Dear HCS Education Community:

## **We Will Miss You Ms. Kreger!**

Unfortunately, Ms. Kreger, Principal of Village Elementary, will be leaving the Village community to pursue a wonderful opportunity for her professional career. Her last day will be February 11, 2022. I know that we will all miss her huge smile, spirited personality, and drive to create the best educational environment possible for students and staff. There is little doubt that she was the right hire to lead Village Elementary over the past few years. Thank you for the time you have given our community Ms. Kreger. Starting on February 1, 2022, Mr. Jason Reck, Hartland High School Assistant Principal, will work with Ms. Kreger to transition into the principalship. We have every confidence that Mr. Reck will continue to support the outstanding learning environment. Mr. Reck has enthusiastically embraced this interim opportunity. To ensure that we have high school administrative coverage, Mrs. Melissa Frasier will be moving from a teaching position at Creekside Elementary to the Interim Dean of Students position at the high school. We look forward to great things continuing to happen in all our buildings. The district will assess these interim positions at the end of the school year.

## **Parent Perception Survey 2021-22 for Middle School**

With the completion of the Middle School Parent Perception Survey, 91.5% of respondents indicated that they would give an A or B to the school, based on their experiences, 87.1% agreed or strongly agreed that “school is a safe place for my child,” 88.7% agreed or strongly agreed that “school is an inviting and welcoming place for my student to learn,” and 93.6% stated that “school treats my student with respect.” Once the high schools have completed this survey process, I will share some results. At a future Board meeting, I will share the combined district results. Thank you for taking the time to help us better understand your perspective on the work we do to educate and care for students.

## **Mark Your Calendars and Share**
