District Teams Up With Hartland Optimist Club To Help Families During The Holiday:

Hartland School District has traditionally teamed up with the Hartland Optimist Club and the Hartland High School Jr. Optimist Club to support families in our community during the holiday season. We help provide a holiday meal, presents and other staples that families can use. Last year, the Optimist Adopt-A-Family program supported 92 families and over 400 children.

Individuals and organizations that supported this effort should have received a letter of interest for helping again this year. If you are interested in helping to support this worthy effort, please contact Mrs. Carol Hayes at carolhayes@hartlandschools.us or 810-626-2150. You can also reach out to the Adopt-a-Family Chair, Mrs. Meghan Glabach at Hartlandadoptafamily@gmail.com or 586-850-3366.

Hartland Building Principals Lead the Way:

The HCS building administrators are passionate about providing the support needed for every student and teacher to be successful. We are truly blessed to have this team leading our schools.

Top left: James Fitzgerald, Tom Ureche, JD Wheeler and Jessica Guss. Top right: Tony Howerton and Chris Chanavier. Middle, left to right: Melissa Frasier, Christal Briskey, Mikki Cheney and Dotty Hottum. Bottom, left to right: Stephanie Way, Nicole Conley and Jason Reck.

Your Voice is Important: The district will once again be asking parents to complete a Parent Perception Survey for the 2023-24 school year. The information collected is used to better understand how parents feel about the educational environment and school safety. Please take the time to complete the survey when it is sent to you by the building principals. Your voice is important! Thank You.

November 2023 Person Of The Month: Teri Wozny

I have a bachelor's degree from Oakland University with a major in English and a minor in Sociology, and a master's degree from Madonna University in Educational Leadership.

This is my 13th year teaching at Hartland High School. Mr. Hughes interviewed me two days before my wedding in 2010, and then called during my honeymoon to invite me back for a 2nd interview! It was such an exciting time, and also the first time I had ever been to Hartland. Over

the years, I have taught English 9-12 (10 is my favorite), sociology, and most recently the cadet teaching program, which has become my passion.

If you see my family, 9 times out of 10 we will be going to or coming from a Hartland event. Not only do Mr. Wozny and I both teach at the high school, but we both also coach and volunteer a lot of our time in the community with youth sports. We have 3 children who are very active in community events as well. Paige is in 6th grade at Farms, Frankie is a 3rd grader at Creekside and Sloan is in junior kindergarten

there as well. After teaching in Hartland for a few years, we moved into the district knowing this was where we wanted to raise our family.

One memorable HCS time was being one of the 2020 class sponsors. We had to get VERY creative when it came to most things due to the pandemic. Graduation was in drive-thru form, and the distribution of caps, gowns, and yearbooks took place with the administrative team and class sponsors driving around on a bus for 3 days delivering to every single senior (in and out of district). It was a treacherous adventure, but in the end, we did the best we could for our kids, as we always do.

Why am I still here? Oh, I have only just begun. I am not even close to being done with this career. I am just where I want to be, doing just what I want to be doing. I love this community, I love these schools, I love these kids, I love my colleagues, and I love teaching.

Hartland teachers care. I have the privilege of visiting all the buildings in the district to observe my cadet teachers, and wow, our teachers are incredible! Every classroom I visit has students being loved, interacting with their peers, learning and having fun! There is laughter, there are hugs, there is structure and there is support—so much support. You can literally see the learning taking place, and it takes on so many different forms. Every school amazes me with the unique ways they incorporate interventions to meet students where they are, and it makes me proud to be a Hartland Eagle.

Legacy High School

Homecoming Hurrah! Legacy students enjoyed celebrating EAGLE pride during spirit week, along with the football game, and the dance.

Hartland Virtual Academy

HVA students are enjoying the flexibility of learning online, and to showcase their diverse learning styles, abilities and interests we would like to highlight their stories in our new feature: Together we can do VIRTUALLY anything!

Meet Hunter! This is Hunter's third year with Hartland Virtual Academy. For him, learning virtually allows him the flexibility to do his schoolwork at his own pace so that he can have extra time to travel to the Upper Peninsula. While there, he loves to fish and snowmobile. Hunter's excellent grades in school and focus early on in the semester usually means that he finishes his coursework a month ahead of schedule and leaves him extra time to be outdoors.

Are you ready to become an EAGLE?

School of Choice Applications for the winter semester of the 2023-2024 school year opens on November 1st, 2023.

Did You Know...in the Alternative Education path, either Legacy High School or Hartland Virtual Academy, students enjoy the following:

- Rigorous curriculum that satisfies Michigan Merit Curriculum
- Hartland Consolidated School's diploma
- Advanced Placement Courses
- Dual-Enrollment Opportunities
- Share-Time Career Opportunities
- Participation/try-out for HHS sports
- Participation in social extracurriculars—prom, etc.

Sometimes 'Best Fit' learning is a traditional path with hundreds of opportunities and a big campus buzz.

Sometimes 'Best Fit' learning is a smaller environment that feels a bit more like family.

Sometimes 'Best Fit' learning is a virtual space with global connections and hometown mentor relationships.

Hartland Consolidated Schools is sure to have a 'Best Fit' for your student. For Alternative Education enrollment, Legacy High School or Hartland Virtual Academy, call the Office at 810.626.2172.

Round Elementary School is brimming with energy and excitement! We had our annual Fall Fun Run with a lot of incentives including Kona Ice and the Color Blast of Mrs. Hottum! We would like to thank our awesome PTO for all their time and support with the Fun Run. The students and families had a wonderful time and we raised over \$60,000 before expenses!

We will be using that money for benches on the playground, Chromebooks, classroom library books and other equipment upgrades to the playground. Proceeds are also used for family events such as trunk or treat, the glow dance, skate nights, Santa shop and the talent show.

We are looking forward to our annual Halloween Parade, which is a Round School tradition.

The students always enjoy sharing their costumes with friends, family and staff.

Thank you to all the Round School families that contribute every day to the success of our students. I am proud of our accomplishments. Round Elementary wishes the entire Hartland Community a Happy Thanksgiving!

Hartland Early Learning Center

Jessica Pasienza and Jessie Terberg, Directors

810.626.2780 or 810.626.2150

The face of early education is changing and growing nationwide! We are excited to continue elevating our programs and educational opportunities for our families and staff. Part of this commitment was the thorough process of changing our name to better reflect our core values and bring unity to all of the programs we provide the community. While we still offer childcare, preschool and school age programs, we are now all located in one building (with the exception of our on-site latchkey at Lakes) with our new name being Hartland Early Learning Center! While our programs continue to grow, we are excited to be able to offer limited availability in select programs and on our team. We welcome you to give us a call and take a tour.

Limited Childcare Center and preschool spots available. Please call today!

Happenings around the center:

Fall brings fire safety fun for all ages. Preschool classes each enjoyed a day at the fire station. This parent participation field trip is always a favorite. Students learn about having a safety evacuation plan at home, experience how to safely exit a smoky room, see a firefighter in full gear and look inside the fire truck. For our younger students we brought the fire truck to the center for an age appropriate fun presentation. Exposing young children to firefighters in full gear, letting them touch the gear and hearing how a firefighter sounds when talking through a mask can be life saving in a real emergency. While our school agers don't experience fall fire week directly with us we are sure to still have some conversations and include a field trip to the fire station each summer during our summer camp program.

Quote for thought: "Children are not things to be molded, but are people to be unfolded."

Friends of Cromaine

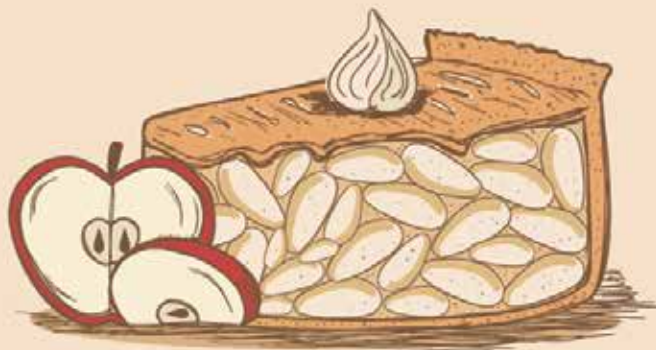

Who doesn't love to gather around the Thanksgiving table with family and friends and enjoy a wonderful feast? Everyone seems to have their favorite side dishes, but most folks seem to agree that finishing Thanksgiving dinner with a piece of PIE is the BEST!

Let me tell you how to claim a really fine pie! The Friends of Cromaine will again sponsor their annual pie sale. We will feature this sale on November 22nd at Cromaine Library on the 2nd floor in the youth room. Doors open at 10 AM and will continue until pies are gone.

This is a special sale, so of course we need BAKERS! The Friends hope you will step-up and bake a pie or two or three. If you can help us out, Sandy, our President, will give you instructions on how to box your pie and deliver it. Her e-mail is sschemke@yahoo.com.

Please know that all proceeds go to Cromaine Library and their staff to make our library even more special.

Thank you!

ANNOUNCING: THE 2023 VOLUNTEER OF THE YEAR

Congrats to CINDY SHAW!

Cindy Shaw is a familiar face to many in our community. There are not many volunteering opportunities that get past her without her stepping in to help. She has truly established herself as a "go-to" resource to multiple organizations.

As her own children have made their way through Hartland Schools, Cindy has been quick to step up and volunteer as an active member of whatever club, committee, or event that needs an extra set of hands. Within the schools, she is currently involved as a parent volunteer for Hartland Bands, serves as President of the HHS PAC, and advocates for the HHS Student Pantry. She also helps in the Hartland community. She is a member of the Hartland Optimist Club, serves on the Hartland Art Walk committee, and has volunteered at Chamber events and Hartland SOUP in the last year.

Shaw has made many personal connections and established deep friendships through her many years of volunteering in Hartland. Why does she do it? "It gives me a sense of purpose. To do something selfless for others is a way to make the world a better place. In a time when kindness is needed more than ever, volunteering is the easiest way to be kind to others."

To others considering finding new ways to invest their free time, Cindy offers this advice: "You can make a difference! Show up. You never know whose life you can impact!"

A heartfelt "thank you" from our whole community. You are the heart of Hartland!

Teen Center News

The Teen Center is hopping this school year with a lot of new students and new energy. Our staff has been working hard to make sure everyone has an after school snack and the opportunity to build relationships with their peers. Students pictured here are playing Magic the Gathering, decorating T-Shirts, making canvas art and practicing music together.

As everyone gears up for winter, please remember it is not too early to sponsor the Teen Center at Winter Fest. Hartland Area Winterfest will take place on February 10th, 2024. If you are an area business that would like to be recognized for a contribution, e-mail Kay Fountain at kayfountain8@gmail.com.

If you would like to support the Teen Center, consider donating baking items (sugar, flour, chocolate chips, eggs). We will begin baking December 1st to get ready for the Holidays. Donations are accepted at the teen center during regular business hours—school days from 2–6 PM.

The HERO Hartland Teen Center is the only free space open to teenagers in all of Livingston County. If you know an area teenager who needs an after school activity, please refer them to the Teen Center. For more information call Lori Clarke, Parent Representative, at (810) 844-4087, or e-mail Loric@atsedu.net.
