## Superintendent's Corner

Chuck Hughes, Superintendent

I would like to welcome our new school safety team and express my gratitude to the Livingston County Sheriff Office and the Fortis Group as partners in this new initiative. It is my hope that students, staff and parents build strong relationships with these individuals as they help to create the safe environment, we all want our children to have.

**Deputy Brian Chuff at HHS:** Deputy Chuff has been with the department for 25 years. He has worked with many specialty teams within the department. He is joining our HCS Security Team at Hartland High School and is excited to be a positive role model for our students.

**Detective Marc King at HMS:** Deputy Marc King has worked for the Livingston County Sheriff Office for almost 24 years. Marc has spent the last 16 years of his career as a Detective, and previously worked as a road patrol deputy, field training officer and school resource officer. He was a member of the LCSO Tactical Team for fifteen years, where he was promoted to Team Leader. He has specialized training with the Michigan State Police Internet Crimes Against Children Task Force.

Marc holds a Bachelor's Degree from Adrian College in Criminal Justice. He is married, and lives in Howell with his two children. In his free time, Marc enjoys coaching football, playing bad rounds of golf and spending as much time with his family as possible. He looks forward to working with, and being a resource for, the staff and students in the Hartland Consolidated School District.

**Protection Specialist Steven Faith at Farms Intermediate and Lakes Elementary:** Mr. Faith spent 25 years with the Dearborn Police Department where he served in many special capacities. He also works with the Wayne State Psychological Department as a peer support team member for first responders. Mr. Faith will be joining the HCS Security Team at Lakes Elementary and Farms Intermediate.

**Protection Specialist Mike Fluhart at Round Elementary and 51 Building:** Mr. Fluhart spent 35 years in law enforcement including time as a Sergeant for the Farmington Hills Police Department. He is also retired from the US Army and Michigan Army National Guard. Mr. Fluhart will be joining our HCS Security Team at Round Elementary School and our 51 Building.

**Protection Specialist Stan Cooke at Creekside Elementary and Village Elementary:** Mr. Cooke also has a degree in criminal justice. He spent his career working both in Colorado and Michigan where

much of his time was working for the Michigan Department of Corrections. Mr. Cooke is also an Army Veteran from the 101st Airborne Division. Mr. Cooke will be joining the HCS Security Team at Creekside Elementary and Village Elementary.

**Protection Specialist Randy Mince at Hartland Educational Support Service Center:** Mr. Mince spent 28 years in law enforcement with his longevity in the City of Novi Police Department where he held many positions including K9 officer, Narcotics Officer and Detective. Mr. Mince will be joining the HCS Security Team at the Hartland Educational Support Services Center.

**LCSO Deputy Wever and Deputy Clayton:** Hartland Township will continue to have police coverage daily through a partnership contract with the HCS, Hartland Township, CSA and the Livingston County Sheriff's Office. Visibility throughout the community will provide additional support to our schools and businesses.

**Hartland Consolidated Schools is excited to offer FREE breakfast and lunch to ALL students this school year thanks to the Michigan Healthy School Meals Program! All school breakfast and school lunch meals will be FREE to ALL students for the 2023-24 school year. Parents/guardians do not need to fill out an application for these free meals. Meals will be FREE to ALL students regardless of application status.**

These free meals include complete school meals only. Please remind your student that for a meal to be free, they must choose a fruit or vegetable every time. Each student may only have 1 free breakfast and 1 free lunch per school day. All students will continue to pay for ala carte items, second servings and ala carte milk. Students can only get 1 milk free when it is part of a complete meal.

Even though meals will be provided for free, it is important for families to continue to fill out free or reduced meal applications if they think they may qualify. An approved application may allow families to receive additional assistance. This assistance may include reduced fees for athletics, clubs & community education, local food assistance, holiday meals and support, field trip support, school supplies, utilities support, reduced testing fees, college admission fee waivers and more. This also allows our schools to receive full access to federal and state funding for educational programs that our students are entitled to.

If you have additional questions, please call our Student Nutrition office at 810-626-2868.

## Board of Education Happenings

The Board of Education is committed to creating the safest educational environment possible for students and staff. Parents and school visitors will be asked to always carry a State of Michigan issued ID with them when entering the buildings. The district will be using a new identification system at all buildings and without a state issued ID you will not be permitted to enter. The volunteer and visitor procedures will remain in place requiring pre-approval to volunteer and visit during the school day. We realize that there may be an inconvenience to you or your family, however, we feel that safely identifying and understanding who is in our school buildings is extremely important.

## Welcome Back from Hartland Transportation!

The 2023/2024 school year has arrived, and we are looking forward to another great year! As always, we strive to make your child's bus ride a positive part of their educational experience. Here are a few important informational points for review:

- Your student must be waiting at the bus stop 5 minutes prior to the scheduled arrival of the bus. Once the alternating lights of the bus are deactivated, the bus driver cannot legally reactivate them and it is then the parent's responsibility to transport their student to school.
- Students and Parents should never try to catch the bus once the lights have been cancelled. Please do not go to another bus stop without contacting the Transportation Office; the bus driver must be notified.
- If possible, your house number should be visible from the traveled roadway; mailbox numbers are acceptable, but should be large enough and clearly visible on both sides.
- The expected behavior of the student rider is found in the Parent-Student Handbook. We encourage parents to review these responsibilities with their children to ensure their privilege of riding is not lost. The handbook can be found by going to the district website at [www.hartlandschools.us](http://www.hartlandschools.us), then clicking on Parents & Students, and then Handbooks
- **Students should never cross the road prior to the arrival of the bus.**

If you have any questions or concerns we would be happy to talk with you. Please contact Hartland Transportation at 810.626.2175.

## Welcome back to Hartland High School!

Welcome back! Staff and students are back in the swing of things at Hartland High School. We have had a great start and are beyond excited for what the 2023-2024 school year will bring! Our fall athletic teams are back in action as well. We hope to see many of you cheering on our athletes at a game, meet or match this fall. Go Eagles!

Upperclassmen registered on August 3rd. They were able to walk their schedules, pick up parking passes and have their picture taken. Our counselors were on hand to help students with their schedules and welcome them back. The high school staff is excited to see students returning and having students back in their classrooms.

Freshman orientation was held on August 7th. Our incoming Freshmen enjoyed meeting their LINK leaders, classmates, principals, class sponsors and many more. They also enjoyed some fun activities, toured the building and took their school pictures. The high school staff is looking forward to working with the freshman class and their families this year.

We have a lot of new staff members joining our team this year as well as some familiar faces in new roles. Welcome (from left to right) Marty Neighbors (Construction/CTE), JD Wheeler (Assistant Principal), Mike Zielinski (Construction/CTE), Jessica Guss (Dean of Students), Lauren Burnick (Special Education), Sara Ruthig (ELA), Jennifer Jackson (Business/CTE), Brian Hassler (Athletic Director) and Kyle Docken (Health). Not pictured, Sara Rainwater (ELL), Shawn Howell (SPL), Greg Bratt (Security), Allison Pouliot (Intern Social Work) and Brian Chuff (SRO). We are excited to have them on board to work with our students and staff.

The Marching Eagles held their annual band camp just north of Oscoda, at YMCA Camp Nissokone, along the shores of Lake Huron during the second week of August. Under the guidance of Brad Laibly and other talented instructors, roughly 200 band members and color guard attended. The group focused on student leadership, student ownership and working together towards a common goal. The band was also fortunate to work with specialists for the week that worked with each section on their music and marching. In addition to working on their first show of the season, the band members participated in fun activities. Be sure to get out to a game this fall to check out this awesome group of performers!

Welcome to Hartland Preschool!

The new school year is upon us and that means classrooms full of little ones (and their parents) experiencing school for the first time! Read on for some tips from preschool teachers on how to start the year off with positive and smooth transitions for a successful school year.

1. Quick goodbyes leave dry eyes. This is typically easier said than done but the longer the goodbye, the tougher it is for your little one to part ways. Give a quick hug and kiss, tell them you will see them soon and smile with a wave. They are in good hands!

2. Set a routine—and stick to it as much as possible. Routines are very helpful for setting structure and being able to anticipate what will happen next. Have a routine for getting ready each morning, as well as for going to bed at night. For example, each morning get dressed, have breakfast and start the day; each night, have dinner, get ready for bed, read a book, say goodnight.
3. Sleep! A good night's sleep is very important for a healthy and positive day!

4. Keep open communication. Be sure to keep your child's teacher in the loop about any changes that might have taken place at home, as well as any concerns or questions you might have. It will help you feel better about things and will let your child's teacher be able to make any necessary accommodations.

Every school year brings new challenges and new areas of growth. Embrace them as they come and enjoy every moment!

We still have a few preschool openings! Call to register!

Teen Center News

Teens enjoyed several free field trips over the Summer including a trip to Cleary University in Howell. At Cleary students were greeted by Coach Carl Thomas who is a former NBA player and is currently the head coach for Cleary's basketball team. Coach Thomas gave the group a private tour, and some time on the indoor courts, as well as in the Esports room. Students also had a private tour of the Arthur Secunda Museum. The works of Arthur Secunda are on permanent display at Cleary University, and are utilized to teach students different aspects of originality and creative thinking.

Hartland HERO Teen Center is a free place for students in grades 7-12 to gather after school. We are open every day that Hartland Consolidated Schools are open. Our hours begin when school is dismissed and we close promptly at 6 PM. This year we are offering arts and crafts activities including pottery and hand building with clay. Our staff will be firing student work as early as October 1st. Teens are encouraged to stop by and create with clay, take a spin with our newly donated pottery wheel, or learn some hand-building techniques from our volunteers.

We do offer a free after-school snack, as well as a late afternoon snack. This is made possible solely by donations from our generous community. These are the items we are currently collecting for donation: American cheese slices, butter, sugar, frosting, cake mixes, spaghetti, spaghetti sauce, boxed macaroni and cheese, hot dogs, hot dog buns, Mexican style shredded cheese, medium flour quesadillas, loaves of white bread, fresh fruit (especially apples), frozen juice concentrates or juice of any kind. We also accept donations of Walmart, Meijer and Kroger gift cards as well as Little Caesars Pizza.

If you or your teen have any questions about the Teen Center, please contact Lori Clarke, our Parent Representative on the HERO Board of Directors at lorclarke@sbcglobal.net or call (810) 844-4087. Parents and teens are also welcome to stop by during our open hours of operation.

### Updates from the Childcare Center

Have you heard the BIG news? Our infants & toddlers have a new playground! It was a lengthy process that was worth the wait for our youngest students! Staff and students alike are full of laughter and excitement as they enjoy the new space!

We would like to wish all of our transitioning students best wishes as they leave the center to begin Kindergarten and welcome back those that took the summer off and have now returned. As students meet their new teachers and adjust to their new classroom we look forward to settling into fall routines throughout the building.

### We offer before and after care.

Please contact us if you are interested in setting up a tour or getting more information about our programs. We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the Lakes or Farms may enroll at the School Street center or take advantage of the school-age program at Lakes School. The School Street Center is open from 6 AM–6 PM. Lakes location is open from 6:30 AM–6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the “No School” days or snow days! Our center is almost always open!
