Dear HCS Education Community:

**Thank you!**

I thought this would be a nice time to once again thank our Board of Education for an outstanding school year, considering all the challenges with COVID, supply issues, inflation, staffing, etc. I could not ask for a better group of people to provide oversight and direction for the school district. Thank you for supporting our staff and for focusing on learning. You have set high standards for the district, which is appreciated and certainly drives all of us toward getting better. As the end of the year approaches and the graduation ceremony concludes, know that you make a difference for the staff and students of the Hartland Consolidated School District. We are a Premiere School of Choice District due in large part to each of you.

## **Hartland Board of Education Members**

**Back Row L to R:** Thom Dumond, President, Chris Costa, Vice President, Bill Gatewood, Treasurer and Vic Bugni, Trustee

**Front Row L to R:** Meghan Glabach, Trustee, Kristin Coleman, Trustee, and Michelle Hemeyer, Secretary

## Weekly COVID Update

Since my last update on May 4, 2022, the data shows:

**Livingston County Average Percentage of Positive Results for all Tested: 20.4%**

**Livingston County Average Number of Positive Cases Per Day: 65.8**

**Livingston County Average Number of Positive Cases Per Week: 461**

The district has been notified of positive or probable COVID cases at Creekside Elementary (1) Hartland High School 6, and District Support Staff (1).

Continue monitoring for symptoms, stay home if symptoms are present, and pursue testing.

Respectfully,

Chuck Hughes  
Superintendent
