November 9, 2022

Dear HCS Education Community:

2022 Board of Education General Election Results: As it sits right now, Glenn Gogoleski and Meghan Glabach were voted into a six-year term. Michelle Hemeyer and Greg Keller share a tie for the final six-year term. The way this is rectified is that the Board of Canvassers meet to verify the tie. Once this is complete the candidates engage in a drawing. The drawing is of two pieces of paper, “Elected” or “Not Elected” written on them. The person drawing the “Elected” piece of paper is declared the winner. Once a winner is declared, any party can ask for a recount. Michelle Blondeel won the partial seat to expire in 2024. I would like to wish each elected BOE member the best and will update the public once the results have been certified. I know that together we will continue leading HCS toward a better future and make decisions that are in the best interest of all students.

Thank you, Jr. Optimist’s: The Hartland Optimist Club provided an appreciation breakfast to our Hartland High School Jr. Optimist Club members. This group of young people are often the movers and shakers when it comes to taking care of those in need. It was great to interact with such positive young people.

Parent Coaching Available: Earlier in the year I shared an opportunity for parents (the hardest job in the world by the way) to seek help with parenting issues. If you visit Parentguidance.org you will find free parent coaching where you can share your needs and be provided an expert sounding board which is available for a sustained period as needed. This is being brought to you from the Livingston County Public Schools as a resource. Since this was made available, fourteen (14) parents have accessed the platform. The data is collected through the organization and shared as the number of users only.

Every parent with a student in Livingston County now has access to a FREE and CONFIDENTIAL parent coaching program. Read more about the [coaching program](#), register to be connected with a [free parenting coach](#), or visit parentguidance.org.

You can visit any school building website or the district's website to find the information (see graphic to left).
