Good Things Happening:

Pictures Left to Right:

HHS Senior Riley Hough was named Mr. Cross Country by the Michigan Interscholastic Coaches Association.

The newly renovated Round Elementary courtyard is looking good. Thank you PTO.

Congratulations to our new National Jr. Honor Society Leadership Team at the Middle School.

Optional Home Testing:

Attached to the email you received this communication in, you will find an “At Home Testing” program that is being offered by the LCHD. This is strictly optional on a volunteer basis. This program will allow parents to test their children every other day for 15 days. If you choose to engage in this opportunity, please follow the instructions.

Always Grateful:

I am always grateful to the people in this community. You continue to rise to the occasion. If you can, please visit <https://www.gcfb.org/tag/livingston/> to help local families with a holiday meal. If you visit <https://www.gcfb.org/event/2020-12-days-of-gleaners/> you can double your contribution.

Below, Farms Intermediate students are helping collect food for Gleaners. Most of our buildings are doing something to support this organization.

Respectfully,
