## Custodial, Maintenance, and Grounds Staff Are Key Ingredients to Our Success

Did you know that Hartland Schools boasts 1.1 million square feet of facility space? Our incredible maintenance, grounds, and custodial teams have been hard at work all summer, ensuring everything is ready for the new school year. With just 57 days to work over the summer, they've deep cleaned 329 classrooms, cleaned and extracted 400,000 square feet of carpet, waxed 440,000 square feet of flooring, and have mowed 190 acres of grass weekly. They've also completed 488 building repairs and are currently changing 1,280 air filters while cleaning HVAC units.

A huge thank you to our behind-the-scenes heroes who keep our district running smoothly every day!

Respectfully,

Chuck Hughes
