 and 4 year old children. For families looking for more frequency within typical school times, and who may be looking for financial support, the GSRP option will be available. For those families who need care before and/or after the school day ranging from varied set days to all five days a week, our childcare option will continue to provide what you are looking for. While each offering may be slightly different in terms of scheduling and budget, the content within the classrooms will remain similar, ensuring all of our children are receiving quality learning and experiences.

Quote for thought: "The goal of early childhood education should be to activate the child's own natural desire to learn..."
-Maria Montessori

Friends of Cromaine

We are preparing for our winter book and bake sale. We think this will be a special sale because we have been very fortunate to receive wonderful book donations. Also, we're hoping for lots of yummy baked goods from our wonderful bakers. If you can help us out, please bring your contributions to the library between 1PM to 4 PM on Wednesday, January 31st (or whenever possible).

Please mark on your calendar for the next book sale! Set-up is Wednesday, January, 31st at 10 AM. **The first day of sale is Thursday, February 1st from 10 AM to 4 PM. The second day of sale is Friday, February 2nd from 10 AM to 4 PM. The third day of sale is Saturday, February 3rd from 10 AM to 4 PM. (Saturday is our \$5 bag sale). Sunday February 4th, is our "Free Day." From between 12 PM and 1 PM, our books are free! Please bring your own box or bags for your free books.**

We need volunteers so please call Mary Lynn at 810-229-7356 or e-mail thomson268@comcast.net. Please know that all proceeds go to benefit Cromaine.

Community Council Update

The Hartland Area Community Council is proud to announce the return of the Memorial Day Parade for 2024. We are looking for Grand Marshal nominations! Do you know someone that has provided leadership and community service to the Hartland area over the years? What better way to honor an unsung community leader than to nominate them to be the Memorial Day Parade 2024 Grand Marshal. Past Grand Marshals have been veterans, educators, librarians, church ushers and individuals from the local business community.

To make a nomination, please provide the name and contact information of the person you wish to honor and the reasons you believe that this individual deserves the recognition. You can nominate them at bit.ly/GrandMarshal2024 or mail it to the Hartland Area Community Council, P.O. Box 113, Hartland, MI 48353. Nominations must be received no later than 5 PM on March 19th, 2024.

Ad sales for the Memorial Day Booklet are also open and can be found at bit.ly/HartlandBooklet2024. Other parade forms are coming soon to our website www.hartlandcommunitycouncil.org.

HARTLAND OPTIMIST CLUB YOUTH APPRECIATION & RECOGNITION

The Hartland Optimist Club is proud to sponsor its 28th Annual Youth Appreciation & Recognition program.

We hope you will consider nominating one or two youth between the ages of 6 and 19 for their positive actions, contributions or other qualities that might include: outstanding community service, good judgement and choices, perseverance and overcoming hardships, support, special achievement, care and encouragement of others, loyalty, or teamwork.

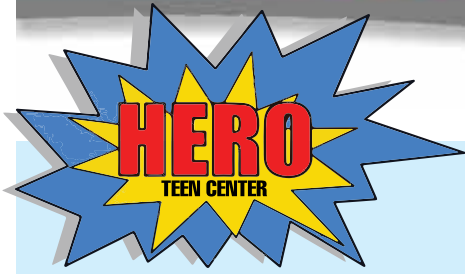

Please consider a young person in the Hartland community that you know through your church, business, school, or friends that is deserving of recognition and the appreciation of our community.

Nominating is simple, use the following link to a Google form and submit it electronically: bit.ly/YouthAppreciation2024

All nominations are due no later than February 16, 2024. We apologize in advance, but we can NOT accept late submissions. For further information, please call one of the co-chairs: Lindsay Smither at (586) 612-1164 or Jenna Haller at (517) 281-0373.

Nominees will be recognized and awarded with a framed certificate and a copy of the nominator's narrative at the Youth Appreciation Ceremony on March 19 at 6:30 pm in the Performing Arts Center at the HESSC (former high school). In addition, nominators will be informed via letter of their nominees' award. Thank you in advance on behalf of our deserving youth.

The Hartland Optimist Club is one of over 2,600 Optimist Clubs throughout the world. Clubs are dedicated to, "Bringing out the Best in Kids." Optimist Clubs serve over six million young people a year through more than 65,000 service projects.

Teens are gearing up for Winter Fest, to be held on February 10, from 1 PM until the last of the fireworks display has been enjoyed (fireworks starting around 6 PM). It has been the tradition, at this beloved community event, that teens volunteer to serve in the concession stand. All of the food, drinks, snacks and baked goods are donated from local businesses and generous members of our Hartland community.

Teen Center News

All of the donations accepted at the concession stand go directly to the HERO Hartland Teen Center. The center boasts regular attendance from 20-50 students daily. There is no fee to attend the Teen Center. It is open from the time school is dismissed until 6 PM.

Everyone is encouraged to donate towards this very special cause. Now, more than ever, our teens need a safe space to connect. The teen center is completely free of charge. All that

is asked, is that students attend Hartland Consolidated School district and have a permission slip on file.

For more information about the HERO Hartland Teen Center, feel free to reach out to their parent representative at loric@atsedu.net, or visit their Facebook page. The HERO Hartland Teen Center has been proudly serving our community for over 10 years.
