Superintendent's Corner

Chuck Hughes, Superintendent

@hartlandschools

Hartland Schools is blessed to have the BEST staff in the State of Michigan. The devotion to caring for students in all facets of our educational system is phenomenal. Thank you for all your work! I appreciate the staff's continued support of this administration. In the recent Staff Survey, (59% response rate), 93% of staff, up from 92% last year and 86% in 2021-22, indicated that they Strongly Agree or Agree with this indicator: I value and support the operation of the district under the current administration. It is always refreshing to know that our employees feel that we are doing a good job leading the district! Working shoulder to shoulder with each other ensures that HCS remains a "Premier School District of Choice."

Congratulations to our 2024 Hartland Teacher of the Year, Mr. Ethan Hawker! We want to recognize the impressive impact Mr. Hawker has had on HCS and the community over the past 28 years. He has worked at the high school as a teacher and golf coach, at the district level as a math coach, and as an administrator at Farms Intermediate. Mr. Hawker is a tremendous asset to the district. He is a positive, funny, caring colleague, teacher and coach and we are delighted to honor his work as a representation of HCS. Excellence at its best!

Happenings in Legacy High school...

The Legacy staff build long-lasting and influential relationships with students. One of the tools they capitalize on is the small class sizes of our building. There are many benefits of smaller class sizes including:

- More likely to participate in class
- More individualized attention
- More individualized feedback
- More likely to ask for help

We commend all of the Legacy staff for the connections they make with students.

Along with a caring, relationship building staff, friendships positively impact students' academic performance by providing emotional support and reducing stress. Peer connections often result in collaborative learning and the exchange of academic ideas; they improve comprehension and retention of course materials, improve focus and better concentration on studies.

Legacy celebrates all of the great connections students make with one another.

I would like to thank the teachers, administrators, PTO, parents, volunteers, and other school employees for their commitment to our students and families.

Our fourth graders will have a clap-out this year and a trip to Mackinac in May! We had great success with the Fun Run, Seussabration, the Talent Show, the Book Fair and March is Reading Month. We are excited to end the year with Field Day!

Round PTO money has been used to purchase chromebooks, guided reading books, classroom library books and soon we will have new playground equipment. PTO money was also used to provide many events for students, staff and families including the Glo Dance, Kona Ice, ice cream, Clap-out, Field Day, Fun Run, Talent Show and many field trips for all students.

We are thankful for your support. We could not provide such an enriching educational experience without you!

We wish you all a healthy and happy summer!

Third graders learned economics by creating a product, marketing it and finally selling it. Some had a buy-one-get one-free sale and other creative sales tactics.

Happenings around the center:

Summer is getting closer and we are so very proud of the growth of our students this year! To all of you that are heading off to JK/K this fall, we hope you have so much fun continuing to learn and grow in your new school. We hope to see you back in our latchkey program and hear all about your new adventures. Those in need of before/after school care registration is now open for students in JK/K-6th grade for the 24/25 school year. We encourage you to secure your spot now as space is limited.

Preschool for fall 2024 will have even more class options to meet community needs including the addition of full and half day GSRP options for 4yr olds, in addition to the tuition based programs that you have come to know and love over the years. The parameters for GSRP are also evolving and we encourage you to give these programs a look even if you didn't qualify in the past.

Year round childcare and summer camp students are getting excited for the upcoming assemblies and field trips that the warm months provide. Water days with the fire truck, visits from the animal safari, walks to local playgrounds and so much more! Contact us today for more information.

May is also teacher appreciation month. Please join us in thanking all of our amazing teachers, directors and support staff! We are grateful for a building full of caring and dedicated teachers who work hard every day to provide a safe, nurturing, entertaining and educational environment that fosters growth for our youngest Hartland eagles.

Quote for thought: "A good teacher can inspire hope, ignite the imagination, and instill a love of learning."

Teen Center News

The HERO Hartland Teen Center is proud to announce eight weeks of summer programming for 2024. We will be open, in general, on Tuesday through Thursday each week, with the exception of Fourth of July week. Mark your calendars with the specific dates and times listed below, and join in on the fun! The teen center is free. This summer we are welcoming rising 7th–12th graders, who are enrolled in the Hartland Consolidated School District. As always, all that is needed to attend is an up-to-date permission slip signed by a parent or guardian. Walking field trips require an additional permission slip. The cost is covered by our generous donors.

Summer schedule:

Walking Field Trips: Every other Tuesday teens will take a walking field trip to the movies! Movie Madness begins on June 11th. All movies will be showing late morning and movie goers should plan to arrive no later than 10 AM at the Teen Center. **Movie days are June 11, June 25, July 16 and July 30.**

June 4-6, Legos and Lounging: Recuperate from all the hard work you put in this school year and socialize with your friends. All the regular activities will be available, in addition, make and take Lego activities will be offered.

June 12 and 13, Pottery and Painting: Learn art with local artist Lori Clarke. (All supplies will be provided, no reservation required.) All the regular activities will also be available and art classes are optional.

June 18-20, Outdoor Games: This week we will be organizing kickball, gaga ball, corn hole and an obstacle course with prizes! Organized games are optional but encouraged.

June 26-27, Smash Brothers Tournament: If Smash Brothers is your jam, this is your special week! If not, there will still be plenty to do!

July 9-11, Water Fun: Cool off with water balloons, squirt guns, slip and slide as well as make and take tie dye. *Weather permitting*

July 16, Karaoke, and talent show competition.

July 23-25, Dungeons and Dragons at 1 PM.

July 30, Open Swim: Join us for a walking field trip to the Aquatic Center at 1 PM.

August 1, Picnic: Celebrate the end of summer break with a picnic at Settlers Park.

We are open from 7 AM to 6 PM on the following days: June 4-6, June 11-13, June 18-20, June 25-27, July 9-11, July 16-18, July 23-25, and wrapping up our final week on July 30-August 1. That is eight weeks of fun you will not want to miss!

2024 Memorial Day Parade Grand Marshal: Doug Kuhn

The Hartland Area Community Council is proud to announce the 2024 Memorial Day Parade Grand Marshal is Doug Kuhn! Doug is well known in Hartland and for his involvement in Memorial Day events in the community. He moved here with his family in 1949 when he was 7 years old and grew up in Hartland. He graduated from Hartland in 1960. From there he went to Flint Community Junior College and earned an Associates Degree in Science and eventually enrolled at Lawrence Tech as a Mechanical Engineering Student.

Kuhn was drafted into the United States Army in October 1967 and served two years of active duty and four years of reserve status. He did basic training, leadership training and advanced individual training at Ft. Knox in Kentucky. Most of his first year was spent at Ft. Knox becoming the Training Company Mail Clerk. He then received orders for overseas deployment to a place called "Leghorn Italy" or Livorno as the rest of the world knows it. The duty station was Camp Darby, which is a huge depot area that supplies Southern Europe and Africa with military supplies. While there, he became the HQ Company Mail Clerk handling all private mail for post personnel, the Department of the Army Civilians, Navy dependents and United Nations personnel in Pisa, Italy. In an unusual turn of events for a 'draftee' in a non-combat area, he attained the rank of E-5, Spec 5. His discharge from active duty occurred in October of 1969. Kuhn says he was "overjoyed" with the assignment and "while stationed in Europe my wife and I toured Europe until the money ran out!"

One of the proudest things about serving for him was the opportunity to help others in uniform so they could do their jobs. It also gave him a real understanding of what it means to serve your country by "taking your turn in the barrel." He feels that it is something that is hard to explain to civilians that have not had the experience.

Over the years Doug has done all kinds of work—from farming to engineering—and even serving Hartland Township in various roles over the course of 15 years. Kuhn explained, "I was raised to give back to the community in which you live."

Those that know Kuhn well know he's very passionate about Memorial Day. He's often been heard telling others, "Memorial Day is NOT a day of celebration but a day of remembrance for those who gave their lives for their God, their country and their loved ones! They gave their lives for what this country and flag stand for. The cemetery services are the sincere reminder of this respect. Hartland's Memorial Day Parade is a chance for the community to gather and remember the sacrifices of others for their freedoms. It is critical in building community pride and cohesion, too."
