Dear HCS Community:

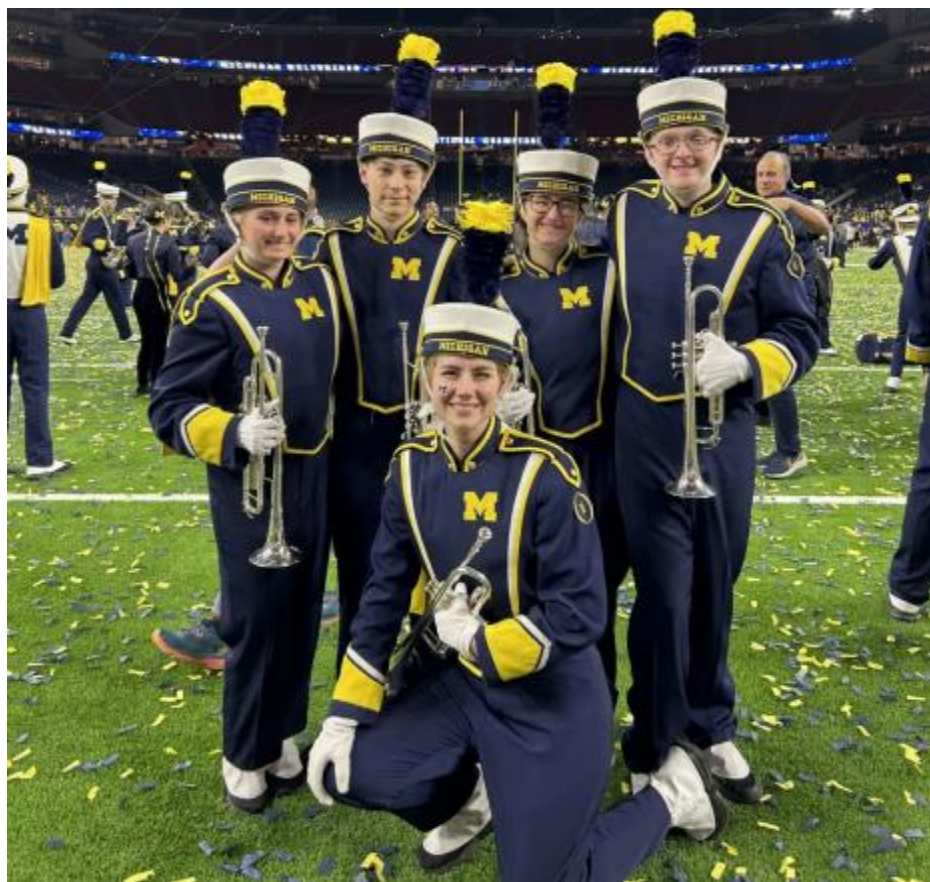

Clear Lungs, Bright Futures: Understanding Vaping and Smoking

The following link may help parents with conversations around the dangers of vaping and smoking. This material is provided by the Cook Center for Human Connection and www.PartentGuidance.org.

Hartland Graduates Perform for the University of Michigan

Mr. Brad Laibly, Hartland High School Band Director, must be extremely proud of the success Hartland High School students have beyond high school. He stated in a recent newspaper article that he estimates up to 10% of his graduates go on to perform in college bands. Thank you for your guidance and for providing the environment where our Eagles can thrive.

2024 Youth Appreciation Nominations Now Being Accepted

The 2023-24 Youth Appreciation Nomination Form is now available at <https://bit.ly/YouthAppreciation2024>. Areas to consider when selecting your nominee may include: outstanding community service, good judgement and choices, perseverance and overcoming hardships, support and encouragement of others, loyalty or teamwork, and special achievement beyond grades. I challenge staff to nominate at least one outstanding young person for this honor. Nominations are due by 3:00 p.m. on February 16, 2024.

Note: you may nominate up to (2) individuals.

Kindergarten Enrollment Update

Please be aware that enrollment for the 2024-25 school year opens on February 1, 2024. Enrolling prior to February 1, 2024 may place your child in the current school year, 2023-24, which you do not want.

Hartland Family Winterfest coming to Heritage Park

The Hartland Family Winterfest is coming to Heritage Park on Saturday, February 10th.

This is a free event from 1:00-dusk in the space adjacent to All Saints Lutheran Church off Highland Road.

This year, the event will feature bingo with prizes, an entertainment tent, bonfires, cookie decorating, a craft fair (All Saints Lutheran Church), Hartland SOUP (All Saints Lutheran Church), photos with live reindeer, sledding, food from the Teen Center, and fireworks at dusk. Come out and enjoy the fun!

Career Technology Open House (CTE)

The CTE Open House continues to be a successful event. Parents and students were impressed with the opportunities that the CTE department provides to our students.

Board of Education Vice President Kristin Coleman checks things out along with many other parents and students, while others learn about the programs offered through CTE.

Students check out the Computer-aided Drafting program

Teacher Mike Zielinski shares information about the building trades with interested students.

Checking out the robotics programs available in HCS.

Thank you, Hartland and LESA CTE teachers, for the opportunity to learn more about these programs.

Respectfully,
