Seeking to Hire Custodians

If you are looking for a full-year position working in a fantastic environment with benefits, look no further than HCS. The Hartland School District is hiring custodians (day and evening) with opportunities to accept overtime work. Please visit the job description and process for applying at: <https://www.hartlandschools.us/documents/Departments/Personnel/JobOpenings/2021-2022/Building-Custodian.pdf>. I ask that you share this posting with friends and neighbors who would be excited to help us provide a fantastic learning environment for our children.

End of Season, Conference, and State Tournaments

Our winter season student athletes and academic participants have been extremely competitive this year. I wish each individual and team the best as they compete in the end of season, conference, and state tournaments. Remember the importance of reason, respect, and responsibility and always represent your school and community positively. Good sportsmanship is expected by all, without exception. GO EAGLES!

Scheduling and JK-Kindergarten Enrollment for 2022-23

Our schools are in the process of scheduling and determining section needs for the fall of 2022. Please ask questions of your children about the process and deadlines. If you are aware of any families looking to enroll for Junior Kindergarten or Kindergarten, encourage them to enroll as soon as possible. Parents waiting too long to enroll could find their child not assigned to their home school.
