Dear HCS Education Community:

County Fiber Project: The school districts in Livingston County have agreed to participate and help fund a maintenance account for the county fiber project which may be moving forward. This project is important to help establish main fiber lines that internet providers could tap into to bring service to homes where it is currently not available. Please take a few minutes to look at the presentation at <https://screencast-o-matic.com/watch/c3libdVvX0v>.

High School Quiz Bowl Success: Congratulations to our Varsity Quiz Bowl team for finishing 1st place in our division and to our JV team for finishing 3rd place.

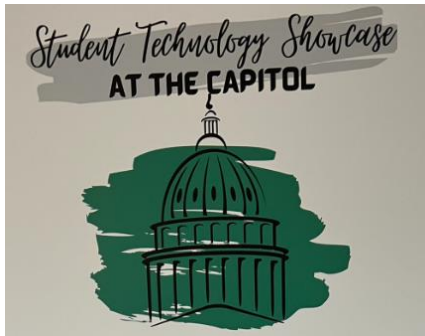

Thespians Rock: Hartland High School Drama Club students attended a thespian festival last weekend at the Lansing Center. Out of the 13 events our students participated in, we had six Superior ratings, six Excellent ratings, and one Good rating. Two of our students were offered over \$525,000 in combined scholarships from multiple institutions. Congratulations to all of those involved.

Staff Bell Ringers:
