Dear HCS Education Community:

Congratulations

Congratulations to our Hartland High School Hockey team on earning a State Championship. Best wishes to our Girls Basketball team as they compete in the MHSAA Final Four. Go Eagles!

Mr. Wheeler, HHS Athletic Director, will be highlighting our winter athletic programs at the April 14, 2022 Board of Education meeting. What an impressive year for our student athletes.

Spring Testing in HHS

This video is extremely informative for students and parents in preparation for what the Spring State Assessment schedule and expectations will look like at Hartland High School. Please view it if you have students at HHS. <https://www.youtube.com/watch?v=1uNeMccDKKw>

Thank You For Your Support

As I think about the past couple of years and all we have been through together, I cannot help but share this quote:

We can have peace if we let go of wanting to change the past and wanting to control the future.

By Lester Levenson

The district completely understands that there were, and still are, differences of opinion on the decisions made. What we know is that we are slowly getting back to “normalcy” as the days move by. Let us not forget that together our community continued to provide a positive educational environment for our children. The work to overcome the side affects of anxiety, isolation, and anger will need to be addressed. The district is committed to providing the support needed to our students because it is essential to their health and well-being. Our staff will continue to work tirelessly at providing an intervention-based environment where every child has the support needed to engage in all that we have to offer. Thank you for trusting our wonderful team of educators and support staff. Our community, parents, Board of Education, and support staff are clearly amazing.

Livingston County Common Calendar

The Livingston Educational Service Agency (LESA) has released the common calendar for 2022-23 through 2026-27. This calendar will help you to plan for the Holiday Break and Spring Break.

Weekly COVID Update:

Since my last update on March 9, 2022, the data shows:

Livingston County Average Percentage of Positive Results for all Tested: 5%

Livingston County Average Number of Positive Cases Per Day: 15.4

Livingston County Average Number of Positive Cases Per Week: 108

The district has been notified of positive or probable COVID cases at Hartland High School (2).

Continue monitoring for symptoms, stay home if symptoms are present, and pursue testing.

Respectfully,
