Welcome Back Everyone!

WE NEED BUS DRIVERS

During the past year, the Livingston County Transportation Consortium has worked hard to create a salary and benefit package that would attract and retain bus drivers. If you or someone you know would like to drive for HCS, the following is available:

Hourly Wages = Step 1: \$20.37 (up to \$22.62 for experience)

Signing Bonus = \$2,000 (through September 1st a \$5,000 bonus for a fully credentialed driver, and \$3,000 for a substitute fully credentialed driver)

Longevity Bonus Annually = 5-7 years: \$500, 8-10 years: \$1,000, 11+ years: \$1,500

Sick Time Payout = Up to \$600 annually

Sick Time Retirement or Resignation bonus = Up to \$5,000 after 5 years of service

Medical = Single person coverage or \$5,000 cash in lieu for not taking insurance

Dental & Vision = Available to be purchased

Substitute Drivers = Commit to 75 days annually at wage scale noted above and be paid up to \$20 per day in bonus money

All potential drivers will be paid for any time to train at regular driver wages.

Free Backpacks

HCS in collaboration with LESA, has free back packs available if you missed the back-pack pickup. Please stop by central office or your child's school building office to inquire about a back-pack for your child. Availability is on a first-come first-serve basis.

See Something, Hear Something, Say & Do Something:

The start of the school year is upon us. As in past years, I want to remind students, parents, and staff that discrimination, bullying, harassment, hazing, and aggressive behavior towards others is not acceptable for any reason. I have included the following link to an educational presentation the district provides to staff and students, much of which is found in the district's Parent/Student Handbooks. I ask that students and parents review this information and engage in conversations about treating each other as we wish to be treated ourselves. It is my hope that together we can ensure that the school environment is one in which all children feel safe and are free from the negative effects of discrimination, harassment, bullying, hazing, and aggressive behavior toward each other. Together we can create the positive school environment that we all expect for our children.

Cinderella in Hartland

Hartland Players Production of Cinderella is being presented by the Hartland Players, Encore Youth Theater and Hartland High School. This is a new and exciting summer musical theater program that gives young actors a chance to work in a professional environment alongside expert production staff and professional actors here in Livingston County and the surrounding area! The goal is to inspire young actors, dancers, artists, and singers, and provide them with a chance to work alongside those who have been a part of the professional industry in an educational environment. The production will be taking place at Hartland High School on August 17 and 18. For tickets click on this link: <https://www.hartlandplayers.org/show-tickets/>

Respectfully,

Chuck Hughes
