Superintendent's Message

Janet Sifferman, Superintendent

In addition to congratulating Hartland's 2012 graduating class, I would like to thank the entire Hartland community for their continued support of our school district during these trying financial times. The successful passage of the 18-mill Non-Homestead Millage will help us to continue to provide the programming and services for our students that the community has come to expect. It would be impossible for Hartland Schools to do what we do without your continued support. This is a wonderful place to live and work! Thank you.

I would like to welcome new Hartland High School principal Ben Mainka. Ben comes to us from Fowlerville Junior High School and will be taking over for Chuck Hughes July 1 as Chuck moves to Central Office to serve as Director of Curriculum and Instruction. I would also like to welcome two current Hartland Schools educators to new positions in the district. Kate Gregory, currently Dean of Students at the high school, will assume the assistant principal position at Hartland High School for 2012/13; and Mary Day, currently the counselor at Farms Intermediate School, will move into the assistant principal position vacated by Peter Vance earlier this year. I hope everyone will welcome all of them to these new and challenging positions!

Dear Hartland Graduating Seniors:

Your career with Hartland Consolidated Schools is rapidly drawing to a close, and waiting for you at the end of this road is the rest of your life. While it seems inconceivable that you could possibly have better times and better friends than you have now, I promise you the best is yet to come!

There will be numerous parties and celebrations awaiting you in the coming weeks and you certainly deserve each and every one of them. However, please remember, this is a very short period at the beginning of a very long and bright future. Do not do anything that will jeopardize your life or your future happiness. You certainly can have a great time and enjoy yourself without the aid of alcohol or drugs. The rules you learned here - Reason, Respect and Responsibility - should remain with you as you go through life. Please remember to think before you act. This time should be remembered for the joy and excitement of achievement, not as a time of tragedy.

Congratulations to you and your families.

Respectfully,

Janet Sifferman, Superintendent

Please note that the Hartland Educational Support Services Center will be closed for construction Wednesday, June 13 through Saturday, June 16. The offices of the following departments are moving to Hartland High School at 10635 Dunham Road and will be open from 8 am to 4 pm to serve you:

Central office 810.626.2100

Community Education 810.626.2150

Meals on wheels 810.632.2155

Our phone numbers are staying the same during the relocation period. We appreciate your cooperation and apologize for any inconvenience this may cause.

Please note that there will be no programming or classes for the Hartland Senior Center, gymnastics, fitness, Washtenaw Community College, open volleyball, pickleball or basketball, etc. during this shut-down.

Hartland Teacher of the Year

Congratulations to the 2012 Hartland Teacher of the Year, Dotty Selix. Dotty is currently the Reading Recovery teacher at Lakes Elementary School and a literacy coach at Farms Intermediate Schools. Dotty is a life long resident of Livingston County. She attended K-8 grades at Brighton Public Schools and 9-12 grades at Pinckney Community Schools. Dotty holds degrees in Elementary Education and Early Childhood Education from Eastern Michigan University. She is currently working on obtaining an Education Specialist's degree in Administration. Dotty has taught for 14 years, eight in Howell and six in Hartland.

Dotty originally went to college to become an oceanographer. She changed her career plans after a professor mentioned that there was a shortage of teachers, especially in math and science, the two subjects that Dotty was focusing on in her coursework. Once she began going into the classroom to teach lessons as part of her coursework at EMU, she realized that she had found her calling. After graduation, Dotty's first job was a Title I instructor which focused her interest in early literacy instruction. Eventually early literacy became her passion and this led Dotty to her current position in Hartland.

Dotty is a member of the International Reading Association, Reading Recovery Council of Northern Michigan, Michigan Reading Association, Association for Supervision and Curriculum Development, Learning Forward and the American Association of School Administrators. She has worked to bring grant money for Reading Recovery and Early Literacy programs to Livingston County.

Dotty is passionate about reading. Dotty admits that growing up; she herself was not a good reader. Reading was a difficult task and Dotty says she often chose short children's books to do her book reports. Dotty's teachers helped her tap into her strengths; that is how she became a better reader. Dotty believes that helping students focus on their learning strengths will ultimately make them proficient readers.

Dotty lives in Howell and is engaged to Bill Hottum. She has two daughters Ashley and Patty and two grandchildren, grandson Teddy and so to be granddaughter Allie. Dotty enjoys rescuing and fostering dogs; she currently has four dogs as part of her extended family. She enjoys scuba diving, skiing and hunting. Dotty is also an expert pool floater while reading!

Congratulations to Dotty Selix, another great example of the quality of teachers found within the Hartland Consolidated School district.

Looking for a great Graduation gift?

We'll look no further than your local historical society. They have the perfect gift for the high school or college graduate. Surprise them with a comprehensive book that covers the Hartland Area from the 1830s through 2004. The 700 page book "Hartland: Weaving the Past with the Present" was published in 2004. Immediately over 500 copies of the 1000 printed were sold in 3 months.

The Hartland Area Historical Society still has approximately 300 copies remaining to be sold. Copies are \$47.70 (includes tax). The society only accepts cash or checks (payable to Hartland Area Historical Society) and the books may be purchased at the Crouse Library (village location), the Community Ed office on M-59 and at the Florence B Dearing Museum located at the corner of Crouse and Avon during their hours of 1-3pm each Wednesday and Sunday. To confirm hours the museum is open or to schedule a group tour please call Hildy Foley at 810.229.7621.

Principal's Corner

Chuck Hughes, Hartland High School Principal

Oh my, I just realized that this will be my last Principal's Corner for Hartland High School. It has been twelve years and a terabyte of memories to cherish for years to come. Before I leave this office I would like to thank every student, parent, HCS staff member, and community member for the opportunity and responsibility given to me to guide young people toward their post high school endeavors. I want you to know that the Hartland community has been influential in helping me to become the person I am today. I have learned much about the nature of reason, respect, and responsibility. It has become second nature to look at things from a larger perspective than just the position of building principal. I wish to thank you for your willingness to use my open door policy for the discussion of concerns and to celebrate the many successes we have had over the years. I want to thank you for taking the time to understand the importance of providing our students with a comprehensive and well-rounded public education. As I move to the position of Director of Curriculum and Instruction I will do my best to hold on to the knowledge that a big view is essential in helping the Hartland Consolidated School District to remain a premier school district.

As the school year wraps up please remember to help students clean out their rooms, cars, book bags, etc. and to return all textbooks and school owned supplies. By doing this we will be in a better position to maximize our financial resources in preparation for the 2012-13 school year. Your help is greatly appreciated.

Have a great summer!
Chuck Hughes

DECA at International Conference

The Hartland High School DECA Chapter had 12 students attend the DECA International Career Development Conference in Salt Lake City, Utah, April 27 through May 2. Hartland had some good results with Ryan Clogg finishing Top Ten in the Professional Selling Event. Blair Pellatt finished in the Top 16 in the Business Services Marketing Event, and Sean Virden received a testing medal for having a Top 10 test in the Professional Selling Event. Other students that attended include: Natalie Sulkowski, Anthony Colaianne, Ivey Garner, Tyler Holderness, Josh Maatta, Zach Mixer, Nick Rize, Brandon DePoy, and Kayla Hinkle.

Along with the competition the students attended various activities including: a fashion show that featured a former Hartland student (Justin Pumford), a concert by the Eli Young Band, guest speaker George Zimmer (Men's Warehouse CEO), a performance by the dance group Jabbawockeez, and attended a minor league baseball game of the Salt Lake City Bees.

Students earned the right to attend by qualifying at the State DECA Conference back in March. The DECA Chapter helped to pay for part of the trip, but students also received sponsorships from area businesses such as: Arby's of Hartland, Mexican Fiesta, Troy Clogg Landscape Associates LLC, MDJZ Custom Cutting, Animal Crackers Pet Salon, Hartland Smilemakers, Little Caesar's Pizza, and E.L. Hollingsworth and Company. Next year the students will have the opportunity to compete in Anaheim, California.

Link Crew Welcomes The Class Of 2016

On Tuesday, August 28 from 7:45am until 12:30pm. Hartland High School will welcome the class of 2016 with a mandatory orientation program called Link Crew. This orientation is designed for students only. Parents will have an opportunity to join their student at the conclusion of the Link Orientation.

There will be a parent orientation in the HHS auditorium on the morning of the freshmen orientation hosted by HHS administration from 8 to 9:15am. This parent orientation is intended to provide useful information and tips to make your incoming freshmen successful.

The Link Crew program "links" junior and senior students with a "crew" of freshmen. For two days prior to the orientation, these junior and senior Link Leaders, from diverse social backgrounds, will be trained to lead small groups, to be role models to others, and to guide the activities for the orientation day. At the heart of the Link Crew program is the belief that these older students are capable of great leadership to the freshmen, as well as other students on campus.

The purpose of the Link Crew orientation day is to give the freshmen a positive experience on the HHS campus. The day will begin with an exciting welcome. After a few warm-up activities, the students will participate in some get-to-know-you activities with their classmates and Link Leaders. Then students will be introduced to their assigned Link Leaders. Each crew will participate in small group activities designed to help the students learn about each other, their school, and their Link Leaders. The small group time will conclude with a brief general tour of the school, pointing out key locations such as the main office, cafeteria and main academic hallways.

Students must attend this orientation to receive a copy of their class schedule prior to the first day of school. The school tour provided during the orientation will not allow the students to walk their individual schedules. Therefore, parents are invited to join their ninth grade student following the conclusion of the orientation program to walk through their class schedule in order to feel more comfortable with class locations prior to the first day of school. Doing this is highly recommended.

Stay tuned because Link Crew continues throughout the entire year with social and academic follow-ups between the Link Leaders and their crews.

****NOTE**** Ninth grade registration will be held on August 21. This is a separate event from orientation, but it is mandatory that students and parents attend. At registration parents and students can expect to turn in emergency cards, get school pictures taken, pay for school pictures, athletic passes, etc.

Forensics State Tournament

Every year New York University does a survey that asks people their ten biggest fears. Perennially, "Speaking in front of a group" often comes before "death." For this reason alone, much credit should be given to the students who actually choose to compete in forensics, which is a competitive public speaking team. The Michigan High School Forensics State Competition was held at Western Michigan University with the top high school competitors from classes A, B, C and D vying for top honors. State qualifiers from Hartland were: Senior Rhianna Dilworth, Senior Victoria Cothran, Junior Elizabeth Werstein, Sophomore Connor Cothran, Freshmen John Moraitis, Kendra Rocha, Jerod Clover and Morgan Herrington.

Senior Rhianna Dilworth finished with a sixth place trophy in the category of Oratory, which entails a 10-minute persuasive presentation with no script and no visual aids. Rhianna's speech was on the need to take action against the industry of academic plagiarism. Rhianna was also a finalist in the national tournament qualifier held April 28th in Holland, MI.

Senior Victoria Cothran should also be proud of her competition results as she narrowly missed being a semi-finalist by one point, finishing thirteenth in the category of Poetry. Victoria's poem, "The Art of Teaching" was aptly chosen as she is considering a career in teaching.

Students Of The Month

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as "Students of the Month." Nominated students must meet one or more of the following criteria in order to be selected.

- The student must show continued success in all subjects
- The student must exhibit good citizenship
- The student must make a significant positive contribution to the school and others
- The student must exhibit a positive attitude toward school, self, and others

Congratulations to our May Students of the Month - Jenny Bauer and McKenzie Zaul and our June Students of the Month - Alexis Roberts and Brandon Thomas.

Jenny Bauer, seventh grade, and McKenzie Zaul, eighth grade Students of the Month for May.

Alexis Roberts, seventh grade, and Brandon Thomas, eighth grade Students of the Month for June.

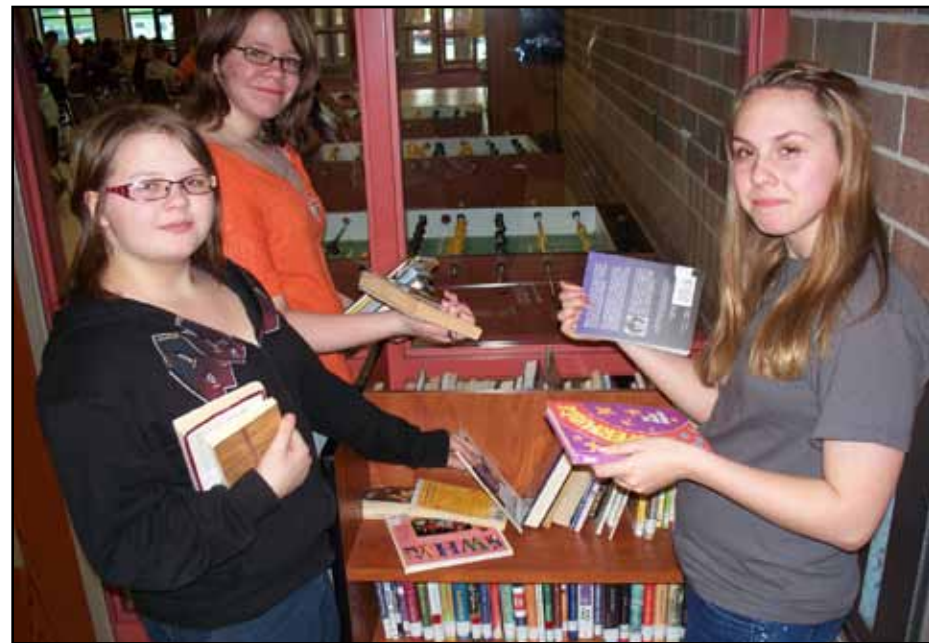

Extemporaneous Speakers Dominate at State Tournament

Speaking in front of a group is challenging for most of us, while speaking in front of a group about current political, economic and educational trends with only 30 minutes of preparation time sounds downright terrifying. Not to HMS forensic team members Raymond Kennedy and Brenna Rosso who did just that for three rounds of competition at the Spring Middle Level Forensics Tournament held on April 21st at Wayne State University. Hats off to Kennedy and Rosso who placed second and fourth in this category.

The Spring Forensics Tournament brings middle school students from all over Michigan together for a day of fun, meeting new friends and of course, seeing how their speaking skills stack up against their peers. Other Ore Creek students who competed were Mason Cothran in Prose, Rhys Ellis in Oratory, Allie Darish in Storytelling and the Duo Interpretation team of Ellen Harper and Mackenzie Marshall. Several of these students will also go on to compete at the National Junior Forensics tournament held this June in Indianapolis, IN.

Thank You

I would like to thank the Hartland Middle School staff, faculty and parents and students for another great school year. Good luck to the class of 2016 as they move on to high school. Remember that you are part of Hartland Pride and a long tradition of excellence. For incoming seventh graders and new eighth graders, remember that it is people - teachers, students, support staff, and parents - that make a school great, and we have the best middle school in the State!

Farms Forensics Competes at State Tournament

Can you imagine writing and memorizing new speeches each semester and then presenting them in front of several judges? This is exactly what over four hundred Michigan middle level students in grades 6-8 do every year. Students get to pick a new speaking category each semester, so there is always something new and fun to learn.

Sixth grade sisters Jennifer and Nicole Nelson have built up an impressive record of choosing a new speech or category each month and they are only in their first year of forensics. For the Spring State Tournament held on April 21 at Wayne State University they performed a Duo Interpretation piece titled "The Incredible Adventures of Maw-maw's Blanket".

Not to be outdone, another sixth grade student, Devin Rocha researched, wrote, memorized and created visual aids for his speech on ancient Egyptian burial practices. Anyone remember The Mummy? Devin scored well enough in three rounds of competition to win a semi-finalist plaque.

Thanks to team members Max Cothran, Sierra Dilworth and Becca Habarth who assisted other team members, coach Laurie Cothran, and the tournament directors at this tournament.

April Students of the Month

Each month at Farms Intermediate School, we acknowledge students who have been nominated by their teachers for outstanding academic performance, as well as, for displaying exemplary Reason, Respect, and Responsibility. Students are presented with a certificate and their names are announced school-wide. Congratulations!

Evan Griffin, Jaclyn Duncan, Keagan Tremel, Casey Ford, Nina Fernandez, Michael Allen

Star Readers Program

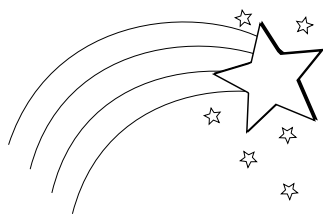

Our Star Reader is a program designed to encourage students to read, read, read. The Farms teachers select two students each month from their homeroom classes who have exhibited good reading habits. These students are the ones you see reading whenever they have a few minutes to spare. All monthly winners receive a 50 cent gift certificate to our School Spirit Store. Congratulations to our Star Readers!

Mark Newman, author of Sooper Yooper, was a guest speaker at Farms. He spoke with all sixth grade science classes about protecting the great lakes from invasive species.

Students proudly display their winning posters for our Earth Day contest. The theme was "What Makes Our School Green?" Congratulations to our winners!

Thinking Outside the (Classroom) Box

Anyone that has ever spent even one single day in an elementary school knows how busy a classroom is with the various subjects being learned, activities, projects, and all this by one teacher. Fortunately Creekside has an army of parent volunteers that come to the rescue and help wherever they are needed. We are so appreciative to all they do to help make so many wonderful opportunities available to the students, teachers & staff, and even the community.

Here are some highlights of the many ways Creekside volunteers participate to make things happen on a day-to-day basis at Creekside: Fun Run, Harvest Run, Field Day, Santa Shop, Field Day, Science Fair, 4th Grade Tie Dye shirts, Popcorn Friday poppers, Math Pentathalon, Creekside Crusaders, Repairing Books, Spelling Quizzes, Listening to Students in Daily Reading, Copy Room, Reading to the Students, Donations for Classroom Needs or Activities, Taking Photos for Yearbook, Community Life, or the PTO Bulletin Board, Lunches & Breakfasts for Teachers, Special Classroom Projects, Mileage Club, & Field Trip Chaperones. Thanks helping make Creekside a great place to learn!

Lakes Elementary Kindergarten students were treated to class workshops on Force and Motion from Miss Kathy of the Cranbrook Science Center with a visit to our school. Mrs. Zielinski's students enjoyed a presentation about gravity as they watched blue "goo" flow off the table. Nathan Line volunteered to illustrate the concept of static electricity in Mrs. Atreo's class and sports an interesting hair style as a result.

Lakes staff celebrated our wonderful parent volunteers in April with a special Parent Volunteer Dessert. A wide variety of delicious homemade desserts were provided by our teachers and parents received appreciation certificates along with gifts of wildflower seeds and a Starbucks gift cards. Parents and staff enjoyed some social time together while babysitting was provided by Mrs. Susan Neighbors and several Hartland High School Jr. Optimist Club students. We would like to express our deepest appreciation to all of our parent volunteers, those that attended and those who were unable to, for all that they do for our Lakes students and staff throughout the year.

Earth Day at Lakes Elementary was celebrated in many different ways, including all 526 students signing our Earth Day Pledge with chalk on the front sidewalk (rather than paper copies). Pictured here, fourth graders Chase Grostic and Alex Burant get creative with their signatures as they pledge to care for our earth.

The Round Elementary School Family would like to thank all the people who made this school year a great one. We feel fortunate to have caring people who help us create a positive learning environment for our children. We wish everyone a safe, restful, fun-filled summer and look forward to another exciting school year. The following pictures feature our Science/ Art Fair and Ice Cream Social. It was a big turnout to look at our student's fantastic science and art displays and share ice cream scooped by our staff. A special thanks to the PTO and Stephanie Darish for organizing the event, to Art teacher Jess Waske for the wonderful art displays, and to our talented staff for working with their students on the published books. It was an awesome night! We have an incredible staff at Round Elementary School and we wish you a great summer.

Thank you for your generosity and for supporting the children of Round Elementary School. Sincerely, Round PTO

William Cain, Principal

The summer is now upon us and we hope you have a safe, fun and a relaxing summer creating lasting memories with your families. Village Staff and PTO would like to thank everyone who made it another outstanding year at Village! With your continued involvement and dedication, our children grow and learn in a positive and caring environment.

Please encourage your children to read and write during the summer. Take advantage of programs; such as, "Summer Reading Kick-Off" at Cromaine Library. You can find more information on the PTO Website at <http://minnie.hartland-schools.us/groups/villagepto/>.

And finally, CONGRATULATIONS to all our Fourth Graders! It is with a heavy heart that we send you off to the next phase of your life. In keeping with ceremonial tradition, we will have Fourth Grade "Clap-Out" on the last day of school. We are so proud of you and wish you well in all of your future endeavors.

In what has turned into a tradition, our Village Mama Duck returned to the courtyard to have her (11) ducklings. We believe this may be her 10th year at Village. Every year, the staff opens the doors, as she and her ducklings make their trek through the school while the students watch with excitement. Nature at its finest!

Alex Winter won the Silent Auction at the school Fun Fair for an afternoon of roller-skating with Mrs. Dennis, Village's school Librarian. He invited a few friends along to enjoy it with him!

Police Officer, Mr. Cavanaugh paid a special visit to talk about safety with Mrs. Jessen's first grade class.

Fourth graders add their "mark" to Village Elementary by painting ceiling tiles that will be proudly displayed throughout the school.

Thank you to second grade Wolf Scouts Pack 383 led by Jennifer Ancheta and kindergarten Daisy Troop 40230 led by Katie Chuba. They did a fantastic job cleaning up and planting flowers to the Village Elementary sign in front of the school.

LEGACY HS

Kirk Evenson, Principal

The seniors have left the building and summer is all but upon us. The 2011-2012 school year comes to a screeching halt as students head home for the summer. I know most students cherish summer break with much rest and fun planned for the time away from class and instruction. We hope the students plan to have SAFE and SOBER fun this summer vacation.

Too many times students fill their empty day with senseless abuse of drugs and alcohol. Families need to have activities planned for young people to beat the boredom. Studies show, active teenagers are far less likely to fall victim to substance abuse than students with free time that is not chaperoned or organized.

Everyone have a great summer! See you next fall.

Fall 2012 Enrollment

LEGACY HS is currently taking student referrals for fall 2012 enrollment. Please call 810.626.2104 for more details.

LEGACY HS students recently had an opportunity to serve breakfast to a special group of Mothers at the Hartland Senior Center. Students at LEGACY are instructed on the virtues of "service above self" as they prepare to enter the real world beyond the halls of Hartland.

Prom 2012

Prom 2012 was an excellent event for a group of LEGACY HS students. Pictured here; Marqueece Sutton, George Gallagher, Jake Turnage, Brett Shirley, Ashley Hall, Abby Hodges and Chelcie Holcomb all pose for a photo at Crystal Gardens in Howell.

Students from LEGACY HS and seniors from the Hartland Senior Center came together for a competitive game of softball. With sunny skies and hot dogs on the grill, a good time was had by all. In the end, the HS students from LEGACY were victorious but not by much. It was a great game fueled by collaboration and camaraderie.

Pictured here are George Gallagher, Ashley Hall, Tori Kulik, Haley Chant and Abby Hodges preparing to serve brunch to a group of mothers at the senior center.

Recognizing Symptoms of Dementia

One might say that for an elder person a little forgetfulness or confusion is normal, but when do you know if there is a serious problem, such as dementia?

An online article from FamilyDoctor.org outlines some common symptoms in recognizing dementia.

"Dementia causes many problems for the person who has it and for the person's family. Many of the problems are caused by memory loss. Some common symptoms of dementia are listed below. Not everyone who has dementia will experience all of these symptoms.

- **Recent memory loss.** All of us forget things for a while and then remember them later. People who have dementia often forget things, but they never remember them. They might ask you the same question over and over, each time forgetting that you've already given them the answer. They won't even remember that they already asked the question.
- **Difficulty performing familiar tasks.** People who have dementia might cook a meal but forget to serve it. They might even forget that they cooked it. Problems with language. People who have dementia may forget simple words or use the wrong words. This makes it hard to understand what they want.
- **Time and place disorientation.** People who have

dementia may get lost on their own street. They may forget how they got to a certain place and how to get back home.

- **Poor judgment.** Even a person who doesn't have dementia might get distracted. But people who have dementia can forget simple things, like forgetting to put on a coat before going out in cold weather.
- **Problems with abstract thinking.** Anybody might have trouble balancing a checkbook, but people who have dementia may forget what the numbers are and what has to be done with them.
- **Misplacing things.** People who have dementia may put things in the wrong places. They might put an iron in the freezer or a wristwatch in the sugar bowl. Then they can't find these things later.
- **Changes in mood.** Everyone is moody at times, but people who have dementia may have fast mood swings, going from calm to tears to anger in a few minutes. Personality changes. People who have dementia may have drastic changes in personality. They might become irritable, suspicious or fearful.
- **Loss of initiative.** People who have dementia may become passive. They might not want to go places or see other people.

Dementia is caused by change or destruction of brain cells. Often this change is a result of small strokes or blockage of blood cells, severe hypothyroidism or Alzheimer's disease. There is a continuous decline in

ability to perform normal daily activities. Personal care including dressing, bathing, preparing meals and even eating a meal eventually becomes impossible.

What can family members do if they suspect dementia? An appointment with the doctor or geriatric clinic is the first step to take. Depending on the cause and severity of the problem there are some medications that may help slow the process. Your doctor may recommend a care facility that specializes in dementia and Alzheimer's. These facilities offer a variety of care options from day care with stimulating activities to part or full-time live-in options. Sometimes if patients tend to wander off, a locked facility is needed.

In the beginning family members find part time caregivers for their loved one. At first, loved ones need only a little help with remembering to do daily activities or prepare meals. As dementia progresses, caregiving demands often progress to 24 hour care. Night and day become confused and normal routines of sleeping, eating and functioning become more difficult for the patient. The demented person feels frustrated and may lash out in anger or fear. It is not uncommon for a child or spouse giving the care to quickly become overwhelmed and discouraged.

Family gatherings provide an excellent op-

portunity to discuss caregiving plans and whole family support. It is most helpful if everyone in the family is united in supporting a family caregiver in some meaningful way.

"The first step to holding a family meeting, and perhaps the most difficult one, is to get all interested persons together in one place at one time. If it's a family gathering, perhaps a birthday, an anniversary or another special event could be used as a way to get all to meet. Or maybe even a special dinner might be an incentive.

The end of the meetings should consist of asking everyone present to make his or her commitment to support the plan. This might just simply be moral support and agreement to abide by the provisions or it is hoped that those attending will volunteer to do something constructive. This might mean commitments to providing care, transportation, financial support, making legal arrangements or some other tangible support." The Four Steps of Long Term Care Planning
Professional home care services are an option to help families in the home. These providers are trained and skilled to help with dementia patients. Don't forget care facilities as well. It may be the best loving care a family member can give is to place their loved one in a facility where that person is safely monitored and cared for.

Chronic Disease Self-Management:

The Key to Better Health is in Your Hands

Anyone who has a chronic illness like arthritis, asthma, diabetes, emphysema, heart disease or other condition knows how challenging it can be. Chronic illness can affect every part of our lives – the way our bodies look and feel, the activities we can enjoy, the costs of medications and doctor visits, the emotions we experience and more. No matter what chronic health conditions we have, what we do to help ourselves is very important. We can choose to do nothing, and let the disease consume our lives, or we can work to take control of our condition before it controls us. We can learn about our disease, keep informed about our progress, take part in our treatment plan, communicate with our health care team, stay optimistic and open to new ideas. People with chronic diseases can learn better self-management skills through **PATH**.

PATH is a chronic disease self-management program that can serve people with heart disease, lung disease, diabetes, arthritis and more. A **PATH** workshop will be held at the Hartland Senior Center this summer. The program consists of six, 2 hour sessions. Please call the Center at 810.626.2135 for information regarding day and dates.

Club & Organization News

The Rotary Club of Hartland

Rotary meets every Thursday morning for breakfast, generally followed by an informative presentation. Visitors are welcome to join us for our breakfast meeting, at Village manor Retirement, 9501 E. Highland Road, at 7:30 am. If you have a passion for community and world service, and enjoy sharing fellowship with those having a similar desire, please join us for breakfast. For information about our club, visit www.hartlandrotary.org.

Notes About Rotary. Most of you are aware that Rotary has been instrumental in the global project to defeat Polio, and that the annual worldwide number of polio infections has been reduced from millions to under one hundred! We are in the final stages of eliminating this disease. Most people don't know that, once it's gone, it's gone forever! A major milestone occurred this year – the entire country of India has been declared polio-free! This year polio exists in only THREE countries! It is your support for Rotary that is making this possible. And this is only one example of the scope of Rotary's impact.

Isle Royale and Other Great Places-June 5

We are fortunate to have among our members many world travelers who are willing to share their photo-journals with us. On June 5, HANC member Martha Hubbel will share her slide presentation entitled "Isle Royale and Other Great Places." Join us at the Hartland Senior Center at 6:15pm as we close our 2011-2012 season with a potluck dinner. The program will follow at 7:30pm. The Senior Center is located in the Hartland Education Support Service Center on M-59 just west of US 23. For more information please contact Jami Bond at 810.623.1551.

Hartland Area Historical Society

Visit your museum this summer

The Florence B Dearing Museum, located at the corner of Crouse and Avon Streets in the village of Hartland, will be OPEN this summer every Wednesday and Sunday from 1-3pm. The summer hours begin June 1 through Labor Day. Learn about the rich cultural history of the Hartland Area. Exhibits include the original Post Office (1930-1970), a farm kitchen and parlor, showcase featuring textiles and a loom manufactured in the 1930s through Cromaine Crafts, a Civil War era flag, clothing, and a 100 year old taxidermy exhibit featuring animals that lived in the area. Plus...The building is air conditioned too!

An ICE CREAM SOCIAL will be held on June 22. Please check the website for updated information about the society, meetings and programs at www.hartlandareahistory.org.

Black Sheep Weavers Fiber Guild

Meetings resume September 6

Spring has arrived and summer is on its way! Some members have been busy shearing sheep and alpacas or welcoming new fuzzy babies. Some are dyeing silk, wool and other fibers into many beautiful colors of the rainbow while still others are busy creating wonderful fiber art to both wear and sell at Michigan's many festivals and art fairs.

The Guild traditionally meets from September through May, closing out our year with elections for next year at our member's pot luck in June. We look forward to another year of creating art, sharing projects and ideas, attending meetings where we will enjoy speakers representing many of the areas of fiber arts or attending workshops to learn a new skill.

Plan now to join us next fall or renew your dues (\$25) when we once again meet at the Hartland Educational Support Services Center on M-59. We always welcome visitors who are interested in any of the fiber arts! For additional information please visit our website at www.blacksheepweavers.com or contact Nadine-Treasurer/Membership at 810.229.0869.

The Hartland Area Macintosh User Group (HAMUG) will meet Tuesday, June 12 at 7:30 p.m. The June meeting is being held at The Spirit of Livingston, 3280 W. Grand River in Howell. It is our annual pot luck and swap meet. Danny from the Spirit of Livingston will be demonstrating his new "ALL OVER DESIGN" shirt sublimation process. Anyone interested in learning more about the Macintosh computer is welcome to attend, regardless of your level of computer knowledge. Have questions or need information? Call Jim Sparks at 810.632.6630.

2nd Annual Cardboard Boat Regatta-JULY 21

Last year, a new event splashed into town – Hartland's very own Cardboard Regatta! This event was hosted by Waldenwoods, for the benefit of Hartland Rotary and the charities it supports. Hundreds of spectators lined the shore of Lake Walden to cheer on their favorite boat. Nine boats were constructed and entered in the competition. Quite amazingly, all craft made it around the approximately 250 yard course, although most failed to survive the Pirates' Derby (which has already become a crowd favorite!).

The entrants in 2011 were by Hartland Insurance, Michigan Rehabilitation, The Cheryl Stockwell Academy, Livingston Concrete, Majestic Golf, and Waldenwoods (the boy's boat and the girl's boat), plus two boats built and entered by Karen and Frank Crouse.

This year the event is planned for Saturday, July 21 again hosted by Waldenwoods. Barbara Walker, (our new president as of July 1) invites you to enjoy a day of fun at Waldenwoods, including fun on Lake Walden's sand beaches, up-close inspection of the boats and even kayaking on Lake Walden. There will be a Model A Car Show, Children's Entertainment, Food & Beverages, Silent Auctions, Raffles and much, much more.

Hartland Rotary encourages families and businesses to get started NOW on the design and construction of their very own boat! Last year, we discovered that construction of a reasonably seaworthy craft can be accomplished in a few hours and at a very nominal cost. We have posted illustrated instructions on our website (www.hartlandrotary.org). The number of entrants will be limited – so save your space early by registering NOW. With your registration, we will be glad to provide you with personal support during construction and hints to reasonably assure that your boat will be competitive!

Steel Eagles FTC#5290

Students of the Hartland Ore Creek Middle School successfully competed in the FIRST Robotics FTC division this season. The Team made up of 7th and 8th graders built an 18" x 18" robot that operated in both Autonomous and Tele-operated play. Their robot named "A.R.C" won the PTC design award at the West Michigan Regional and was invited to demonstrate for future team members of the High School teams at the Michigan State Championship in front of a crowd of thousands. The team is made up of Miles Bednarski, Domenic Portuesi, Daniel Sapp, Austin Watson, Michael Slattery, Matthew Weber, Samuel Vestergaard, John Dunleavy and Jordan Wallick. The Steel Eagles are part of the growing Robotics program in Hartland Schools consisting of FLL team "The Rising Eagles", FTC team "The Steel Eagles" and FRC team "The Electro Eagles."

The program is organized by Coach/Organizer Matthew Bednarski. Those interested in getting involved in the program should contact Matt at hartlandschooldistrictrobotics@gmail.com.

Fall Hurricanes Swim Club Try-outs

Try-outs for the fall Hurricanes Swim Club season are August 6, 7 & 8.

Skill evaluations are either August 6 or 7 at 6:00-7:30pm, and swimmers are also required to attend a "trial practice" on August 8 at 6:00-7:30pm.

The fall season begins September 10. For further details please check the website www.hartlandschools.us, follow the links to the aquatic center and Hurricanes Swim Club, call the pool 810.626.2279, or e-mail hurricanes@hartlandschools.us.

Summer Membership at the Hartland Pool?

Unless you live on a lake, or next door to someone who generously shares their backyard pool, finding someplace to burn off some of the kids energy in the summer can be a challenge.

Let's do the math. If a family of four comes to the pool once a week for 13 weeks, the walk-in cost (\$5 each) would be \$260. A family membership costs \$170, and you can come as often as you'd like.

Open Swims are 6 days a week, Mondays - Thursdays at 2:30-4:00pm and 7:30-9:00pm, Fridays and Saturdays 2:30-4:00pm and 6:30-8:00pm. Where else can you go where it's always sunny, warm, safe and clean?

Families with young children often bring the kids' pajamas, and take them home freshly showered and worn-out-ready-for-bed.

Membership includes the use of the pool during public scheduled hours, except for classes with an instructor. More information can be found at www.hartlandschools.us, then follow the link to the aquatic center, or call 810.626.2279.

Black Sheep Weavers Fiber Guild Spring Fling new location awesome!

This year Black Sheep moved our 8th annual Spring Fling sale to the lobby of the Performing Arts Center located in the Hartland Educational Support Services Center on M-59. What a fabulous location! Everyone in the Guild and all of our customers loved and fawned over how wonderful and bright the space was, the ample parking and the large area to display and sell our art work. Thank you to Michelle Otis, Toni Silsbe and Scott Usher for your help with organizing this event. A special "thanks" to Tom Parshall of IMC Products for updating our signs for publicizing with the new sale dates and location change.

Heritage Day Photo Contest

Hartland Area Community Council is announcing a Heritage Day photo contest; winners will be on display in Cromaine Library the month of September. Winning photos will be featured in the Heritage Day booklet and will appear on the Community Council website. The contest is open to students and residents of the Hartland Consolidated School District.

(Group 1) Students (ages 9-12) including Our Savior and home schooled.

(Group 2) Students (ages 13-19).

(Group 3) Adults (ages 20 and up).

The categories are (1) Animals, (2) People, (3) Nature, and (4) Hartland historical related. Final size no larger than 12 inches by 20 inches (horizontal or vertical) and the winning photos will be laminated by Cromaine Library. No use of any Adobe Photo Shop software or other photo software modifications, please.

Participants can enter no more than 4 photos. An entry form will be available on the Hartland Community Council website <http://hartlandcommunitycouncil.org> on July 1. All photos must be submitted to Cromaine Library front desk between August 1 and August 15, along with a completed entry form for each photo. Winners will be selected by September 1 and will be notified by phone. The photos will go on display at the Library September 4, 2012. On Heritage Day the public will be asked to vote on their favorite.

Heritage Day Tractor Display

Tractor guys are asked to come to the village for Hartland Heritage Day on Saturday September 22. Share your tractors and plowing equipment with your Hartland neighbors. New, old, restored, not restored, all are welcome. Contact Doug Kuhn 810.730.5470 or Leo Bard 810.632.7950 for additional information.

Quilts for 2012 Heritage Day

There will be a quilt and fiber display on Heritage Day Saturday September 22. It will be at Hartland United Methodist Church with the quilts and other items to be laid over the pews in the sanctuary. People desiring to display items will need to fill out a form that will be available on the web site of Hartland Area Community Council (hartlandcommunitycouncil.org), or you can call 248.887.1283 for additional information

In addition, people are needed to demonstrate, whether it be knitting, rug hooking, quilt making, crocheting or other hand crafted items. Please contact Barbara Krueger, bek4450@aol.com or 248-887-1283. All arrangements must be finalized by September 1.

Scouting News

Cub Scout Pack 385

Can you believe school is almost out? Is it too early to welcome summer? Our Scouts are looking forward to having a fulfilled summer, including some attending the Brighton Optimist Club Kids Fishing Derby, District Day Camp at St. Mary Magdalen, a Toledo Mud Hens Sleepover, our annual Pack Picnic Day and Resident Camp in July. As you can see from the picture above, we also participated in Hartland's Relay for Life in May and helped lead the opening ceremonies for a wonderful organization. We will start up our den and pack meetings again in September and we would love to have any new members. We learn, contribute and have a lot of fun! If you would like to join Pack 385 (or have your parents help out in a den), contact Cindy Andersen with any questions 810.360.0660. See you in Scouting in the fall!

Eagle Scout - Rocky Crotty

Rocky Crotty, of Hartland Boy Scout Troup 385, earned the Rank of Eagle Scout and was celebrated in a ceremony on May 19. Rocky's service project involved rebuilding, painting and decorating the buildings used for the Safe Town program. Rocky worked with Jan Doke, Safe Town coordinator, to design some new buildings along with refurbishing some others. Guided by his Eagle advisor, Mr. John Wood, Rocky, some Scouts from the Troop, and other friends and family assisted Rocky in the completion of his project. This project was very important to Rocky since he had been volunteering as a Safe Town helper each summer for the past 8 years.
