## Superintendent's Corner

Chuck Hughes, Superintendent

 @hartlandschools

Those who attend school board meetings usually see board members interact with the superintendent and administration to accomplish school district business as this is a business meeting in front of the public. The board meetings are just a small component of the effort necessary for effective board/administrative leadership. There is much that goes into preparing for meetings such as the homework that both the board and administration must do to ensure that all parties have the information necessary to confidently make decisions. At times, board action may seem to be “rubber stamping,” however, the fact is that the work done between board meetings ensures that the elected officials are prepared to make decisions when the time comes to vote on a resolution before them. Therefore, you usually see items under discussion one month then as an action item the following month. This provides time for the process to occur that ensures thoughtful and deliberate decision making. It is essential that there are “no surprises” that catch the board, superintendent or administration off guard. All must be committed to building positive relationships to move the district forward.

To create effective school board/administration relationships, each member must be committed to interactions beyond the one meeting a month that the public witnesses. Thank you to the Board of Education members who put the time in to leading HCS.

## Board of Education Happenings

Back row, left to right: Greg Keller, Chris Costa and Glenn Gogoleski. Front row, left to right: Meghan Glabach, Kristin Coleman, Cindy Shaw and Michelle Blondeel.

Did you know that Hartland Consolidated Schools ranks number 796 out of 822 school districts in Michigan (public and public charter) in spending costs for administrative positions? This means that 795 districts spend more on administrative/business costs than our district. As a Board of Education, we are extremely proud to be able to share with the public that the district remains committed to fiscal responsibility without sacrificing high expectations for student achievement and success. Last month, we shared that all our schools have been rated with the best rating possible by the Michigan Department of Education. Administrative leadership and oversight are essential to accomplishing this. We wish to thank our administrative team and our teachers and support staff for their commitment to the children of this district.

## March 2024 Person of the Month: Julie Barb

I graduated from Brighton High School in 1994, and then headed to Brigham Young University in Utah for college. At first, I thought I wanted to pursue a career in physical therapy, but quickly realized that wasn't my true calling. Teaching had always been my passion, so I made the switch to elementary education. I spent three years at BYU, then transferred to Eastern Michigan University to complete my final year of undergraduate studies and do my student teaching in Chelsea, Michigan.

At Eastern Michigan University, I earned my Bachelor of Science degree in 1999, majoring in math and minoring in science. I then received my master's in teaching degree at Marygrove College in 2003. I've always been

a firm believer in lifelong learning, so I've continued to take additional classes over the years to constantly learn and grow as a teacher. This is my 14th year teaching in Hartland. I started at Round Elementary where I taught fourth grade from 2000-2004. Upon learning I was pregnant with twins, and then having another set of twins three years later (yes, that's right...TWO sets of twins!), I resigned from teaching for a time to stay home with my four young children. Once my children were all in school full-time, I returned to teaching in Hartland in 2013. First as a substitute in Kindergarten at Creekside, then Kindergarten at Lakes, and then first grade at Lakes for the last 8 years. It has been a great experience for me to teach in different grades and buildings in Hartland. Each school has their own unique culture and feel to it..and they are all amazing and top-notch!

I have been married to my husband Scott for 27 years. We have twin boys, Tanner and Logan, that are 19. Tanner attends college at BYU Idaho and Logan is working and taking classes in Chicago.

We also have girl/boy twins, Mallory and Preston, that are 16 and both just got their driver's licenses. Mallory is on the Howell varsity cheer team and Preston is on the Howell varsity football team, so we spend much of our time going to their school and sporting events. When we aren't busy with work, school, and sports, we love to travel as much as possible!

At Lakes, some of my best memories have been when we've done assemblies where the entire staff was involved. We've done everything from "Human Hungry, Hungry Hippos," to performing a staff superhero dance, performing songs in front of the school, staff and students getting their hair cut on stage, getting "slimed" or silly stringed by students, playing "Staff Survivor" and more (usually involving wearing tutus of some kind). It is a lot of fun and really pumps up the students to celebrate various things, all in a day in the life of being an elementary teacher!

When I was first hired back in 2000, I thought I'd died and gone to "teacher heaven." I instantly fell in love with Hartland. I have a deep appreciation for this community and want to make a positive impact on students' lives. Over the years, I've built strong connections with both students and families, and I have witnessed firsthand the commitment of the community to education and improvement. Seeing the progress and growth of my students, as well as being part of a supportive and uplifting environment, motivates me to continue teaching and contributing to the success of Hartland schools. I honestly couldn't imagine teaching anywhere else!

Currently, I have the privilege of serving on our DLT (District Leadership Team). This year we have had the opportunity to visit all the buildings in the district (one each month) to learn in depth about each school, their programs, interventions, systems of operation and support, etc. With every visit I am astounded at how incredible each school is! They are each so unique and wonderful. Wow! Our students are so lucky to be attending schools with amazing, caring teachers, staff and administrators. Hartland truly is the BEST!

Finally, a HUGE THANKS to All Saints Lutheran Church of Hartland for once again providing the meal and the volunteers that prepare, serve and clean-up. It is greatly appreciated. **School Bus Safety**  
**Running Late to the Bus**

To continue to provide the safest possible transportation for your child we'd like to share the required protocol when running late to the bus in the morning.

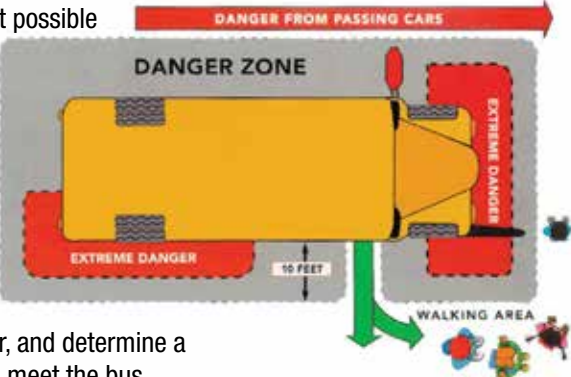

It is required that you should either:

- Call Transportation at 810-626-2175 so they can communicate with the driver, and determine a stop location where you can meet the bus
- Or, transport your student to school

Communication with the bus driver is critical in this situation. The "danger zone" surrounding the bus should never be entered without the driver expecting it. There is just too much at risk to leave anything up to assumption.

**Following is an excerpt from the Student/Parent Handbook:**

**Bus Responsibilities of Parents**  
"To ascertain and insure that their children arrive at the bus stop 5 minutes prior to the bus arrival in the morning. Once the alternating lights are deactivated on the bus, they may not be reactivated and it is the parents' responsibility to transport their student to school, not another bus stop. Students or parents should never try to catch the bus once the lights have been canceled."

If you have questions or concerns, call Hartland Transportation at 810-626-2175.

**101st Annual Alumni Banquet**

Last year we celebrated a Century of Alumni Banquets. Now it is time to start a new century. This year the 101st will be held in the HESSC on M59 on Saturday May 18th, 2024. Doors open at 5 PM, Social hour begins at 5:30 and dinner will be served at 7 PM. It may be beneficial to reserve early to guarantee a spot.

**Happenings around the center:**

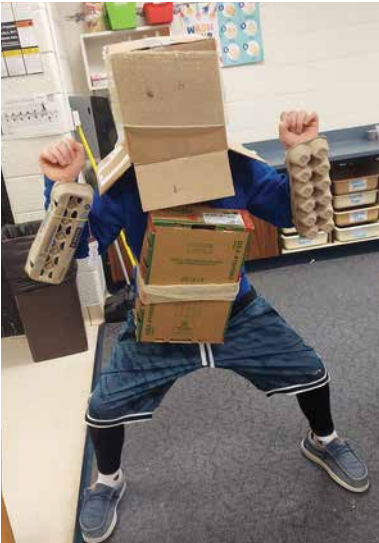

Weather plays an important role in the day when working with children of all ages and we sure enjoyed some spring-like days in February! Impromptu walks to the park, picnic lunches and even walking field trips to the local post office were enjoyed by students and teachers!

Preschool registration for fall 2024 is now open! Contact us today to find the perfect fit for your child. Registration looks a little different this year, however we still offer traditional ½ day classes, full day preschool in the childcare classroom setting and this is also our first year offering a GSRP (Great Start Readiness Program) class, in collaboration with LESA. We are excited to continue to evaluate the needs of our families and adjust our offerings to meet the community interest.

Summer camp registration for school age students opens March 13th. Join us for fun filled days full of assemblies, field trips, games and many planned crafts and activities. This program is for students that have completed JK/K though age 12. Many of our on-site assemblies also include our younger childcare students to ensure fun is had for all ages all summer.

Quote for thought: “Children don’t say, ‘I had a hard day. Can we talk?’  
They say, ‘Will you play with me?’”  
-Lawrence Cohen

Register for preschool now!

# Friends of Cromaine

The days after a successful book/bake sale are always happy days! We are truly blessed with the knowledge that our winter 2024 sale was special, and we thank all the volunteers who showed up to arrange books, answer questions, direct folks, work as a cashier and of course we thank all the folks who donated books and those who came to buy.

Our baked goods were yummy and sold rapidly! Thanks to our famous BAKERS! It should be noted that all profits go directly to the staff of Cromaïne to help with all their endeavors.

Although book/bake sales are lots of work, the Friends enjoy working together, and we welcome new members. For information, please stop by Cromaïne's circulation desk. We don't think you'll be sorry!

# Community Council News

The Hartland Area Community Council is busy preparing for Memorial Day 2024! Do you know someone that has provided leadership and community service to the Hartland area over the years? What better way to honor an unsung community leader than to nominate them to be the Memorial Day Parade 2024 Grand Marshal. Past Grand Marshals have been veterans, educators, librarians, church ushers and individuals from the local business community—including the 2023 Grand Marshals Matt and Anna Devitt.

To make a nomination, please provide the name and contact information of the person you wish to honor and the reasons you believe that this individual deserves the recognition. You can nominate them at [bit.ly/GrandMarshal2024](http://bit.ly/GrandMarshal2024) or mail it to the Hartland Area Community Council, P.O. Box 113, Hartland, MI 48353. Nominations must be received no later than 5 PM on March 19th, 2024. Join the next Hartland Area Community Council meeting—which all are welcome to attend—on March 4, 2024 at 6:30 PM in room 33 at the HESSC on M-59. Finally, forms for parade entries, Epley Park vendors, and ads for the Memorial Day booklet are on the HACC website at <http://hartlandcommunitycouncil.org/memorial-day-activities.html>.

The Teen Center is bustling. Teens were busy this month making crafts, baking for Winterfest, singing karaoke and playing the donated instruments on the stage. Planting began this week for the Spring Seedling Sale. Get a jump on your garden this year and help out the Hartland HERO Teen Center. Please inquire beginning April 1st, and visit our hoop house to see our selection.

## Teen Center News

The Teen Center would like to publicly thank all the parents who donated items and baked goods for Winterfest, and these area businesses who gave generously to make our concession stand possible: The Majestic Golf Course, Mackles, Tony Sacco's, Culver's, Starbucks, Beachamp Water, Hartland Mobil Pizza and Grill. The center would also like to thank the HERO Board who donated generously, as well as our teens and staff, who worked hard to serve the public.

The Teen Center is open school days until 6 PM. They provide after school care to Hartland Middle and High School students free of charge. The Teen Center also boasts a summer program, open three days a week, for most of the summer. Please send inquiries to Kay at [kayfountain8@gmail.com](mailto:kayfountain8@gmail.com), or Lori at [loriclarke@sbcglobal.net](mailto:loriclarke@sbcglobal.net).
