Dear HCS Community:

## **Optimist Oratorical Success:**

“How to Change the World with Optimism”. Participants created a formal speech and presented the speech to members of the HMS staff. We would like to thank Mr. & Mrs. Bliznik and Mrs. Johnston for their help in developing and grading student speeches. Out of the many talented participants, twelve students advanced from HMS into the local competition. From these twelve students, two students advanced to the regional competition. If either student wins the regional, the State level of the competition would be next. At the state level, our students have a chance to win a \$1,000, \$1,500, \$2,500 scholarship. Advancing to the regional competition was 1<sup>st</sup> place winner **Nick Yegge** and 2<sup>nd</sup> place winner **Tilly Vandermeulen**. A special congratulations to **Lea Schmanski** who took 3<sup>rd</sup> place.
