Dear HCS Community:

What's The Difference? Often, district staff engage in conversations with students and parents where the word “bullying” is used, but the situation does not align with bully behavior. Below, I share a graphic that should help everyone understand there is a clear difference between teasing, conflict, harassment, and bullying. Please recognize that the word “repeated” is key to labeling a behavior as “bullying.” The district uses this graph to teach staff how to address different behavioral issues.

Hartland High School Staff Takes on Seniors in Volleyball: The HHS staff took on the seniors who won the class tournament created to support Gleaners. Below is the proud staff who lost to the seniors in the final match.

Hartland Community Council Wreath Project: Please help us provide holiday wreaths for the 230 veterans' graves in four Hartland area cemeteries! The cost of the wreaths has increased over the last couple of years, and we need more financial support than ever to make this annual project possible. Email questions to hacc1935@gmail.com or visit our website at hartlandcommunitycouncil.org.
