2020 Bond Bid Package 5B

Matt Marino walked through the new bid package for athletic field improvements and the sinking fund project dealing with water issues at Round elementary (replace domestic water piping).

Matt, Chuck and Rachel shared they met with Barton Malow on 2/15/22 to review bids.

The high school athletic bid came in at \$2.8 million, which is way over budget. We plan to take this project off the table and rebid it in September to hopefully get better pricing. We are trying to be fiscally responsible to our community.

Custodians

In an effort to attract better workers and results, we moved to a 3rd party employer. We are offering benefits and year-long employment to these individuals. We started with Lakes and Farms as the test buildings and things have been going well. Matt noted we are fully staffed at these buildings.

Chuck shared that he has asked Matt and Rachel to begin purchasing equipment for the other buildings. Matt will be staffing 2 more buildings: the HESSC and Creekside. By June 30th we plan to pick up all buildings except the High school and Middle school, which we will bid for services.

The meeting adjourned at 8:09 a.m.

Respectfully submitted,
Renee Braden
