

# Hartland Consolidated Schools

believes your learning environment should provide your “best fit” opportunity for success.

Ask yourself; does your learning environment allow you to be...

- ★ Academically challenged
- ★ Comfortable being yourself
- ★ Socially emotionally supported
- ★ Seekers of extracurriculars that build skills, knowledge, and relationships
- ★ Encouraged to pursue internships, certification, AP/dual enrollment or other programs that help clarify career plans
- ★ Expected to grow in self-management, communication, and critical thinking

Designing “best fit” learning programs means pairing students with the instructional delivery model that balances academic rigor, social emotional needs and next generation learning autonomy. One of HCS’ many strengths is the versatility of our

programming ensuring more “best fits” for more students. So accelerate your learning, explore a new interest, and achieve your diploma in a program that gives you the control over time, place and pace in Hartland Virtual Academy.
